GENERAL TERMS AND CONDITIONS

1. General

General Terms

This Agreement contains the terms and conditions that govern your enrollment in and use of the Digital Platforms and Services. When you use or access, or permit any other person(s) or entity(ies) to use or access the Digital Platforms or Services on your behalf, you agree to the terms and conditions of this Agreement. By using or accessing the Digital Platform and the Services, you acknowledge that you have read, understand, and agree to abide by the terms and conditions of this Agreement. If you do not agree to the terms and conditions set forth herein, you may not use or access the Digital Platforms or the Services.

Additionally, you acknowledge or otherwise agree to comply with: (a) such other written requirements as we may provide in connection with the Digital Platforms, Services, or Products, including all terms and conditions contained in any account agreements, loan documents, cardmember agreements, EULA, and privacy policies (collectively, the "**Other Documents**"); and (b) all applicable state, federal and international laws and regulations. To the extent there is a direct and irreconcilable conflict between this Agreement and the Other Documents, the Other Documents shall control unless this Agreement specifically states otherwise.

This Agreement is not intended to modify the Other Documents and the Other Documents will continue to apply to your accounts. If this Agreement conflicts with any statements made by one of our employees or by our affiliates' employees, this Agreement will govern. When using other services or features available through the Digital Platforms but provided directly by third parties, your use of such services or features will also be governed by the agreements and other terms or conditions with such third parties governing use of those services or features.

Services described in this Agreement, as well as any associated fees, charges, interest rates and balance requirements, may differ among geographic locations. Not all Services are offered at all locations. Therefore, you may not be eligible for all the Services described in this Agreement. We reserve the right to determine your eligibility for any Service. By offering the Services via the Digital Platforms, we make no distribution or solicitation to any person and/or entity to use the Services in jurisdictions where the provision of the Services is prohibited by law.

Interpretation of Certain Terms

Unless otherwise defined within these General Terms and Conditions or the applicable Addendum, capitalized terms have the meanings given to them in the Glossary. Any capitalized terms used but not defined have the meaning given in the Other Documents.

Except as otherwise provided, the terms “hereby,” “herein,” “hereof,” “hereto,” “hereunder,” and similar terms refer to this Agreement as a whole and not to the specific section, subsection, paragraph, or other subdivision of this Agreement in which those terms appear.

All titles or captions are inserted only as a matter of convenience and for reference and in no way define, limit, construe, or describe the scope of this Agreement or the intent of any provision hereof.

The words “include,” “includes,” and “including” will be deemed to be exemplary and not exclusive, whether or not followed by the phrase “without limitation” or similar phrase.

Defined terms include the plural as well as the singular, and any pronouns include any of the corresponding masculine, feminine, or neuter forms, as required by context.

The use of “or” and “and/or” shall be deemed to be accurate throughout this Agreement unless the context suggests otherwise.

Each covenant and agreement will be construed for all purposes to be a separate and independent covenant or agreement.

These General Terms and Conditions and Addenda may be made available in Spanish as a courtesy. If there is any difference in meaning between the Spanish and English versions of this Agreement or any related documents we provide you, either now or in the future, the English version is the official document and will prevail. Please consult with a translator if you have any questions.

2. Mobile Services

Communications

You agree that we may send you information related to the Mobile Services through your Communication Service Provider and that your Communication Service Provider is acting as your agent in this capacity. You agree to provide a valid phone number, email address or other delivery location so that we may send you information related to the Mobile Services, including information about your applicable account or Card. You will immediately notify us if any phone number or email address you have provided is (a) surrendered by you, or (b) changed by you.

You understand and agree the Mobile Services may not be encrypted and may include personal or confidential information about you, such as your account activity or status. Delivery and receipt of information, including Instructions and/or other instructions regarding move money transactions through the Mobile Services may be delayed or impacted by factor(s) pertaining to your Internet Service Provider(s), Communication Service Provider(s) or other parties, or because of other reasons outside of our control. You also understand that

there may be a disruption in service when you change your Internet Service Provider(s) or Communication Service Provider.

We do not warrant that the Digital Platforms or Services will be compatible with your mobile device or carrier. Your use of the Digital Platforms or Services may be subject to the terms of your agreements with your mobile device manufacturer or your carrier. You may not use a modified device to use the Digital Platforms or Services if the modification is contrary to the manufacturer's software or hardware guidelines, including disabling hardware or software controls – sometimes referred to as "jail broken."

Marketing

You understand and agree that any marketing or offers that appear on Mobile Services are intended for U.S. customers, are only valid in the U.S., and only valid where allowed by state law. We do not extend marketing or offers into foreign jurisdictions where they may be prohibited.

Differences from the Online Services

Not all of the Services or Products described in this Agreement or the services, products, or functionality described on our website(s) may be available when you use a mobile device. Therefore, you may not be eligible to use the Services, Products, or other services, products, or functionality when you access or try to access them using a mobile device. We reserve the right to determine your eligibility for any Service, Product, or other services, products, or functionality.

Additionally, information available through the Online Services may not be available via the Mobile Services or may differ from the information available via the Mobile Services. Such information available through the Online Services may also be described using different terminology (including capitalized terms used in the Agreement or on certain of our Digital Platforms), or may be more current than the information available via the Mobile Services. This includes account balance information, and Transfer and payment information.

The method of entering Instructions via the Mobile Services may also differ from the method of entering Instructions directly through the Online Services. Processing of Instructions may take longer through the Mobile Services.

Identity and Location Verification

You authorize your wireless carrier to use and/or disclose information about you and your wireless device to J.P. Morgan Chase which we may use for the duration of your relationship with us, to help identify you or your wireless device and to help protect against fraud or unauthorized use of our services under this Agreement. Those details may include, among others, name, billing address, email, phone number, and device location.

Alerts and Text Banking

Your enrollment in the Mobile Services includes access to Alerts and Text Banking. The Alerts and Text Banking services are provided for your convenience and do not replace your periodic account statement(s) or other notices, such as trade confirmation for Investment Accounts. The Alerts and Text Banking services are only available to customers who have an eligible account with us. An eligible account includes a Consumer Account, a Business Account, an auto, mortgage, or home equity account, and Investment Accounts, and may include other accounts as determined by J.P. Morgan Chase in the future. You may be automatically enrolled to receive certain Alerts.

By receiving or otherwise using the Services, you understand and agree that: (a) we may send messages through your Communication Service Provider in order to deliver them to you and that your Communication Service Provider is acting as your agent in this capacity; (b) we may use a phone number, email address or other delivery location we have in our records for you or other such contact information as you may provide to us for the Service so that we may send you certain information about your applicable account; and (c) the alerts may be delayed and/or delivered at any time of the day or night and you specifically consent to receive such alerts between the hours of 9 p.m. and 8 a.m. local time in your location.

There is no service fee for the Alerts and Text Banking services but you are responsible for any and all charges, including fees associated with text messaging imposed by your Communication Service Provider. **Message and data rates may apply. Such charges include those from your Communication Service Provider.** Message frequency depends on user preferences. **To cancel the Alerts and Text Banking services, send STOP to 24273 at any time (J.P. Morgan Online clients only, send STOP to 576746). You expressly consent to receipt of a text message to confirm your "STOP" request.** For help or information on the Alerts and Text Banking services, send HELP to 24273. 3. Records; Communications

Our records shall be presumed to accurately reflect the contents of your Instructions to us and, in the absence of manifest error, will be binding and conclusive.

You agree to provide a valid email address so that we may send you certain information related to the Digital Platforms and Services, including for the purpose of servicing or managing any of your accounts. You will immediately notify us if any phone number, email address, or other contact information you have provided is (a) surrendered by you, or (b) changed by you.

You consent to receive electronic communications and disclosures from us related to the Digital Platforms and Services, including any Card or Chase P3 Card. You agree that we can contact you by email at any email address you provide to us in connection with any J.P. Morgan Chase product, service or account, or through the mobile device on which you have downloaded the Chase Mobile app. It may include contact from companies working on our behalf to service your accounts. If at any time you revoke your consent to receive such electronic communications and disclosures, certain Services may be cancelled, including your

P3 activation.

Unless otherwise prohibited by law or the applicable privacy policies, any communication or material you transmit to us via the Digital Platforms, the Services, or email is on a non-confidential basis and we may use such communication or material for any purpose, including reproduction, publication, broadcast and posting. We are entitled and, in some cases, obligated, to monitor, retain and review all communications to us or made via the Digital Platforms or Services, including those by telephone, email and other formats, for reasonable business purposes, such as to survey the quality of service that you receive, to assure compliance with this Agreement and industry regulations, and to maintain the security of the Digital Platforms and Services. You agree that information you provide to us in connection with this Agreement will be complete and accurate.

By accessing the Digital Platforms and using the Services, you agree we may send you emails and other notifications through your mobile device or tablet device regarding benefits and features that you may receive in connection with the Digital Platforms and Services. When you give us your mobile phone number, we have your permission to contact you at that number about all your accounts. Your consent allows us to use text messaging, artificial or prerecorded voice messages and automatic dialing technology for informational and account service calls, but not for telemarketing or sales calls. It may include contact from companies working on our behalf to service your accounts. You may contact us at any time to change these preferences or to opt out of these communications.

You agree that you will not transmit securities trade orders or any other transactional instructions, including Instructions, to us using email, text or other electronic means not designed by us to accept such instructions. You acknowledge that we will not act upon instructions, including Instructions, transmitted through email, text or other electronic means not designed by us to accept such instructions and that we may not be in a position, by virtue of time zone difference and otherwise, to respond to your communications sent by such means within the time frame contemplated by you.

4. Account Information

Account information and data is provided to you on the Digital Platforms or in connection with any Service as a convenience and is not the official record of your account or its activity. Your account statement, furnished to you by us in a paper format, or electronically if you are enrolled in the Paperless Statements Service, will remain the official record. Information provided on the Digital Platforms or through any Service is generally updated regularly, but is subject to adjustment and correction, and therefore should not be relied upon by you for taking, or forbearing to take, any action.

5. Cutoff Times

All Cutoff Times referenced in this Agreement reflect the times displayed on our internal system clocks and may not necessarily be synchronized with the internal clock displayed on your computer or mobile device. For this reason, we suggest that you transmit any Instructions to us sufficiently in advance of such Cutoff Times to eliminate the possibility of

missing the cutoff. Instructions entered after the Cutoff Time with a Send On Date that is the Current Day or next Business Day may start to process immediately, and may be Funded prior to the requested Send On Date.

Internal Review

All scheduled funds transfer requests referenced in this Agreement (e.g., ACH, Bill Payments, Transfers, Zelle, Wires, Real-Time Payments, etc.) are subject to internal review, including but not limited to fraud review and, where applicable, for compliance with OFAC or other regulations, which includes the recipient of your transaction, and your transaction may be delayed or held and may not be approved. In addition, we may need to contact you to verify information about your funds transfer during that internal review. During our internal review, we may subtract funds from your account or place a hold on your account which may result in processing delays. Once we have released the funds transfer, the recipient's bank may delay credit to the recipient due to their own internal review processes.

6. Notices Associated with Electronic Communications, Change in Terms of this Agreement, or New Features

We may amend or change the terms of this Agreement (including applicable fees and service charges or adding new Addenda) or update, discontinue or modify any of the Digital Platforms, Services, or features to the Digital Platforms or Services (including adding additional/new Services), at any time in our sole discretion. Otherwise, we will post the updated terms on the Digital Platforms. We may, at our option, also send you notice by email or by regular mail, unless the law requires a different method. Continuing to have a digital profile with us (i.e., login credentials that provide access to your account on our Digital Platforms) ("**Digital Profile**") after we have made such amendments, changes, new Services or features available will be considered your agreement to the change or addition. To shut down your Digital Profile please call (877) CHASEPC (877-242-7372). Please access and review this Agreement regularly. If you find this Agreement unacceptable to you at any time, please discontinue your use of the Digital Platforms and the Services.

Identity Verification and Authentication

We may give you the option to enable login credentials or identity verification methods beyond user ID and Passwords, such as biometrics, security keys, and syncable authenticators (e.g., passkeys) for certain Services on our Digital Platforms. We may also require specific identity verification methods for opening or transacting on your accounts to help keep your accounts safe and help prevent identity theft. You are responsible for understanding the requirements for each login credential or identity verification method. These requirements are provided when you are presented with these credentials or methods, and additional information may also be available in FAQs. We do not endorse, guarantee or assume responsibility for the functionality of physical devices (e.g., security keys) used for authentication.

Your ability to access the Digital Platforms or any Service may be limited during periods of high volume, systems upgrades and maintenance or for other reasons. If the Digital Platforms or Services are not available for transactions or if conditions render its use inappropriate, you agree to use alternative means to conduct transactions or place your orders, such as calling your J.P. We will not be liable to you if you are unable to access the Digital Platforms or the Services, or complete transactions through them.

10. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY LAW, AND EXCEPT AS OTHERWISE SPECIFICALLY SET FORTH IN THIS AGREEMENT, WE, OUR AFFILIATES, ANY OF OUR THIRD PARTIES, AND ANY OF OUR OR THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, AFFILIATES, AND AGENTS WILL NOT BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, COMPENSATORY, CONSEQUENTIAL, OR EXEMPLARY DAMAGES THAT ARISE FROM, REGARD OR RELATE TO, OR RESULT FROM THE ACCESS TO, USE OF (OR INABILITY TO ACCESS OR USE), OR AVAILABILITY OF (OR LACK THEREOF) THE DIGITAL PLATFORMS, SERVICES, OR PRODUCTS, REGARDLESS OF THE FORM OF THE ACTION AND EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

YOU AGREE THAT WE MAY RELY ON THE PAYMENT DETAILS, INSTRUCTIONS, AND RECIPIENT DETAILS THAT YOU PROVIDE AND THAT WE, OUR AFFILIATES, AND OUR THIRD PARTIES ARE NOT RESPONSIBLE OR LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, SPECIAL, COMPENSATORY, CONSEQUENTIAL, OR EXEMPLARY DAMAGES FOR RESOLVING PAYMENT DISPUTES OR OTHER DISPUTES REGARDING SENDING, RECEIVING, OR REQUESTING MONEY THROUGH THE DIGITAL PLATFORM, SERVICES, OR PRODUCTS WE OFFER.

Any provision of this Agreement that limits our liability does not negate our duty (if any) under applicable law to act in good faith and with reasonable care. If any provision of this Agreement is determined to limit our liability in a way prohibited by applicable law, the provision will nevertheless be enforced to the fullest extent permitted under that law.

This Section 11 shall survive termination of this Agreement.

11. Representations, Warranties, and Covenants of Customer

You represent, warrant, and covenant to us that:

- you are authorized to enter into this Agreement, including each Addendum, as applicable, and to bind you and your business (as applicable) hereto;
- you shall obtain all written authorizations necessary to enable us to perform the Services and that are required by applicable law, rules, and regulations, and shall furnish us with copies of authorizations if requested;
- you will not use any Service for international ACH transactions, which are prohibited under this Agreement;
- you will comply with this Agreement and all laws, rules and regulations applicable to you in your use of the Digital Platforms, Services, and Products, including those pertaining to (a) exports or imports of software and related property; (b) use or remote use of software and related property; or (c) registration of any Addendum;
- you are authorized to have viewing access to any account that you access through the Digital Platforms or any Service;
- you will provide true, accurate, current and complete information about yourself and your accounts (including any External Accounts) and you will not misrepresent your identity or your account information (including any External Account information); and
- you will not use the Digital Platforms or any Service for any purpose prohibited by foreign exchange regulations, postal regulations or any other treaty, statute, regulation or authority.

12. No Warranties by J.P. Morgan Chase

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, YOU UNDERSTAND AND AGREE THAT WE PROVIDE NO WARRANTIES REGARDING YOUR USE OF THE DIGITAL PLATFORMS AND SERVICES. THE DIGITAL PLATFORMS AND SERVICES ARE INFORMATION, SOFTWARE, HARDWARE, CAPTURE DEVICES, PRODUCTS AND OTHER CONTENT (INCLUDING THIRD PARTY INFORMATION, PRODUCTS AND CONTENT) PROVIDED ON AN "AS IS" "WHERE-IS" AND "WHERE AVAILABLE" BASIS, AND ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE TO YOU. YOU ACKNOWLEDGE THAT WE AND ANY OF OUR THIRD PARTY SERVICE PROVIDERS MAKE NO WARRANTY THAT THE DIGITAL PLATFORMS OR SERVICES WILL BE UNINTERRUPTED, TIMELY, SECURE OR ERROR-FREE UNLESS OTHERWISE STATED ON THE DIGITAL PLATFORMS, SITE OR IN ANY APPLICABLE AGREEMENT. TO THE FULLEST EXTENT PERMITTED BY LAW, WE DISCLAIM ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND (EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT OF PROPRIETARY RIGHTS) AS TO THE DIGITAL PLATFORMS AND SERVICES AND ALL INFORMATION, PRODUCTS, CAPTURE DEVICES, SOFTWARE, HARDWARE AND OTHER CONTENT (INCLUDING THIRD PARTY INFORMATION, PRODUCTS AND CONTENT) INCLUDED IN OR ACCESSIBLE FROM THE DIGITAL PLATFORMS OR SITES. NO LICENSE TO YOU IS IMPLIED IN THESE DISCLAIMERS.

13. Disputes and Arbitration

You and we agree that, upon the election of either of us, any claims or disputes (as defined

below) pertaining to the digital platforms, products, and services in this agreement will be resolved by binding arbitration as discussed below and not through litigation in any court (except for matters in small claims court). This arbitration agreement is entered into pursuant to the Federal Arbitration Act, 9 U.S.C. §§ 1-16 ("**FAA**"). Any dispute, claim or controversy about the underlying accounts, loans, credit cards, etc. will be resolved pursuant to the provisions of the Other Documents (as defined in Section 1 above) pertaining to them. Any dispute, claim or controversy in connection with an Investment Account will be resolved pursuant to the provisions of the agreement governing your Investment Account and is not subject to the dispute provisions of this Section.

YOU HAVE A RIGHT TO OPT OUT OF THIS AGREEMENT TO ARBITRATE, AS DISCUSSED BELOW. UNLESS YOU OPT OUT OF ARBITRATION, YOU AND WE ARE WAIVING THE RIGHT TO HAVE OUR DISPUTE HEARD BEFORE A JUDGE OR JURY, OR OTHERWISE TO BE DECIDED BY A COURT OR GOVERNMENT TRIBUNAL, AND YOU AND WE ARE ALSO WAIVING ANY ABILITY TO ASSERT OR PARTICIPATE IN CLASS, REPRESENTATIVE, OR CONSOLIDATED PROCEEDING, WHETHER IN COURT OR IN ARBITRATION. ALL DISPUTES, EXCEPT AS STATED BELOW, MUST BE RESOLVED BY BINDING ARBITRATION WHEN EITHER YOU OR WE REQUEST IT.

What claims or disputes are subject to arbitration?

Claims or disputes between you and us about the digital platforms, products, and services in this agreement are subject to arbitration. Any Claims or disputes arising from or relating to this Agreement or any prior agreements of similar type between us are included. Claims or disputes are subject to arbitration, regardless of what theory they are based on or whether they seek legal or equitable remedies. Arbitration applies to any and all such claims or disputes, whether they arose in the past, may currently exist or may arise in the future. All such claims or disputes are referred to in this section as "Claims."

The only exception to arbitration of Claims is that both you and we have the right to pursue a Claim in a small claims court instead of arbitration, if the Claim is in that court's jurisdiction and proceeds on an individual basis.

Can I (customer) cancel or opt out of this agreement to arbitrate?

You have the right to opt out of this agreement to arbitrate if you tell us within sixty (60) days of accepting this Agreement. Requests to opt out of this Agreement that are made more than sixty (60) days after the initial acceptance of this Agreement are invalid. If you already have pending litigation or arbitration against/with us when you accept this Agreement, any request to opt out of this arbitration clause will not apply to that litigation or arbitration. If you want to opt out, go to the Legal Agreements and Disclosures section of your chase.com or jpmorganonline.com profile or on Chase Mobile or JP Morgan Mobile. Otherwise this agreement to arbitrate will apply without limitation. Opting out of this agreement to arbitrate will not affect the other provisions of this Agreement. If you validly opt out of this agreement to arbitrate, your decision to opt out will apply only to this arbitration agreement and not any other arbitration agreement.

What about class actions or representative actions?

Claims in arbitration will proceed on an individual basis, on behalf of the named parties only.

YOU AND WE AGREE NOT TO:

- SEEK TO PROCEED ON ANY CLAIM IN ARBITRATION AS A CLASS CLAIM OR CLASS ACTION, PRIVATE ATTORNEY GENERAL PROCEEDING, OR OTHER REPRESENTATIVE PROCEEDING;
- SEEK TO CONSOLIDATE IN ARBITRATION ANY CLAIMS INVOLVING DIFFERENT CLAIMANTS (EXCEPT FOR CLAIMANTS WHO ARE ON THE SAME ACCOUNT), UNLESS WE AGREE;
- BE PART OF, OR BE REPRESENTED IN, ANY CLASS ACTION OR OTHER REPRESENTATIVE ACTION BROUGHT BY ANYONE ELSE; NOR
- SEEK ANY AWARD OR REMEDY IN ARBITRATION AGAINST OR ON BEHALF OF ANYONE WHO IS NOT A NAMED PARTY TO THE ARBITRATION, INCLUDING BUT NOT LIMITED TO PUBLIC INJUNCTIVE RELIEF.

Any question regarding the enforceability or interpretation of this section ("What about class actions or representative actions?") shall be decided by a court and not the arbitrator. If a court determines that any of the terms of this section are legally unenforceable for any reason with respect to a Claim or request for relief sought in connection with a Claim, then you and we agree that the arbitration and litigation shall proceed as follows: (1) all Claims or requests for relief for which arbitration is legally enforceable must be filed and adjudicated in arbitration; (2) any Claims or requests for relief for which arbitration is not legally enforceable will be decided through litigation in court; (3) any Claims or requests for relief that are to be decided through litigation in court will be stayed pending completion of the arbitration of all other Claims or requests for relief; and (4) when litigation in court resumes, the Court may consider but will not be bound by any determination made by the arbitrator. By way of example, if a Claim seeks both public injunctive relief and other relief, and the prohibition on an award of public injunctive relief is found to be unenforceable, then the request for public injunctive relief will be decided in litigation in the court after Claims seeking other relief had been adjudicated in arbitration on an individual basis. For the avoidance of doubt, no arbitrator shall have authority to entertain any Claim on behalf of a person who is not a named party, nor shall any arbitrator have authority to make any award for the benefit of, or against, any person who is not a named party.

Does arbitration apply to Claims involving third parties?

Arbitration applies whenever there is a Claim between you and us. If a third party is also involved in a Claim between you and us, then the Claim will be decided with respect to the third party in arbitration as well, and it must be named as a party in accordance with the rules of procedure governing the arbitration. No award or relief will be granted by the arbitrator except on behalf of, or against, a named party. For purposes of arbitration, "you" includes any person who is listed on your account, and "we" includes J.P. Morgan Chase, all its affiliates, and all third parties who are regarded as agents or representatives of ours in connection with

a Claim. (If we assign your account to an unaffiliated third party, then “we” includes that third party.) The arbitration may not be consolidated with any other arbitration proceeding.

How does arbitration work?

The party filing a Claim in arbitration must select JAMS or the American Arbitration Association ("**AAA**") as the arbitration administrator. That organization will apply its rules and procedures in effect at the time the arbitration is commenced. If there is a conflict between the applicable rules and procedures and this arbitration agreement and/or this Agreement, this arbitration provision and this Agreement will control. In the event that JAMS or the AAA is unable to handle the Claim for any reason, then the matter shall be arbitrated instead by a neutral arbitrator selected by agreement of the parties (or, if the parties cannot agree, selected by a court in accordance with the FAA), pursuant to the AAA rules of procedure.

The arbitrator will decide the Claim in accordance with all applicable law and consistent with the FAA. A single arbitrator will conduct the arbitration and will apply applicable substantive law, including the Uniform Commercial Code, statutes of limitation, conditions precedent to suit, and recognized principles of equity, will honor claims of privilege recognized by law. The arbitrator will have the power to award to a party any damages or relief as permitted by the law and the agreement between you and us (including the limitations set forth above).

Is the arbitrator's decision final? Is there an appeal process?

The arbitration ruling will be considered final and binding, and enforceable by any court having jurisdiction. No party may seek an appeal of the arbitration ruling, except as provided under the FAA.

Who will pay for costs?

Unless the arbitration administrator waives your initial filing fee to commence arbitration, you are obligated to pay that fee but, if a settlement is reached between you and us prior to the hearing, we will reimburse you for up to \$500 for filing fees as part of the negotiated terms of the settlement. If a settlement is not reached prior to the hearing, we also will pay any fees for the arbitrator and arbitration administrator for the first two days of any hearing. If you are the prevailing party in the arbitration, we will reimburse you for any fees you paid to the arbitration organization and/or arbitrator. Except as provided above, all other fees will be allocated between you and us according to the arbitration administrator's rules and applicable law.

How do I (customer) file an arbitration claim?

Rules and forms may be obtained from, and Claims may be filed with, JAMS (www.jamsadr.com) or the AAA (www.adr.org). Arbitration hearings will take place in the federal judicial district that includes your address at the time the Claim is filed, unless the parties agree to a different place.

This Section 14 shall survive termination of this Agreement.

14. Restrictions

You agree not to attempt to log on to the Digital Platforms or Services from any country under sanctions by the Office of Foreign Assets Control (OFAC). Information regarding which countries are under sanctions may be obtained on the U.S. Department of the Treasury website. Any attempt to log on to the Digital Platforms from one of these countries may result in your access being restricted and/or terminated.

15. Privacy

Your privacy and the security of your information are important to us. Our online privacy policy and, where appropriate, our U.S. consumer privacy notice, as amended from time to time (available online at chase.com and jpmorganonline.com), apply to your use of the Digital Platforms and any of the Services. Our privacy notices, which include details about our information sharing practices and your right to opt out of certain information sharing, were provided to you when you opened your account with us. The notices can be viewed by clicking on the "Security & Privacy" tab, then "Data Privacy" or by scrolling to the bottom of our website pages and clicking the "Privacy" link.

16. Indemnity

You acknowledge and agree that you are responsible for your conduct while using the Digital Platforms and Services and agree to indemnify, defend, and hold us, our affiliates, and each of our respective officers, directors, shareholders, employees and agents (the "**J.P. Morgan Chase Indemnified Parties**") harmless from and against any loss, claim, damage, liability, cost or expense of any kind (including reasonable attorneys' and expert witness fees and expenses and all costs of investigation) (collectively, "**Losses**") in connection with any third party claim resulting or arising from:

- your use of the Digital Platforms, any Service or Product, or the use of the Digital Platforms or any Service or Product by anyone using your Card number, account number, PIN, user ID or Password or your violation of this Agreement or the rights of any third party (including privacy rights);
- your acts or omissions;
- breach by you of any representation, warranty or covenant made by you under this Agreement or the Other Documents;
- willful misconduct, fraud, criminal activity, intentional tort or negligence of you or any other person or entity (other than us);
- any transmission or Instruction, whether or not authorized, acted upon by us in good faith and in reliance upon the user IDs and Passwords;
- our acting, purporting to act or disclosing any information in accordance with your authorization pursuant to electronic or other written instructions granting view only, view and update and view and transact privileges to the Services to your agent(s), attorney(s)-in-fact, or other third parties;

- your provision of a phone number, email address, information and photographs associated with recipients contained in your mobile device contacts, or other delivery location that is not your own or your violation of applicable federal, state or local law, regulation or ordinance;
- any warranty or indemnity that we make with respect to an Item under any and all laws, regulations and industry and clearing house rules, including the 21st Century Act and Federal Reserve Board Regulations CC and J, applicable to the Items; and
- your infringement, misappropriation, or violation of any property or other right of any third party.

For purposes of clarity, if you are a business entity, the obligations under this Section 17 will extend to the acts and omissions of your employees, consultants, and agents.

We shall provide you with prompt notice of any third party claims and shall reasonably cooperate with you in your defense of any such claims; provided, however, you shall have no authority to settle any claim against any J.P. Morgan Chase Indemnified Party without the prior written consent of such J.P. Morgan Chase Indemnified Party (which consent shall not be unreasonably withheld).

Your obligations under this Section 17 shall be in addition to any obligations contained in the Other Documents and shall survive termination of this Agreement.

17. Risk of Loss

In the event of a system failure or interruption, your data may be lost or destroyed. Any transaction(s) that you initiated, were in the process of completing, or completed shortly before a system failure or interruption should be verified by you through means other than the Digital Platforms or Services to ensure the accuracy and completeness of such transaction(s). Except as otherwise provided by law, you assume the risk of loss of your data during any system failure or interruption and the responsibility to verify the accuracy and completeness of any transaction(s) so affected. In addition, you will bear the entire risk of loss, destruction and damage to the Products from any cause whatsoever, and no such loss, destruction or damage shall impair any of your obligations hereunder which shall continue in full force and effect.

18. Authorization for Minors and Children to Access Digital Platforms and Services

We may allow you to grant your child use or access to certain Digital Platforms and Services that are linked to your profile on the Digital Platforms. If you authorize us to grant your child such use or access, you acknowledge and agree that this Agreement, and any applicable digital wallet agreement or third-party wallet agreement, will apply to your child. You further agree and accept full responsibility for your child's use of the Digital Platforms and Services, including any liability that he or she may incur in connection with their use of the Digital Platforms or Services.

19. Intellectual Property

The Digital Platforms offer a variety of content, products and services. We grant to you, for your personal or, if you are a business, internal business purposes only, a non-exclusive, non-transferable, limited and revocable right to access and use the Digital Platforms and Services, as well as any software, in object code. Any software provided through the Digital Platforms must be downloaded by you in the United States. You agree not to use the Digital Platforms or Services for any other purpose, including commercial purposes, such as co-branding, framing, linking, or reselling any portion of the Digital Platforms without our prior written consent. To the extent we or our licensors make any software available to you via download on our website for use in conjunction with the Services, we hereby grant, and you hereby accept, for the term of this Agreement, a non-exclusive, non-assignable, non-transferable, limited right and license to use the proprietary computer software products in object code and any associated documentation ("**Products**") for use only directly in conjunction with its permitted use of the applicable Service.

Except for the licenses granted to you under this Agreement, all rights, interest and title in and to the Digital Platforms and Services, associated content, technology, application, website(s) and Products, including any improvements, modifications, and derivative works, will at all times remain with us or our licensors, and you shall acquire no rights in the Digital Platforms, Services, or Products. Your use of the Digital Platforms, Services, and Products is subject to and conditioned upon your complete compliance with this Agreement. Without limiting the effect of the foregoing, any breach of this Agreement immediately terminates your right to use the Digital Platforms and Services. Without limiting the foregoing, you may not use the Digital Platforms, Services or Products (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to our business interest, or (iii) to our actual or potential economic disadvantage in any aspect.

Use

You shall use the Digital Platforms, Services, and Products solely for your personal or internal business purposes. For purposes of this clause, you may not use the Digital Platforms or any Service or Product for time sharing, rental, or service bureau purposes, or the sale, marketing or (except as otherwise expressly provided herein) commercial exploitation of the Digital Platforms, Services, and Products.

You will notify us in writing regarding any unauthorized use or disclosure of the Digital Platforms, Services, or Products immediately after it becomes known to you.

You may not, and will not allow or cause any third party to: (a) decompile, reverse engineer, reverse compile, reverse-assemble, disassemble, attempt to derive the source code of, or modify, copy, or create derivative works of any portion of the Digital Platforms or any Services or Products; (b) display, assign, sublicense, distribute, export, resell, or otherwise transfer any interest in this Agreement or the Products to any third party; (c) remove any proprietary or intellectual property rights notices or labels on the Digital Platforms; or (d) otherwise exercise any other right to the Digital Platforms not expressly granted in this Agreement. We, or our licensors, own all right, title and interest, including all intellectual property rights (including all names, trade names, trademarks, service marks, slogans, logos or other indicia) in and to the Digital Platforms, Services, and Products (including the products and services accessed through the Mobile Services). No license or other right in or to the Digital Platforms, Services, or Products is granted to you except for the rights specifically set forth in this Agreement.

Installation, Training and Maintenance

Except as otherwise expressly set forth in this Agreement, you will be solely responsible for the installation, training and maintenance of the Digital Platforms, Services, and Products. It is your (and expressly not our) responsibility to establish reasonable backups, accuracy checks and security precautions to guard against possible malfunctions, loss of data and unauthorized access.

Patent Infringement

In the event the Products become, or in our opinion are reasonably likely to become, the subject of a claim of infringement, you will allow us, at our option and expense, to replace the Products with a non-infringing alternative, modify the Products so that they become non-infringing or terminate the license.

Suggestions

Upon submission, any suggestion, idea, proposal or other material you provide to us becomes our property without limitation or further consideration.

20. Confidentiality

You acknowledge that the Digital Platforms, Services, and Products constitute trade secrets and represent significant economic and commercial value to us and/or our licensors and must be maintained as secret, confidential and proprietary. You agree that copyright legends

borne by the Digital Platforms, Services, and Products in no way reduce the trade secret, proprietary and/or confidential nature thereof. You will take all reasonable steps to safeguard the Digital Platforms, Services, and Products to ensure that no unauthorized disclosure or use is made, in whole or in part, and will use at least the same degree of care to prevent the unauthorized use, disclosure or availability of the Digital Platforms, Services, and Products as you ordinarily use in protecting your own most valuable confidential and proprietary information. You will not remove or alter any copyright or other proprietary legends contained on the Digital Platforms, Services, and Products. This Section 21 shall survive termination of this Agreement.

21. Links

Our websites may contain third party content and links to other third party apps or web sites (collectively, "**Linked Sites**"). We are not responsible for, nor do we control, the content, products, or services provided by Linked Sites. We do not endorse or guarantee the products, information or recommendations provided by Linked Sites, and are not liable for any failure of products or services advertised on those sites. In addition, each third party site may provide less security than we do and have a privacy policy different than ours. Your access, use and reliance upon such content, products or services is at your own risk.

22. Right to Audit

We may periodically audit and verify your compliance with this Agreement. You agree to cooperate and provide information or documents, at your expense, as may be reasonably requested by us to aid in the clearing and collection process, to resolve claims by third parties with respect to any Item, or for audit purposes.

23. Termination and Suspension; Assignment; Survival

We may terminate or suspend this Agreement or any Addendum, or terminate, suspend, restrict, or limit your access privileges to the Digital Platforms or any Service (including use of clearXchange.com), in whole or part, at any time for any reason or no reason without prior notice, including your failure to access the Digital Platforms or Services for a period of three (3) months or greater, for reasons involving your use of the Digital Platforms or Services which we may deem to be illegal or potentially brand damaging, when you no longer have an eligible account, or after we receive notice of death. We may determine other eligibility criteria and decline or prevent any or all transactions through the Digital Platforms or the Services, each in our sole discretion. The obligations and liabilities of the parties incurred prior to the termination date shall survive the termination of this Agreement for all purposes. Upon termination, you shall immediately discontinue use of the Digital Platforms and Services and delete any applicable copies. For the avoidance of doubt, we may (a) assign our interest in this Agreement, in whole or in part, to our successors or to any now-existing or future direct or indirect subsidiary of us or our affiliates or (b) assign or delegate certain of our rights and responsibilities under this Agreement to independent contractors or other third parties.

You may not assign this Agreement.

After this Agreement or any Addendum terminates, the terms of this Agreement and that Addendum that expressly or by their nature contemplate performance after such termination will survive and continue in full force and effect. For avoidance of doubt, the provisions protecting our confidential information, requiring indemnification and setting forth limitations of liability each, by their nature, contemplate performance or observance after this Agreement or an Addendum terminates.

24. Notice of Claims

If you receive notice of any Claim regarding the Digital Platforms or any Service, you shall promptly provide us with a written notice of it.

25. Waiver; Severability

We will not be deemed to have waived any of our rights or remedies under this Agreement unless such waiver is in writing and signed by us. No delay or omission on our part in exercising any rights or remedies shall operate as a waiver of such rights or remedies or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any rights or remedies on future occasions.

If any provision of this Agreement conflicts with the law under which this Agreement is to be construed or if any provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, that provision will be deemed to be restated to reflect as nearly as possible the original intentions of the parties in accordance with applicable law. The remaining provisions of this Agreement and the application of the challenged provision to persons or circumstances other than those as to which it is invalid or unenforceable will not be affected thereby, and each of those provisions will be valid and enforceable to the full extent permitted by law.

This Section 26 shall survive termination of this Agreement.

26. Entire Agreement

This Agreement, including the Other Documents, constitutes the entire agreement between you and us and supersedes all prior agreements and understandings as to the subject matter hereof, notwithstanding any oral representations or statements to the contrary.

27. Governing Law

Disputes related to the Digital Platforms or Services covered by this Agreement shall be governed by the substantive law of the State of New York, without regard to choice of law principles.

Any disputes relating to your account(s) or Cards accessed through the Digital Platforms or Services shall be governed by the laws set forth in the underlying applicable account or

cardmember agreement.

This Section 28 shall survive termination of this Agreement.

Adoption of IP Security will only allow access to the Service via a mobile device if it is connecting via a registered IP address; connections via a cellular network (e.g., 4G network) will be blocked.

Addendum: Account Aggregation Service

Last updated: 12/10/2023

This Addendum, in addition to the terms and conditions in your existing J.P. Morgan Chase account agreements, governs your use of the Aggregation Service.

1. The Aggregation Service

We offer an informational and complimentary service (**“Aggregation Service”**) that allows you to retrieve your financial account information, such as balances, transaction history, holdings, and account and routing number, and account ownership information (**“Aggregated Data”**), from accounts with other financial institutions (**“Linked Accounts”**). Linking an external account may be done directly by us, or by a third party service provider engaged by us (**“Aggregation Vendor”**).

The Aggregation Service is provided as a convenience and should not be considered a

substitute or replacement for account statements or other documentation provided to you on non-J.P. Morgan Chase accounts. Please consult official account statements for information regarding your account balances, transactions or investments in your Linked Accounts.

2. Use of Aggregated Data

You can use your Aggregated Data for services which include, but are not limited to, the display of your consolidated financial picture, verification of your ownership of accounts, verification of income or assets for underwriting, and customized reports and insights. Depending on the services you choose to use, we may obtain different types of data from your Linked Accounts.

By using the Aggregation Service, you agree that we may use Aggregated Data for all purposes necessary and appropriate to provide you with the products and services you have enrolled in.

In addition, we may use Aggregated Data to: help optimize your use of the Aggregation Service; understand what other of our tools, features, or functionality may be beneficial to you; and develop, offer, and provide you with other products or services. We may use Aggregated Data that does not identify you individually, whether by name or by any other means of personal identification, for our own business purposes without notice to, or consent of, you, without any particular time limit and without the payment of any fees.

3. Authority to Access Accounts

You represent that you have legal ownership (in the case of a Business Banking or Commercial Banking relationship, you are an authorized user) of all Linked Accounts that you designate for the Aggregation Service. You represent that you have the authority to designate us as your agent and permit us to receive Aggregated Data and to provide us with all information associated with accessing your Linked Accounts (including passwords and usernames and other information as required).

In order to enable us to provide the Aggregation Service, you authorize us and Aggregation Vendor to provide authorizations on your behalf with a Linked Account to the extent you do not do so directly and request Aggregated Data pursuant to those authorizations.

You grant us and Aggregation Vendor a limited power of attorney and appoint us and Aggregation Vendor as your lawful attorneys-in-fact and agents, each with authority to act independently or jointly, to access Linked Accounts to retrieve information on your behalf. You grant us the ability to use this information in your name and in your place, in any and all capacities, as fully to all intents and purposes as you might or could do in person.

YOU UNDERSTAND, ACKNOWLEDGE, AND AGREE THAT WHEN WE OR AGGREGATION VENDOR IS PROVIDING SUCH AUTHORIZATIONS, AND REQUESTING INFORMATION FROM, LINKED ACCOUNTS, WE OR AGGREGATION VENDOR, AS APPLICABLE, IS ACTING AS YOUR AGENT AND NOT THE AGENT OF OR ON BEHALF OF THE INSTITUTION HOLDING THE LINKED

ACCOUNT. You agree that each Linked Account shall be entitled to rely on the foregoing authorizations, agency appointment, and limited power-of-attorney granted by you to us and Aggregation Vendor for all purposes hereunder. The Aggregation Service is not sponsored or endorsed by any third-party.

4. Eligible Accounts

We may add or remove eligible external accounts from the Aggregation Service at any time for any reason and have no obligation to provide notice to you of any such change. You agree to take actions necessary to terminate outstanding authorizations, enter into new or update existing authorizations, or otherwise give effect to the maintenance, addition or removal of Linked Accounts. You understand and acknowledge that connections to Linked Accounts may be lost and that it is solely your responsibility to update such connections. You understand and acknowledge that the institutions that have custody of your accounts and assets may not be eligible for the Aggregation Service.

5. Disclaimers

The Aggregation Service is provided “as is” and “as available” for informational purposes only as a convenience to you, and is not intended to replace official records and statements regarding your assets and accounts. You should not rely on this information for trading or transactional purposes, and should always verify the accuracy of Aggregated Data. Information will be effective as of the most recent Aggregated Data transmitted from your Linked Accounts and may not be accurate if that transmission was not successfully completed or the information from the Linked Account is otherwise not accurate or current, and we will rely on the information you provide regarding your Linked Accounts, without further verification or validation. We are not acting as your administrative or investment fiduciary, giving legal, tax, or financial advice, or otherwise providing any financial service in providing the Aggregation Service or with respect to Linked Accounts.

We expressly disclaim all warranties of any kind as to the Aggregation Service and all information, products, services, and content provided in connection with the Aggregation Service, either express or implied, including the implied warranties of merchantability, fitness for a particular purpose, functionality, title, and non-infringement, and any warranties implied by any course of dealing, course of performance, or usage of trade, and specifically disclaims any and all implied warranties. The foregoing warranty disclaimers will apply to you notwithstanding anything to the contrary in this Addendum but subject to applicable law that does not allow the exclusion of certain warranties.

6. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, YOU AGREE THAT NEITHER WE NOR ANY OF OUR RESPECTIVE THIRD-PARTY SERVICE PROVIDERS (INCLUDING AGGREGATION VENDOR), DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, AGENTS, THIRD PARTY FINANCIAL INSTITUTIONS AND SUBCONTRACTORS OR ANY OF THEIR RESPECTIVE AFFILIATES (COLLECTIVELY, “**SERVICE PARTIES**”) WILL BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY

DAMAGES, CLAIMS, OR LOSSES (INCLUDING DIRECT, INDIRECT, INCIDENTAL, SPECIAL, COMPENSATORY, CONSEQUENTIAL, OR EXEMPLARY DAMAGES), INCLUDING DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER INTANGIBLE LOSSES, HOWSOEVER CAUSED AND WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND EVEN IF WE OR OUR SUBCONTRACTORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, CLAIMS, OR LOSSES AND/OR A REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, WHICH ARE INCURRED AS A RESULT OF: (A) THE USE OR INABILITY TO USE THE AGGREGATION SERVICE, CONTENT OR ANY OTHER MATTER RELATING TO THE AGGREGATION SERVICE; (B) ANY PRODUCTS, DATA, INFORMATION OR SERVICES PURCHASED OR OBTAINED OR MESSAGES RECEIVED OR TRANSACTIONS ENTERED INTO, THROUGH, FROM OR BASED ON THE AGGREGATION SERVICE; (C) THE USE, INABILITY TO USE, UNAUTHORIZED USE, PERFORMANCE OR NON-PERFORMANCE OF ANY THIRD PARTY FINANCIAL INSTITUTION WEBSITE; (D) THE COST OF PROCURING SUBSTITUTE GOODS AND SERVICES, INCLUDING THOSE RESULTING FROM ANY PRODUCTS, INFORMATION, CONTENT, OR SERVICES PURCHASED OR OBTAINED OR TRANSACTIONS ENTERED INTO, THROUGH, FROM OR BASED ON THE AGGREGATION SERVICE; (E) UNAUTHORIZED ACCESS TO OR ALTERATION OF CUSTOMER DATA OR CONTENT TRANSMITTED THROUGH THE AGGREGATION SERVICE; (F) ANY INACCURACY, INCOMPLETENESS, OR MISINFORMATION CONTAINED IN THE INFORMATION PROVIDED BY YOU TO THE AGGREGATION SERVICE; (G) STATEMENTS OR CONDUCT OF ANYONE CONCERNING THE AGGREGATION SERVICE; (H) THE AGGREGATION SERVICE'S RECEIPT OR INABILITY TO RECEIVE CUSTOMER DATA FROM ANY CONNECTED ACCOUNT; (I) ANY ACT, OMISSION, PERFORMANCE, OR NON-PERFORMANCE OF US OR AGGREGATION VENDOR; (J) ANY MODIFICATION, INTERRUPTION, OR DISCONTINUATION OF THE AGGREGATION SERVICE; (K) ERRORS, INACCURACIES, OR DELAYS IN AGGREGATED DATA, OR ANY ACTIONS TAKEN IN RELIANCE THEREON; (L) DELAY, INTERRUPTION, OR FAILURE TO PERFORM ANY OBLIGATIONS HEREUNDER DUE TO CIRCUMSTANCES BEYOND THAT PERSON'S REASONABLE CONTROL (INCLUDING ACTS OF GOD, STRIKES, RIOTS, ACTS OF WAR, POWER OUTAGES, COMPUTER VIRUSES, MAINTENANCE ACTIVITIES, SYSTEM OR TELECOMMUNICATION FAILURES, FIRES, FLOODS, EARTHQUAKES, EXTREME WEATHER, OR CHANGES IN GOVERNMENTAL REGULATIONS); (M) THEFT, MISUSE, CORRUPTION, CONTAMINATION, LOSS, OR UNAUTHORIZED RELEASE OR RECEIPT OF AGGREGATED DATA; (N) ANY CHARGES IMPOSED BY CUSTODIANS OF LINKED ACCOUNTS; (O) DELIVERY FAILURES FOR NOTICES TO YOU; (P) ANY TRADING LOSSES, LOSS OF PROFITS, GOODWILL, USE, DATA, BUSINESS INTERRUPTION, LOSS OF PRIVACY, OR OTHER LOSSES OR DAMAGES OF ANY KIND ARISING FROM OR RELATED TO YOUR USE OF, OR INABILITY TO USE, THE AGGREGATION SERVICE; OR (Q) ANY OTHER MATTER ARISING FROM OR RELATED TO THE AGGREGATION SERVICE OR YOUR USE OF REPORTS GENERATED USING AGGREGATED DATA. THE FOREGOING EXCULPATION PROVISIONS ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE AGREEMENT BETWEEN US AND YOU AND WE COULD NOT PROVIDE THE SERVICE WITHOUT THESE PROVISIONS. HOWEVER, IN NO EVENT WILL WE BE LIABLE TO YOU FOR DIRECT DAMAGES CAUSED BY US IN EXCESS OF \$1.00; THIS LIMITED REMEDY IS AGREED TO BY YOU AND SURVIVES A FAILURE OF ITS ESSENTIAL PURPOSE.

Addendum:

ACH Collections Service

(For Business Customers Only)

Last updated: 2/20/2025

This Addendum governs your use of the ACH Collections Service. Except as otherwise set forth in this Addendum (including Section 13 below), all capitalized terms used but not defined herein shall have the meaning set forth in the General Terms and Conditions.

1. ACH Collections

You agree that you will obtain all authorizations necessary under applicable law and the NACHA Rules to originate Debit Entries to the Payor's account via the ACH Collections Service. You also agree to give us copies of the authorizations within the time period requested if we ask for them. You agree that you will not use this service for International ACH Transactions, which are prohibited under this Agreement. You further agree to take all appropriate measures to ensure the accuracy of the Instructions you submit. If you schedule Repeating ACH Collections and the Send On date falls on a non-Business Day, the Send On date (i.e., the day the ACH Collection will begin processing) will be moved to the immediately preceding Business Day but the Deliver By date of the ACH Collection will remain unchanged. If the Deliver By date of a Repeating ACH Collection falls on a non-Business Day, both the Send On date and the Deliver By date will be moved to the immediately preceding Business Day.

2. ACH Collections Service

Description of Services: To use the ACH Collections Service you must maintain a checking account with us and designate one of your eligible checking accounts with us as your Primary Account for the Collection of recurring monthly service fees. You may designate any of your eligible checking accounts with us as your Deposit To accounts for any of your ACH Collections. You agree to use the ACH Collections Service only for collections from Payors located within the United States, subject to our approval, and you agree to use the ACH Collections Service only to issue Instructions for lawful purposes. To use the ACH Collections Service you must provide sufficient information online to us to properly identify your Payor(s) (including whether a Payor is an individual or a business), direct your collection and permit the Payor to identify you as the originator of the Debit Entry to the Payor's account. You must complete all required fields with accurate information, as directed by the ACH Collections Service screen messages. By providing us with the names and account information of those Payors to whom you wish us to collect funds, you authorize us to follow the Instructions that we receive through the ACH Collections Service. You further authorize us to update or change any of your Payor information as requested or provided by your Payor. When we receive a collection Instruction in your name (either Current Day or Future Dated), we will originate a Debit Entry to the Payor's account on your behalf. All ACH Collections (other than Repeating ACH Collections) that are initiated on any non-Business Day or after the Cutoff Time on any Business Day, will reflect a Send On Date of the next Business Day.

Canceling Collections: You may cancel any Pending Collection via the ACH Collections Service if you do so no later than the Cutoff Time, on the Send On Date. You may not stop or cancel a Collection after the Cutoff Time has passed. You may not amend or modify Instructions or Pending Collections once they have been scheduled.

You may utilize the ACH Collections Service to make requests for the collection of your Current Day and Future Dated ACH Collections, and Repeating ACH Collections from your Payor. We may, from time to time, establish minimum and maximum transactional and daily dollar limits on ACH Collections that may be initiated via the Services which we may impose in our discretion and at our option. The Bill Payment Service and Transfers Service Addenda shall apply equally to ACH Collections issued hereunder, as if those terms were restated herein, unless the context clearly indicates otherwise.

You further agree to take all appropriate measures to ensure the accuracy of the Instructions you submit. If you schedule Repeating ACH Collections and the Send On Date falls on a non-Business Day, the Send On Date (i.e., the day the ACH Collection will begin processing) will be moved to the immediately preceding Business Day but the ACH Deliver By Date of the ACH Collection will remain unchanged. If the ACH Deliver By Date of a Repeating ACH Collection falls on a non-Business Day, both the Send On Date and the ACH Deliver By Date will be moved to the immediately preceding Business Day.

3. Fees

For information about what fees may apply to the ACH Collections Service for your J.P. Morgan Private Bank account, you should refer to the applicable fee schedule as in effect from time to time for such account. For all other accounts, the following fees will be charged for the ACH Collections Service, beginning in the month in which the Service is established. A recurring monthly service fee of \$25.00 will be charged for the ACH Collections Service. This \$25.00 fee will cover twenty-five (25) ACH Collections per month; a fee of \$0.25 will be charged for each ACH Collection in excess of twenty-five (25) in any given month. The recurring monthly service fee will be assessed to the account designated by you as the "Primary Account" for the ACH Collections Service. Upon each occurrence of a collection reversal request, an additional fee of \$2.50 will be charged. Additionally, a fee of \$2.50 will be charged for each time an item is returned for any reason by the Payor's bank (unless the account is a Chase Analysis Business Checking account or Chase Analysis Business Checking with Interest account, at which time a fee of \$3.00 will be charged). The foregoing charges will be assessed to the account designated by you as the "Primary Account" for the ACH Collections Service. J.P. Morgan Chase reserves the right, from time to time upon notice to you to add, delete or modify charges.

4. Cutoff Times; ACH Deliver By Date

All transmissions to J.P. Morgan Chase must be completed by J.P. Morgan Chase's established Cutoff Times in order for processing to commence on the same Business Day. Any transmission completed and received by J.P. Morgan Chase after such Cutoff Times will be processed by J.P. Morgan Chase on the following Business Day. The current Cutoff Time for making an ACH Collection is 7:00 p.m. ET. Funds due from Current Day Collections made

before the Cutoff Time will be added to the balance in your Deposit To account on the ACH Deliver By Date (i.e., at least one (1) Business Day after the Send On Date) subject to the return or reversal of the Debit Entries by the Payor's bank. Those funds will become available three (3) Business Days after the ACH Deliver By Date, subject to the return or reversal of the Debit Entries by the Payor's bank. Repeating ACH Collections will be credited to your Deposit To account on the ACH Deliver By Date for the particular Repeating ACH Collection (i.e., at least one (1) Business Day after the Send On Date for that Repeating Collection). Those funds will become available three (3) Business Days after the ACH Deliver By Date, subject to the return or reversal of the Debit Entries by the Payor's bank. The Send On Date will be adjusted to the immediately preceding Business Day for any Repeating ACH Collection which is scheduled for Collection on a non-Business Day. Any ACH Collection that is returned or reversed by the Payor's bank will be charged to the Deposit To account as provided in Section 9 of this Addendum.

J.P. Morgan Chase reserves the right at any time to delay the availability of funds transferred into the Deposit To account by Debit Entry until such time as such Debit(s) cannot be reversed in accordance with the Rules.

5. Duplicate Entries

Duplicate ACH Collections entered for the same amount, Payor name and ACH Deliver By Date will be processed and released for Collection.

6. Exposure Limits

J.P. Morgan Chase may from time to time establish or revise maximum dollar limits for the aggregate value of all outstanding Debit Entries that J.P. Morgan Chase will release on your behalf. Such limits will be subject to revision or cancellation by J.P. Morgan Chase at any time without prior notice.

7. Collections via ACH

ACH Collections are transmitted via the ACH network. ACH Collections are allowed only to Payors with accounts at ACH member banks. You will be notified via email to your Secure Message Center inbox only if there is a problem or an error with the information you originally transmitted.

8. ACH Rules

Your issuance of Instructions and our processing and release of such Instructions to the ACH system shall be pursuant to the terms of this Agreement and the Rules. Undefined capitalized terms used in this Section 7 and in Sections 9-12 of this Addendum which are defined in the Rules shall have the meanings ascribed to those terms in the Rules.

The relationship between us and you with respect to ACH Entries we originate in your name based on your Instructions, shall be governed by the terms of the applicable Rules, except as otherwise provided in this Agreement or other agreements you have with us. We and you

shall be bound by the Rules as in effect from time to time.

9. Processing; Transmittal

In processing and transmitting Debit Entries to accounts of Receivers at JPMC ("**On-Us Entries**"), JPMC shall debit the accounts of Receivers on its books. In processing and transmitting Entries intended for the accounts of Receivers at RDFIs, JPMC shall process and transmit such Entries to the applicable Regional ACH for processing and ultimate transmittal to RDFIs.

10. Rejections; Returns

We shall notify you of any Instructions which we reject or of any Debit Entries which are rejected or returned by the RDFI. You shall be responsible for any correction and re-submission to us of appropriate Instructions. If a Debit Entry is returned or reversed for any reason after we have credited the Deposit To account therefore or if final settlement for a Debit Entry is not received by us for any reason, we will charge back the amount of such Debit Entry to the Deposit To account or claim a refund from you.

11. Reversals

Reversal requests can be initiated only by calling us at 877-CHASEPC (877-242-7372) within five (5) Business Days of the transaction settlement date. The transaction settlement date is generally the same day as the ACH Deliver By Date. Reversal requests received after the expiration of such period will not be honored. Reversal requests are accepted under the express understanding that J.P. Morgan Chase does not guarantee that the request will be honored by the RDFI. Reversal requests, reversals that have been processed and other reversal activity will not be reflected on your Services status report.

12. Name/Identifying Number Inconsistencies

In processing and transmitting Instructions and Entries issued in your name, J.P. Morgan Chase may rely upon the identifying number (e.g., bank routing number or Payor account number) of any bank or Payor identified in the Instructions. The RDFI may debit the account of the Payor on the basis of an account number, even if it identifies a person different from the Payor. You assume full responsibility for any inconsistency between name and identifying number of any bank or Payor in Instructions issued in your name and in any Entries processed and transmitted by J.P. Morgan Chase therefrom.

13. Warranties; Indemnity

You shall obtain all authorizations necessary to enable J.P. Morgan Chase to perform the ACH Collections Service by Debit Entries and, if requested, shall furnish J.P. Morgan Chase with copies of such authorizations within the specified time period provided. Except as specified below, you shall be deemed to make the same warranties to J.P. Morgan Chase as J.P. Morgan Chase is deemed to make under the Rules, and J.P. Morgan Chase shall have no responsibility

with respect to matters so warranted by you. In the case of On-Us Entries, such warranties shall be deemed to apply as of the time J.P. Morgan Chase first processes such On-Us Entries. You shall not be deemed to warrant, however: (a) the power of J.P. Morgan Chase under applicable law to comply with the requirements of the Rules; or (b) the conformity of Debit Entries transmitted by J.P. Morgan Chase to the file specifications contained in the Rules. You further represent, warrant and acknowledge that each Debit Entry you originate shall comply with all applicable U.S. laws and regulations.

In addition to the indemnities set forth in the General Terms and Conditions, you also agree to indemnify, defend, and hold the J.P. Morgan Chase Indemnified Parties and the RDFI, as applicable, harmless from and against any and all Losses in connection with any third party claim resulting or arising from: (a) compliance by us and the RDFI with reversing requests or reversing Entries; or (b) the transmittal by J.P. Morgan Chase of Debit Entries in accordance with Instructions issued in your name.

Addendum: ACH Payment Services

(For Business Customers Only)

Last updated: 2/20/2025

This Addendum governs your use of the service for you to use to make an ACH Payment (the **“ACH Payment Services”** or for purposes of this Addendum, the **“Services”**). Except as otherwise set forth in this Addendum (including Section 13 below), all capitalized terms used but not defined herein shall have the meaning set forth in the General Terms and Conditions.

You must supervise persons you have authorized to use the ACH Payment Services on your behalf. You are responsible for your authorized users’ use of the ACH Payment Services.

You can use the ACH Payment Services to send an ACH Payment from your eligible checking account to a Payee’s account. Only business banking and private banking business customers who enter into an applicable deposit account agreement with us may use the ACH Payment Services. Business customers may have fewer protections than consumer customers. Certain accounts may not be eligible to fund through ACH Payment Services on chase.com. Same-Day ACH Payments are subject to the terms and pricing applicable to ACH Payments, but additional terms and fees may also apply as set forth herein. All payments made through the ACH Payment Services are subject to review for fraud, regulatory or compliance purposes, and such review may result in a transaction being delayed or rejected. You will be notified when a transaction cannot be processed on the original Send On Date.

1. ACH Payment Services

You must give us all the information we need to complete your ACH Payment. You must tell us if the Payee is a vendor or Employee by indicating if the bank account type is a Personal (Employee) or Business (Vendor) account. The information must be correct. When you send us Instructions, you authorize us to complete your Instructions. You authorize us to

electronically debit the From Account listed in your Instructions. You may only send ACH Payments to Payees in the United States with accounts at ACH member banks. You authorize us to update your Payee's information if your Payee's banks asks us to do so. You will be notified when we update a Payee's information. You additionally agree that you will make the necessary changes on your systems when we update a Payee's information at their request and notify you.

ACH Payment Services allows you to designate payees by type of payment. The service supports payments to both personal and business DDA accounts. When creating payees, you must designate whether a payee should be considered an employee (payment to personal accounts) or a vendor (payments to business accounts). See Definitions below for more information. Payments to payees designated as "Employees" must be sent to personal accounts. These payments may appear as "Basic payroll" or "Payroll Payments." Payments to payees designated as "Vendors" can be sent to businesses or individuals. These payments may appear as "ACH Payments" or "Vendor payments." See table below for additional debit timing details for Payments to payees designated as Employees and Vendors.

You must give us an Employee's voided check or deposit slip for the Employee's checking account if we ask for it. The Services should not be your permanent record for accounting, tax or any other purpose.

Entitlements to make Payments to employee or vendor Payees can be managed independently for authorized users.

We may limit the amount of money you can send in one (1) ACH Payment or in one (1) day. We may establish lower transaction limits for you and may block or reject any transaction that exceed(s) the limit(s). You will be notified when a transaction is blocked or rejected either by Secure Message Center notification or in your transaction history on Chase Online. The current limit for a single Same-Day ACH Payment is \$100,000. We may establish lower transaction limits for you and may block any attempted Same-Day ACH transaction that exceed(s) the limit(s). We may adjust the limits at any time in our sole discretion with notice to you.

We must receive your approved payment instruction before the Cutoff Time to send the payment on the Send On date (which could be the Same Business Day). The Cutoff Time for Same-Day ACH Payments is 2:00 PM ET and 8:00 PM ET for Standard ACH Payments. All Same-Day and Standard ACH Payments, must be authorized (which includes Chase internal risk approval) by the Cutoff Time to be sent on the same Business Day. Standard and Same-Day ACH payments not authorized by the Cutoff Time on the Send On date will expire at 11:59 PM ET on the Send On date. Note: authorized Same-Day ACH and Standard ACH Payments may be delayed by Chase, including, but not limited to, for internal review purposes, and could be sent the next business day unless cancelled by the user. This may result in a Same-Day ACH transaction being sent the next business day, which will be charged the Same-Day delivery fee.

If we receive your Instructions after the Cutoff Time, we may still debit your account that day. We will debit your Pay From Account based on the ACH Deliver By Date you choose.

Type of ACH Payment From Account	When We Debit your Pay From Account
Approved Instructions received by us before the Cutoff Time for your Instruction on a Business Day	Calendar day you send
Approved Instructions (other than Repeating ACH Payments or Employee payments) received by us after the Cutoff Time	Following Business Day
Approved Instructions (other than Repeating ACH Payments or Employee payments) received by us on non-Business Day	Next Business Day
Repeating ACH Payment Instructions received by us at least one day before the Deliver By date	1 Business Day before the ACH Deliver By Date
Repeating ACH Payment Instructions with Deliver By date on a non-Business Day	2 Business Days before date
Employee ACH Payment Instructions received by us before the Deliver By date	1 Business Day before the ACH Deliver By Date
Repeating Employee ACH Payment Instructions received by us before the Deliver By date	1 Business Day before the ACH Deliver By Date
Repeating Employee ACH Payment Instructions received by us with Deliver By date on non-Business Day	2 Business Days before Deliver By date

You must have enough funds available in your From Account on the Send On Date to complete your ACH Payment. If you do not have enough funds available, we are not required to follow your Instructions. We count funds in your overdraft account as available funds. If there are insufficient available funds in the From Account to cover an ACH Payment and you have overdraft protection, the funds in your linked protecting account are eligible and will be transferred to protect ACH Payments initiated via the ACH Payment Service. You authorize us to debit your From Account even if it will overdraw your account(s) or increase an overdraft. You authorize us to debit your account(s) enrolled in overdraft protection if you do not have enough funds available in your From Account. We are not liable for failure to pay any ACH Payment if you do not have enough funds available in your From Account.

If you do not have enough funds for a Current Day ACH Payment, we will reject your Current Day ACH Payment Instructions. We will not retry the Current Day ACH Payment.

If you do not have enough funds on the morning of the Send On Date for a Future Dated ACH Payment, then we may:

- reject your Instructions;
- overdraw your account(s) and complete the ACH Payment; or
- try to debit your account up to two (2) more times on the next two (2) Business Days. A status of "Funds Needed" will appear on the Payment Activity page on the Online Services. If the ACH Payment fails six (6) times, your ACH Payment will be Cancelled. A status of "Funding Failed" will appear on the Payment Activity page on the Online Services. We will notify you via Secure Message Center or email each time the ACH Payment fails. If there is a problem with your From Account, we may not complete the ACH Payment.

You may cancel any Pending ACH Payment by the Cutoff Time on the Send On Date. If we already debited your From Account, we will refund the funds for the Cancelled ACH Payment by the following Business Day. You may not change Instructions or Pending payments after you schedule them.

You may also cancel a Funded Employee payment if you contact us by the Cutoff Time on the Send On Date.

2. Fees

You must choose a Primary Account when you enroll for the ACH Payment Service. You authorize us to withdraw ACH Payment and Same-Day ACH fees from your Primary Account. Additional fees may apply for Same-Day ACH Payments. We may add, delete, or change fees with notice to you.

Fee Type	Fee Amount
ACH Payment Fee (Standard delivery)	First 10 payments \$2.50 each \$0.15 per transaction (after the first 10)
Failed ACH Payment accounts and Chase	\$2.50 per return (Chase Analysis Business Checking)
Fee per Failed ACH Payment	Chase Analysis Business Checking with Internet accounts are \$3
Same-Day ACH Payment	1% of transaction amount up to \$25.00 per transaction

Fees generally appear one month in arrears on your statements. Your fees may be different if you use your J.P. Morgan Private Bank account to make ACH Payments.

3. ACH Deliver By Date

We cannot guarantee your ACH Payment will be delivered on the ACH Deliver By Date you choose. Usually the ACH Deliver By Date will be the Business Day after the Send On Date, but

it may take longer. The Send On and Deliver By Dates for Same-Day ACH payments prior to the Cutoff time will be the same. After the Cutoff time, the Deliver By Date will change to the next Business Day. It may take longer for the Payee's bank to post the ACH Payment.

We are not responsible for the timeliness of funds availability at the Payee's bank.

4. Duplicate Entries

We will make duplicate ACH Payments entered for the same amount, Payee and ACH Deliver By Date if you have enough funds available on the Send On Date.

5. Notifications

We will notify you if there is a problem with your Instructions with a message through the Secure Message Center or your primary email address on file.

6. ACH Rules

When we use capitalized terms in this Addendum not defined in this Addendum or in the General Terms and Conditions, the definition in the ACH Rules applies. The ACH Rules govern the Entries we send on your behalf unless you and we agree otherwise. You and we are bound by the ACH Rules. We may audit your compliance with the ACH Rules. A Credit Entry by a RDFI to the Receiver is provisional until the RDFI receives final settlement. If the RDFI does not receive settlement, the RDFI may refund the amount credited. You are not deemed to have paid the Receiver the amount of such Credit Entry.

7. Processing; Transmittal

In processing and transmitting Entries to accounts of Receivers held by us ("**On-Us Entries**"), we debit or credit the accounts of Receivers on our books. In processing and transmitting Entries intended for the accounts of Receivers at other RDFIs, we will process and transmit such Entries to the Regional ACH network for processing and transmitting to RDFIs.

8. Rejections; Returns

We may reject your Instructions for any reason. We will notify you when we or the RDFI reject or return your Instructions with a message through the Secure Message Center or your primary email address on file. You must correct and re-send any rejected Instructions you still want to send. We will credit your account for any returned Credit Entry when we receive settlement for such Entry for ACH Payments other than Employee payments.

If we do not receive final settlement for an Employee payment for any reason, we will charge back the amount of such Employee payment to the From Account or claim a refund from you.

9. Reversals

You can request a reversal by calling us at 877-CHASEPC (877-242-7372) or by visiting Chase

Online within five (5) Business Days of the ACH Deliver By Date. We do not accept late reversal requests. We do not promise the RDFI will honor your request. When you start a reversal request, we credit your From Account for the reversal and place a hold on the funds for seven (7) Business Days.

If the RDFI does not accept the reversal request, we will debit the amount of the reversal request from your From Account. We will also debit the From Account for the reversal if we do not receive final settlement. You will not see your reversal request on your Services status report.

10. Name/Identifying Number Inconsistencies

We may rely on the identifying number of any bank or Payee in your Instructions. The RDFI may credit or debit the Payee's account based on an account number, even if the account number identifies a person different from the Receiver. You are responsible for any differences between the name and identifying number of any bank or Receiver in your Instructions.

11. Securities Procedures

Chase security procedures are only to help prevent unauthorized access to your account. You must be an active Chase Online and/or Chase Mobile user with a valid user ID and password to use ACH Payment Services. You should not discuss or disclose your online user ID and password, your one-time code, or any other information that we may use to confirm your identity with any person regardless if they have access to your accounts. You acknowledge the security procedures for ACH Payment Services are a commercially reasonable method of making payments. You are required to activate ACH Payment Services prior to using this service. Prior to scheduling an ACH Payment, you must establish a recipient (Receiver) and the financial institution that holds the recipient account (RDFI). When you use ACH Payment Services, you will log into your Chase Online account and authenticate with a username and password and may, from time to time, be asked to complete additional authentication steps like security questions, one-time codes, and other methods of authentication. We may impose stricter security procedures for any particular transaction you make under this service, but we have no obligation to do so. If we choose to impose the stricter security procedures, we will not be liable to you for any delays or losses, and we will not be obligated to impose such security procedures in the future.

12. Warranties; Indemnity

Except as specified below, you make the same warranties to us as we make under the ACH Rules. We do not have responsibility for such warranted matters. In the case of On-Us Entries, your warranties apply at the time we first process an On-Us Entry. You do not warrant: (a) our power under applicable law to comply with the ACH Rules; or (b) the conformity of Entries transmitted by us to the file specifications contained in the Rules. You represent, warrant and acknowledge that each Entry you originate will comply with all applicable U.S. laws and regulations.

In addition to your indemnification obligations set forth elsewhere in this Agreement, you will indemnify, defend, and hold the J.P. Morgan Chase Indemnified Parties and the RDFI, as applicable, harmless from and against any and all Losses in connection with any third party claim resulting or arising from: (a) our transmittal of Entries following your Instructions; and (b) our or the RDFI's compliance with your request.

13. Cancellation of the ACH Payment Service

You can cancel the ACH Payment Service by calling 877-CHASEPC (877-242-7372), option 3. When you call us, we may also require you to put your request in writing. When you cancel the ACH Payment Service, you will no longer be able to access any of your ACH Payment Service features. Fees applicable to the ACH Payment Service will continue to apply for up to two months after you cancel the ACH Payment Service. You will not receive a refund of any fees if your ACH Payment Service is cancelled. When you cancel the ACH Payment Service, such cancellation will have no impact on the other Services or account relationships, if any, with us.

3. Service Fees

Unless otherwise noted in your deposit account agreement or other applicable account agreement, we do not charge a monthly service fee for the Bill Payment Service. If we process a Bill Payment in accordance with your Instructions that overdraws your From Account or exceeds your J.P. Morgan Chase credit card limit, we may assess a fee or charge interest in accordance with the terms of your deposit account agreement or other applicable agreement. We are not responsible for any Bill Payment request if there is not enough money in the designated From Account or if the payment request exceeds your credit card limit.

4. Recurring Payments

Recurring Bill Payments that are for the same fixed amount each month will be sent on the same calendar day of each month, or on the following Business Day if the regular Send On Date falls on a non-Business Day. Recurring Bill Payments will be deducted from your From Account, or charged to your J.P. Morgan Chase credit card, on the Send On Date. In order to authorize a Recurring Bill Payment, you agree to have means to print a copy of your authorization for your records. If you do not have a printer, you agree to continue to authorize a Repeating Bill Payment on a transaction-by-transaction basis until you have

means of printing a copy of your authorization for your records.

If you order us to stop a Recurring Bill Payment three (3) Business Days or more before the Send On Date, and we do not do so, we will be liable to you for those losses or damages as provided by law. If for any reason you cannot access the Online Services, you may also call our customer service at 877-CHASEPC (877-242-7372) or write to online customer service at Online Customer Service, P. O. Box 2558, Houston, TX 77252-9968. If you call, we may also require you to present your request in writing within fourteen (14) days after you call.

Some Chase Loan and Credit Accounts will allow you to set up automatic payments.

Automatic payments differ from Repeating Bill Payments in that automatic payments are triggered based on the associated billing date and the payment amount may vary each month. Terms and conditions for automatic payments to Chase Loan and Credit Accounts will be presented to you at the time you set up the automatic payments.

5. Bill Payment Service

a. General Terms Applicable to Bill Payments

You authorize us to remove funds from your designated From Account for all Bill Payments that you initiate and you agree to have sufficient available funds on the Send On Date or Payment date for each such Bill Payment you schedule. Please note that if you have overdraft protection for your From Account, available funds in the account that you use for overdraft protection are included in the determination of available funds for the Bill Payment Service. If sufficient funds are not in your From Account to cover a Current Day Bill Payment, we will not retry the payment and it will be immediately rejected. In the case of Future Dated Bill Payments, if sufficient funds are not in your From Account on the Send On Date or Payment date we may reject the request, or accept the request and process the payment for delivery (even if such payment processing causes you to exceed your credit limit or overdraw your account). In the alternative, if sufficient available credit or funds are not in your From Account on the Send On Date or Payment date, we will automatically try to debit your account up to two (2) more times on each of the three (3) succeeding Business Days. For these attempts, a status of "Funds Needed" will appear online. After the final attempt, the payment request will be Cancelled. A status of "Funding Failed" will appear. We will send you a message advising you of each failed attempt to debit your From Account. You agree that we may, at our option, follow your Instructions to make Bill Payments to a Payee, even though a charge to or a debit from your From Account may cause you to exceed your credit limit, or bring about or increase an overdraft. In the event of an overdraft to your From Account, we may charge any other of your accounts for the amount of the overdraft.

Further, for Bill Payments to certain eligible healthcare providers only, you authorize us to charge your J.P. Morgan Chase credit card for any eligible Bill Payments to certain healthcare providers that you initiate using your J.P. Morgan Chase credit card and you agree to have sufficient available credit balance on the Send On Date or Bill Payment date for each such Bill Payment you schedule. If your J.P. Morgan Chase credit card payment is rejected for any reason, we will not retry the Bill Payment and you will be notified of the failed attempt to

charge your J.P. Morgan Chase credit card. You agree that we may, at our option, follow your Instructions to make Bill Payments to a named Payee, even though a charge to your J.P. Morgan Chase credit card may cause you to exceed your credit limit.

WE ARE NOT RESPONSIBLE FOR ANY OVER-THE-CREDIT-LIMIT FEE, OR CHARGES IMPOSED OR ANY OTHER ACTION BY A PAYEE RESULTING FROM A LATE BILL PAYMENT, INCLUDING ANY APPLICABLE FINANCE CHARGES AND/OR LATE FEES; PROVIDED, HOWEVER, THAT IF WE CAUSE PROCESSING DELAYS THAT CAUSE YOUR BILL PAYMENT TO BE LATE, WE WILL BE RESPONSIBLE FOR ANY LATE FEES ONLY, IN ACCORDANCE WITH OUR BILL PAY GUARANTEE.

b. Bill Payments.

Bill Payments can be used to make one-time or Recurring Bill Payments to companies, merchants or individuals you have designated as a Payee to pay bills such as rent, utilities, or car payments (sometimes referred to as the "Bill Payment" or other trade name or trademark as determined by us from time to time). This can include us for payments to Chase Loan or Credit Accounts. You must have an eligible checking account, asset management account, or Investment Account with us in order to make Bill Payments. The eligible accounts from which a Bill Payment can be made do not include a J.P. Morgan Chase home equity line of credit or other line of credit account, except for J.P. Morgan Chase credit cards. We reserve the right to determine eligibility and to restrict categories of recipients to whom Bill Payments may be made in our sole discretion.

- i. Description of the Bill Payment Service: To make Bill Payments, you must maintain an eligible checking account, asset management account, or Investment Account (or Chase credit card for certain healthcare payments as provided below) with us and designate one of your eligible accounts with us as your From Account. You may select Payees located within the United States to pay using Bill Payment, subject to our and the Payee's approval with the following exceptions: **you agree not to use the Bill Payment Service to pay Payees to whom you are obligated for tax payments, payments made pursuant to court orders including court-ordered amounts for alimony or child support, fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law.** The minimum Bill Payment allowed is normally \$0.01. The default maximum total dollar amount of all Bill Payments is \$100,000.00 in the aggregate attributable to any Business Day. We may modify this limit in our sole discretion at your request, and you acknowledge that a modified limit may not be reflected in these Terms. To use the Bill Payment Service you must provide sufficient information online to us to properly identify your Payees, direct your payment and permit the Payee to identify you as the payment source upon receipt of a payment. You must complete all required fields with accurate information, as directed by screen messages. By providing us with the names and account information of those Payees to whom you wish us to direct payment, you authorize us to follow the Instructions that we receive through the Bill Payment Service. You further authorize us to update or change any of your Payee information (including changes to account information, Payee name and mailing address) as requested or provided by your Payee, the U.S. Post Office or pursuant to any updates or changes through other tools and resources we may use

from time to time to effectuate the Bill Payment. When we receive an Instruction (for a Current Day or Future Dated Bill Payment), we will send funds to the Payee on your behalf, from the funds in your From Account or charged to your J.P. Morgan Chase credit card. You authorize us to charge your designated From Account or J.P. Morgan Chase credit card, for all Bill Payments that you authorize through the Bill Payment Service. We and any agent used by us in connection with the Bill Payment Service is authorized to prepare Drafts drawn on your From Account, charge your J.P. Morgan Chase credit card, and/or electronically debit your From Account for the purpose of making payments. We are authorized to accept any Draft drawn on the From Account on presentment and charge the From Account even though it does not bear your signature where such Draft has been issued as part of the Bill Payment Service. Such Drafts may originate from us or any financial institution in the United States used by us or any of our agents.

- ii. Because your Instructions are transmitted to us on your computer or mobile device, the Bill Payment will not be sent to your Payee with the Payee's payment stub. Payments received without the payment stub are sometimes processed at a different location. Some Payees may take longer to post the payment to your account if the payment stub is not included with the payment, although federal regulations may limit certain creditors (such as credit card issuers) to a period of up to five (5) days. For this reason, we recommend that you contact your Payees to ensure that you have the right address and that you schedule payments in sufficient time to allow for your payment to be sent to your Payee and the payment to be posted.
- iii. Delivery Method (excluding J.P. Morgan Chase credit card Bill Payments): We remit two types of Bill Payments on your behalf to your Payees – electronic funds transfer and paper check, depending on your Payee's determined method of receiving payments. The Delivery Method and lead time expected for each type of payment your Payee will ordinarily receive will be indicated on screen when your payment is scheduled.

The Delivery Method for a Payee is subject to change. If a Payee no longer accepts electronic payments, payments to that Payee will be delivered by paper check and the Send On Date will be changed to five (5) Business Days before the Deliver By Date for all subsequent payments, and if the Payee provides us with sufficient notice, for the most current payment. If a Payee begins accepting electronic payments, payments to that Payee will be processed electronically and the Send On Date will be changed accordingly for all subsequent payments. In case of payment delivery errors, we will modify the payment delivery method accordingly, i.e. if an electronic payment is undeliverable or Payee cannot accept an electronic payment due to a temporary issue, the payment may be resubmitted by check. We will notify you via email if the Delivery Method indicated for your scheduled payments changes to a slower Delivery Method, i.e. one that increases the delivery time of your payment; otherwise, you will not be notified of Delivery Method changes. Once an electronic payment is indicated on screen as "Processed," we no longer control or receive updates on the payment status and you will need to contact your Payee for further information. Please note that, in some situations, if a payment is scheduled to be sent electronically to a Payee who can no longer process payments using the Delivery Method in which it was sent, then that payment may be late and we will not be responsible for any associated late charges that might be

incurred as a result. Late payments arising from changes in your Payee's Delivery Method are explicitly excluded from coverage of our Guarantee as we have no control over your Payee's acceptance of or changes to a particular Delivery Method.

While it is anticipated that most Bill Payments will be delivered by the Deliver By Date, it is understood that due to circumstances beyond our control, particularly delays in handling and posting payments by slow responding companies or financial institutions, some transactions may take a few days longer to be credited by your Payee to your Payee account. FOR THIS REASON, YOU NEED TO SELECT A DELIVER BY DATE WHICH IS SUFFICIENTLY IN ADVANCE OF THE ACTUAL DUE DATE (NOT THE LATE DATE) OF YOUR PAYMENT OBLIGATION TO ENSURE THAT YOUR PAYMENT ARRIVES ON OR BEFORE YOUR DUE DATE AND NOT AFTER THE DUE DATE OR DURING THE GRACE PERIOD.

- iv. Additional Terms Applicable to Only Variable Automatic Bill Payments: You may now also set up variable automatic Bill Payments for select Payees participating in e-Bills. Variable automatic Bill Payments differ from Repeating Bill Payments in that variable automatic payments are triggered based on the associated billing date and/or the bill due date, as set up by you, and the payment amount may vary each month. While it is anticipated that most variable automatic Bill Payments will be delivered by the Deliver By Date you set, it is understood that due to circumstances beyond our control, particularly when your Payee is late in providing the e-Bill and/or we receive the e-Bill too close to, on, or after the bill's due date, WE MAY BE UNABLE TO PAY THAT BILL AND YOU WILL HAVE TO MAKE ALTERNATIVE PAYMENT ARRANGEMENTS DIRECTLY WITH THE PAYEE. These terms apply in addition to the other terms applicable to Repeating Bill Payments in this Section 5(b), and additional terms for variable automatic Bill Payments may be presented to you at the time you set up the variable automatic Bill Payment.
- v. Canceling Bill Payments: You may cancel any Pending or Funded Bill Payment if you do so no later than the Cutoff Time, on the Send On Date. Funds will be returned to your From Account by the following Business Day. You may not stop a Bill Payment after the Cutoff Time has passed.

For J.P. Morgan Chase credit card Bill Payments only, the Cutoff Times do not apply and you may cancel the payment any time before it is sent.

c. Bill Payments to Chase Loans or Credit Accounts

- i. Bill Payments to Chase Loans or Credit Accounts: Only Business Days may be chosen as Payment dates for Chase Loans or Credit Accounts and Instructions must be received by us by the Cutoff Time as stated above to receive credit on that same Business Day; Instructions received on any non-Business Day or after the Cutoff Time on any Business Day will be processed on the next Business Day.
- ii. Bill Payments to J.P. Morgan Chase Home Equity or Personal Loan or Line of Credit Accounts: Same-day payments using a J.P. Morgan Chase deposit or prepaid account made before the Cutoff Time as stated above on any day will be credited with the date the payment is submitted. Only Business Days may be chosen as Payment dates for Future Dated payments or payments made using a non-J.P. Morgan Chase checking account and Instructions must be received by us by the Cutoff Time as stated above to

receive credit on that same Business Day; Instructions received on any non-Business Day or after the Cutoff Time on any Business Day will be processed on the next Business Day.

Bill Payments to a Chase Loan or Credit Account from an account held by us may be made in amounts of up to the available balance in your From Account (plus any available balance in any associated overdraft protection account) per day.

Note: Bill Payments to J.P. Morgan Chase credit card accounts have separate payment date options and terms that will be displayed at the time Instructions are provided by you.

d. Bill Payments to Certain Healthcare Providers

Provided that you maintain an eligible checking account, asset management account, or Investment Account with us and designate one of your eligible accounts with us as your Pay From account, you may also have the option to use one of your J.P. Morgan Chase credit cards to pay certain healthcare providers listed in our Bill Pay directory. Your J.P. Morgan Chase credit card will be shown as one of the payment options if a healthcare provider you are trying to pay is eligible to receive J.P. Morgan Chase credit card payments. You may be able to schedule a one-time, future-dated, or recurring Bill Payment using a J.P. Morgan Chase credit card for certain healthcare providers and may cancel any such payment at any time before it is sent. Sent J.P. Morgan Chase credit card payments will be authorized immediately so you will not be able to cancel any payment after it has been sent. These terms apply in addition to and, in the event of conflict shall supersede, the other terms applicable to the Bill Payment Service.

For Business Accounts: Even if the dual control function has been turned on for the Bill Payment Service, payments to healthcare providers using a J.P. Morgan Chase credit card will not be submitted for approval.

e. Duplicate Payments

If you submit a duplicate Bill Payment request, an error message may be displayed on our website but you may choose to bypass the message and schedule the payment. If you submit a duplicate Bill Payment to a Chase Loan or Credit Account, an error message may be displayed and such duplicate payments may not be permitted. No error message will be displayed for duplicate Bill Payments made through different methods (e.g., the Bill Payment Service) and the payments will be processed as normal.

f. Stale Dated Payments

Paper checks which may be issued to your Payees are not negotiable after the designated period noted on the check, usually ninety (90) days. Occasionally, paper check payments are not cashed by your Payee within the negotiable period. When this happens, we will notify you and credit your From Account. We have no liability to you, your Payee or any other party for refusing payment on any check that remains outstanding after the end of the negotiable period.

g. Merchant or Payee Limitation

We reserve the right to refuse to pay any Payee whom you may designate for a payment. We will notify you promptly if we decide to refuse to pay a Payee designated by you. This notification is not required if you attempt to pay any Payees for payments related to Prohibited Activities as defined in your deposit account agreement, pay tax or court related payments or payments to Payees located outside the United States, each of which is prohibited under this Addendum.

6. Terms applicable to your use of the e-Bills Service for both Consumer and Business Accounts

E-Bills is a feature of the Bill Payment Service that enables you to receive bills electronically from participating Payees.

- a. **Electronic Communications/Payee Terms.** By activating e-Bills, you agree to abide by the terms and conditions stated in this Section to get e-Bills, and to get other related communications electronically. By activating e-Bills, you will be required to agree to each Payee's terms and conditions, which will also include the requirement to not to receive paper bills. For avoidance of doubt, you understand and agree that enrollment into e-Bills will terminate the provision of paper statements to you by the Payee, including any reformatted paper statements, i.e., Braille or enlarged font, that you were receiving from the Payee, and any accommodations or exceptions will be agreed upon and made between you and the Payee and not J.P. Morgan Chase.
- b. **Limitations.** You must enroll each Payee individually in e-Bills. You also acknowledge and agree that the right to activate and receive e-Bills for each Payee is limited to one financial institution. If you activate e-Bills for a particular Payee through us, you will no longer receive e-Bills for that Payee through the financial institution through which you're currently receiving such e-Bills. Conversely, if you activate e-Bills for a particular Payee through another financial institution, your action will effectively terminate the e-Bills service for that Payee and you will no longer receive such e-Bills through us.
- c. **Approval of e-Bills.** Participating Payees establish their own criteria for reviewing requests to receive e-Bills and have sole discretion to accept or decline your request. We do not participate in this decision. Participating Payees generally take up to five (5) Business Days to approve an e-Bill set-up request. By requesting that bills, statements, or other related communications be sent to you electronically, you warrant that you have the right, power, and authority to receive them.
- d. **Individual and Joint Responsibility.** Any individual borrower, account holder or authorized user on your loan, line of credit, or account can enroll in and use e-Bills. Regardless of the individual who enrolls in e-Bills, the terms of this Section apply to all borrowers/account holders/authorized users, individually and jointly.
- e. **Timely Delivery of e-Bills.** We take no responsibility if a Payee does not provide the necessary data to forward an e-Bill in a timely manner. If you do not receive a bill, it is your responsibility to contact the Payee directly. We are not responsible for any late charges or other adverse consequences. Any questions regarding your bill details should be directed to your Payee.

- f. **Cancel e-Bills.** All parties have the right to cancel the e-Bills service at any time. We may also elect to discontinue delivering e-Bills for certain Payees or customers. We will notify you if J.P. Morgan Chase or a Payee discontinues/stops e-Bills. If you request that an e-Bill be discontinued, we generally require at least seven (7) Business Days for the Payee to receive and process the request. Therefore, you may not receive a paper statement from the Payee, and/or you may not receive an e-Bill through the new financial institution through which you have activated the e-Bill service for the Payee, but continue to receive e-Bills from us instead for one or two cycles. We also reserve the right to terminate a Payee's participation in e-Bills at any time.
- g. **Privacy.** When you request e-Bills from a participating Payee you will provide certain information such as required username and password, and you authorize us and our third party service provider to collect and forward such information onto the Payee on your behalf, and you appoint us and our third party service provider as your agent for the limited purpose of completing your enrollment. If you have concerns about the future use of this information by the Payee you should contact your Payee directly.
- h. **Fees, Charges or Other Terms.** Unless otherwise noted in your account agreement, we do not charge any fees for using e-Bills.
- i. **Acknowledgements and Agreements.** You understand and agree that
- e-Bills are provided for your convenience, and payments due continue to be your responsibility;
 - e-Bills (and any content contained therein) may only be available in English, and not in a foreign language, including Spanish, regardless of whether you currently receive a Payee's bill in a foreign language, depending on the Payee. By using e-Bills, you agree to receive the e-Bills in English, even if you use or access J.P. Morgan Chase's website, mobile application or J.P. Morgan Chase's other products and services in a foreign language. You agree that J.P. Morgan Chase is not responsible for delivering the e-Bills to you in a foreign language, and any questions regarding this issue will be directed to your Payee;
 - the e-Bill summary (and any content contained therein) is accessible via screen reader software and other Assistive Technology ("**AT**") as presented on any J.P. Morgan Chase digital platform. The e-Bill summary may include the statement date, due date, amounts due and/or other information, and is different from the e-Bill;
 - e-Bills (and any content contained therein) may not be presented in a way which is accessible to screen reader software or AT which are conformant to web content accessibility guidelines (WCAG), regardless of whether you currently can access Payee's bill online or via digital application using screen reader software or other AT, depending on the Payee. By using e-Bills, you agree to receive the e-Bills as provided, which may include an inaccessible format, even if you use or access J.P. Morgan Chase's website, mobile application or J.P. Morgan Chase's other products and services by using screen reader software or other AT. You agree that J.P. Morgan Chase is not responsible for delivering the e-Bills to you in a digitally accessible format which conforms to WCAG, and any questions regarding this issue will be directed to your Payee.
- j. **Accuracy or Completeness.** An e-Bill may or may not have all the same information as the paper version, depending on the Payee. J.P. Morgan Chase presents the e-Bills as

provided by the Payee. J.P. Morgan Chase is not responsible for any information or communications related to them, or for the acts or omissions of any Payee.

7. J.P. Morgan Chase Is Not Responsible for Third Parties

We are not responsible for any aspect of your relationships with the Payees, or for the performance or non-performance of these third parties. We do not act as a service provider of the Payees. Transactions between you and a Payee are governed by the Payee's terms and conditions. We do not endorse or assume any liability for any Payee you use, and we do not have any liability for payments, returns, refunds, chargebacks, loyalty and rewards related offers and benefits or any disputes between you and a Payee or other third parties.

8. ADDITIONAL TERMS APPLICABLE ONLY TO BILL PAYMENTS FOR CONSUMER ACCOUNTS.

For Consumer Accounts, please see your deposit account agreement for important information about your rights and obligations regarding liability for activity on your account. If you perform transactions from a home equity line of credit or other credit account, please see your home equity line of credit or other credit documents for information about your liability for unauthorized charges or other errors or questions relative to those accounts. You should use your Consumer Account to send or receive payments for personal, family, or household purposes, and you should use your Business Account to send or receive payments for business purposes. In the case of errors or questions about your electronic funds transfers made through Payments and Transfers, please consult your account agreement for details and reporting time frames.

If we tell you the Delivery Method for your payment is paper check and make the payment by paper check, the terms in this Section 8 do not apply to the payment. For information on your rights and obligations involving erroneous paper checks (including paper checks you did not authorize), see Section V of our Deposit Account Agreement. If we make the payment electronically, this Section 2 will apply to the payment even if we told you the Delivery Method for your payment is a paper check.

The Online and Mobile Banking Guarantee – Only for Online and Mobile Payments and Transfers (for Consumer Deposit and Prepaid Accounts Only)

In the event that money is removed from your eligible consumer deposit accounts with us without your authorization through Payments and Transfers, we will reimburse you 100% if you tell us within two Business Days of your discovery of the unauthorized transaction. This guarantee covers only things that are within our control. It is your responsibility to use care when exiting the system and safely maintain your user IDs and Passwords. See Section 8 "Additional Terms Applicable Only to Bill Payments for Consumer Accounts" for additional information about your rights and obligations regarding liability for activity on your account.

9. The Bill Pay Guarantee – for Online and Mobile Bill Payments and for Online and Mobile Payments to a Chase Loan or Credit Account made from

a J.P. Morgan Chase checking account

If we ever cause processing delays of your online or mobile Bill Payments or online or mobile payments to a Chase Loan or Credit Account made from a J.P. Morgan Chase checking account or J.P. Morgan Chase credit card that result in late fees, we will cover 100% of those fees. This guarantee covers everything within our control. Our guarantee does not cover losses, which you cause, or payment processing delays, which are not caused by us or within our control, such as:

- Your failure to make your payment request by the Cutoff Time sufficiently in advance of the Payee's due date for the payment to arrive on time (before the grace period begins)
- Your input errors or errors made by your Payees
- Your failure to notify us of any suspected unauthorized transaction from your From Account, or theft of your user ID or Password within the time periods specified in this Addendum and your account agreement. If you suspect any suspicious activity on your account with us, notify us immediately at 877-CHASEPC (877-242-7372).
- Your failure to follow the procedures or to otherwise fail to use the Bill Payment Service in accordance with the terms of this Addendum.
- Your Payee's change to the Delivery Method resulting in an increase in processing time for your payments or your Payee mishandles or delays processing or posting a payment.

As a precondition to this guarantee, you agree not to enter into any agreements where one of the purposes is to generate late payment fees. The risk of incurring and the responsibility for paying any and all late charges or penalties shall be borne by you in the event you do not follow the procedures or otherwise fail to use the Bill Payment Service in accordance with the terms of this Agreement.

10. ADDITIONAL TERMS APPLICABLE ONLY TO BILL PAYMENTS FOR BUSINESS ACCOUNTS

a. Linking Multiple Accounts – Business and Consumer

You may use Chase Online for Small Business to access eligible accounts. These accounts may include accounts of affiliated, subsidiary, or non-affiliated businesses bearing the same tax identification number which may be added to your business subscription with the agreement of each such business. You may be permitted to link Consumer Accounts to your Online Services profile provided: (i) the authorized signer on the Business Account is also an authorized signer on the Consumer Accounts to be linked and (ii) the Consumer Account information provided during linkage is accurate and can be validated.

b. Liability for Unauthorized Bill Payments for Business Deposit Accounts Only

You are responsible for all Bill Payments that are authorized using your Password. If you permit other persons to use the Bill Payment Service or your Password, you are responsible for any transactions they authorize.

We are not liable to you for any errors or losses you sustain in using the Bill Payment Service except where we fail to exercise ordinary care in processing any transaction. We are also not liable for any failure to provide any service if the account(s) involved is no longer linked for Bill Payments. Our liability in any case shall be limited to the amount of any money improperly transferred from your From Account less any amount, which, even with the exercise of ordinary care, would have been lost.

Without regard to care or lack of care of either you or us, a failure to report to us any unauthorized Bill Payment or error from any of your accounts in accordance with the applicable time frames set forth in your account agreement shall relieve us of any liability for any losses sustained after the expiration of such reporting period and you shall thereafter be precluded from asserting any such claim or error.

c. Errors and Questions about Bill Payments for Business Deposit Accounts Only

In the case of errors or questions about your electronic funds transfers made through Payments and Transfers, please consult your account agreement for details.

Addendum: Chase and J.P. Morgan QuickDeposit for Mobile

Last updated: 9/22/2022

This Addendum governs your use of the Chase and J.P. Morgan QuickDeposit Service as further described below (for purposes of this Addendum, the "**Service**").

1. Chase and J.P. Morgan QuickDeposit Service

- a. In order to enroll in the Service, you must be designated as an authorized signer or owner of a Private Bank deposit account with J.P. Morgan, a Chase checking or savings account, J.P. Morgan Wealth Management investment account and other accounts as we may determine in our sole discretion from time to time (each, an "Eligible Account"). The Service is designed to allow you to make certain deposits to an Eligible Account electronically by using a Chase Mobile or J.P. Morgan Mobile application (as applicable) and capture device (such as a smartphone or other mobile device) to (i) create electronic images of the front and back of an Item by scanning the Item and (ii) transmit it and related data to us or our designated processor for review and processing in accordance with this Addendum. As part of the Service you must use software and hardware provided by or acceptable to us. You are solely responsible for information or data that is transmitted, supplied or key-entered by you, your employees or agents. Before you scan any Item, you shall endorse all Items with your name and the legend "For Electronic Deposit at Chase Only," for Chase customers, or "For Electronic Deposit at J.P. Morgan Only," for J.P. Morgan clients for deposits to bank accounts, or "For Electronic Deposit at JPMS Only" for investment accounts, or as otherwise instructed by us. You agree to follow any and all other procedures and instructions for use of the Service as we may establish from time to time.
- b. As conditions to Chase's and J.P. Morgan's provision of the Service, you shall (i) maintain the Eligible Account(s) in good standing, (ii) subscribe to the Service and (iii) comply with such restrictions on the Service as we may communicate to you from time to time.
- c. You agree that: (i) after the Item has been scanned and submitted for deposit, you shall not otherwise transfer or negotiate the original Item, substitute check or any other image thereof; (ii) you shall be solely responsible for the original Item, including storage, retrieval and destruction; and (iii) the electronic image of the Item or any substitute check, as defined by federal law, will become the legal representation of the Item for all purposes (except for funds availability, see Section 1(g) below), including return items processing.
- d. For bank check deposits, if we receive a scanned Item at or before 11:00 p.m. ET on a Business Day we are open, we will consider that day to be the day of deposit. If we receive a scanned Item after 11:00 p.m. ET or on a weekend or a state or federal bank

holiday, we will consider that the deposit was made on the next business day.

- e. For investment check deposits, if we receive a scanned item at or before 8:00 pm ET on a Business Day we are open, we will consider that day to be the day of deposit. If the client submits the check deposit after 8:00 p.m. ET on a Business Day, the client submits the check deposit before but we review after 8:00 p.m. ET on a Business Day, or the client submits the check deposit on a non-Business Day, we will consider that the deposit was made on the next business day.
- f. You agree that Items submitted using the Service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. Except for deposits to Investment accounts, funds from deposits made via the Service generally will be available for withdrawal by the next Business Day after the day of deposit. However, we may apply additional delays on the availability of funds based on any other factors as determined by us in our sole discretion. For funds availability for deposits to Investment accounts, see Section 1(g).
- g. Investment checks will usually be available for trading between 1 – 3 business days after review. The amount available for trading for J.P. Morgan Self-Directed Investing accounts will be subject to a limit of \$25,000 for clients using the Chase mobile app and \$50,000 for clients using the J.P. Morgan mobile app. All deposits into investment accounts will be subject to a 7 business day withdrawal hold after review.
- h. The maximum amount you may deposit through the Service for bank accounts is \$2,000 per day, or \$5,000 in any rolling thirty (30) day period, unless you are a (i) Chase Private Client, in which case the maximum is \$25,000 per day, or \$100,000 in any rolling thirty (30) day period, or a (ii) client with a J.P. Morgan Private Bank account, in which case the maximum is \$100,000 per day or \$500,000 in any rolling thirty (30) day period. For investment accounts, the maximum deposit amount is \$100,000 in any rolling thirty (30) day period for taxable accounts and for IRAs the maximum for Contribution (as defined by the IRS) is \$6,000 or \$7,000 per year in accordance with IRS guidance and \$500,000 for Rollovers (as defined by the IRS) and Direct Transfers (as defined by the IRS), in any rolling thirty (30) day period. However, we may allow transactions that exceed your limits, and if we do so, we may increase or decrease that amount (but not below the disclosed limits) without notice. We may temporarily reduce your limits below these disclosed limits without notice for security reasons. When you open the Service on your mobile device and select an account, the application will display your current available limit and you may view the maximum amounts we will permit you to deposit daily and on a rolling thirty (30) day basis. We reserve the right to modify the foregoing limits, and/or impose limits on the number of deposits that you transmit using the Service from time to time, and will notify you to the extent required by law. You are responsible for accurately selecting the appropriate IRA, tax year, contribution type and other information and understand that errors may have tax consequences and may not be able to be remediated.
- i. We may, at our discretion, return or refuse to accept all or any part of a deposit to your account using the Service at any time and will not be liable for doing so even if such action causes outstanding checks or other debits to your account to be dishonored and returned.
- j. We do not charge you for using the Service.
- k. All of your deposits using the Service will be reflected on your Chase or J.P. Morgan

account statements, as applicable, and in your online account activity. You will also receive a receipt on your mobile device at the time the deposit is completed through the Service.

2. Item Quality and Processing

The image of an Item transmitted to us using the Service must be legible. If the electronic files and/or images transmitted to us with respect to any Item do not comply with our or our processor's requirements for content and/or format, we may, in our sole discretion:

- further transmit the Item and data in the form received from you;
- repair or attempt to repair the Item or data and then further transmit it;
- process the Item as photocopies in lieu of originals; or
- return the data and Item to you unprocessed and charge back your account.

3. Representations, Warranties, and Covenants of Customer

You represent, warrant, and covenant to us that:

- any image we receive accurately and legibly represents all of the information on the front and back of the original Item as originally drawn;
- the information you transmit to us corresponding to an Item contains a record of all applicable MICR-line information required for a substitute check and the accurate amount of the Item;

Addendum: Fraud Protection Services

(For Business Customers Only)

Last updated: 10/24/2024

This Addendum governs your use of the fraud protection services described below (the **"Fraud Protection Services," "FPS"** or for purposes of this Addendum, the **"Service"**). Except as otherwise set forth in this Addendum (including Section 9 below), all capitalized terms used but not defined herein shall have the meaning set forth in the General Terms and Conditions.

1. Fraud Protection Services

The Services are data matching services comprised of the Positive Pay Service, the Reverse Positive Pay Service, and the ACH Debit Block Service. There is no fee for any of the Fraud Protection Services. These Services are tools that you may select for eligible checking accounts to help you manage and control risks associated with the payment of Items as well as ACH debits presented against your accounts by enabling you to decide which checks are to be paid or returned unpaid as well as which ACH debits are to be allowed or blocked. For each eligible checking account, you may elect to enroll that account in the ACH Debit Block Service and either the Positive Pay Service or the Reverse Positive Pay Service or neither of them; provided, however, that you may not enroll an account in both the Positive Pay Service and the Reverse Positive Pay Service at the same time. When you enroll in either the Positive Pay Service or the Reverse Positive Pay Service, you will no longer receive the original Items with your account statement. When using Fraud Protection Services, it is a best practice to monitor the security dashboard daily for pending transactions.

2. Eligibility

You shall maintain a checking account with us domiciled in the United States and denominated in US Dollars. Not all checking accounts are eligible for the Fraud Protection Services, and we may change eligibility criteria and which checking accounts are eligible for any or all of the Fraud Protection Services at any time. Subject to checking account eligibility, you may also elect to unenroll a checking account from one of the Fraud Protection Services and to enroll that account in the other Fraud Protection Services at any time, but a change in the Fraud Protection Services may result in a gap period during which none of the Fraud Protection Services is available with respect to that account for a few days. You take all responsibility for any liability, loss or damage occurring during or related to that gap period

and to work with us to minimize any liability, loss or damage occurring during or related to that gap period. Your checks must be printed within our guidelines as set forth in the Account Rules and Regulations.

3. Activation

To activate and use the Fraud Protection Services, you must have and maintain one or more deposit accounts with us, and request activation of the Fraud Protection Services by submitting the request on Chase Online for Business. Activation of the Fraud Protection Services is subject to our approval, and we may require you to enter the service activation codes that we may provide to you. The Reverse Positive Pay Service is available for use the next Business Day after activation. The estimated activation date for use of the Positive Pay Service will be within three (3) to seven (7) Business Days after Service enrollment.

Submission of Positive Pay Issuance Information (as defined below) is required for Positive Pay service activation. Positive Pay Issuance Information submitted for Items issued before the activation date and presented to J.P. Morgan Chase for payment before the activation date will not be subject to the Positive Pay Service. Items presented to J.P. Morgan Chase for payment after the activation date will be subject to the Positive Pay Service. The ACH Debit Block Service will be activated within two (2) Business Days upon enrollment. Any changes made to an existing ACH Debit Block Service will be effective within two (2) Business Days after you make the change.

4. The Positive Pay Service

- a. **Issuance Information.** You will provide us, by 8:00 p.m. ET on the day on which you issue Items on a checking account enrolled in the Positive Pay Service, via Chase Online or another mutually agreed upon transmission method, the following issuance information for each Item: (i) account number; (ii) Item serial number (i.e., check number); (iii) dollar amount, and (iv) issue date (collectively, the “**Positive Pay Issuance Information**”). The Positive Pay Service does not compare the Payee name. The Positive Pay Issuance Information provided by you must be exactly as it appears on the Item.
- b. **Discrepancies/Default Decision is Return.**

We will compare the Positive Pay Issuance Information provided by you with the corresponding information contained on the Items presented to us. If Items are presented to us for which we have not received any Positive Pay Issuance Information or containing information different from the Positive Pay Issuance Information for that Item you provided, we will notify you by means of Chase Online or another transmission method selected by us, on the Business Day following the Business Day on which the discrepant Item is presented to us. We will provide you with information about any discrepancy in the account number, Item serial number (i.e., check number), or dollar amount thereof. You may then view the discrepant Item on Chase Online, and shall advise us via Chase Online or another transmission method selected by us by the Positive Pay Service Cutoff Time on that same Business Day whether you authorize that Item for payment (the “**Positive Pay Presentment Decision**”).

We are entitled to rely on any instructions which we receive from you and reasonably

believe to be genuine. In the event that you fail to inform us of your Positive Pay Presentment Decision about any discrepant Item by the Positive Pay Service Cutoff Time, we are authorized to return such discrepant Item, unless otherwise agreed to in writing between you and us, and to charge a returned check fee to your account for such Item or to any of your other accounts.

- c. **Item Payment.** We are authorized to pay any Item drawn on any account enrolled in the Positive Pay Service for which: (i) we receive Positive Pay Issuance Information, provided the Positive Pay Issuance Information matches the corresponding information for the Item, or (ii) the Item is otherwise properly payable. We are not obligated to maintain signature cards for your account and whether or not we do maintain signature cards; in no event shall we be obligated to inspect any check for the presence or authenticity of any signature or whether or not the signature is authorized. You acknowledge and agree that our adherence to these procedures, in lieu of signature examination, shall constitute the exercise of good faith and ordinary care by us in handling Items presented for payment against such account.
- d. **Over the Counter Presentment for Encashment.** We may, without liability to you, refuse to pay any Item presented for encashment at any of our branch locations. If an Item drawn on an account enrolled in the Positive Pay Service is presented for encashment at one of the our branch locations, you authorize us to pay or decline such Item based on the Positive Pay Service information at the teller line. We may charge a person who cashes an Item drawn on your account a fee if that person is not our customer. You agree to unconditionally release, indemnify and hold the J.P. Morgan Chase Indemnified Parties harmless against any and all Losses in connection with any third party claim resulting or arising from an Item being cashed over-the-counter, including our refusal to cash any Item.
- e. **Voided Items or Stop Payments.** You agree to indicate in the Positive Pay Issuance Information that an Item is void with respect to Items that are not in circulation. If you are not in possession of the original Item (or have not otherwise destroyed the original Item while in your possession) and you wish to stop payment for such Item, then you must place a stop payment order for such Item.

5. The Reverse Positive Pay Service.

- a. **Paid Information.** For each Item drawn on an account enrolled in the Reverse Positive Pay Service and presented to us for payment that is in an amount greater than any threshold amount that you may establish, we will notify you, by the Business Day following presentment of the Item, the following information via Chase Online or another mutually agreed transmission method: (i) your account number; (ii) Item serial number; and (iii) dollar amount (collectively, the **"Reverse Positive Pay Information"**). You shall have the responsibility of comparing the Reverse Positive Pay Information with your issuance information for each Item. We shall have no liability for any discrepancy for any Item drawn on an account that is in an amount less than or equal to the threshold amount for that account established by you.
- b. **Discrepancies/Default Decision is "Pay."** If, on the basis of the Reverse Positive Pay Information provided to you, you determine that an Item presented to us should not be

paid, then, you will initiate, by means of Chase Online or another transmission method selected by us, by the Reverse Positive Pay Service Cutoff Time on the Business Day after the Business Day of presentment of an Item to us, a request to return the discrepant Item (the “**Reverse Positive Pay Presentment Decision**”). You shall provide details of any such discrepant Item to us including your account number, Item serial number and dollar amount. We are entitled to rely upon any Reverse Positive Pay Presentment Decision which we receive and which we reasonably believe to be genuine.

Your failure to review our transmission of Reverse Positive Pay Information or failure to initiate a Reverse Positive Pay Presentment Decision by the Reverse Positive Pay Service Cutoff Time for any Item may result in the payment of any such Item unless otherwise agreed to in writing by us.

- c. **Item Payment.** We are authorized to pay any Item drawn on any account enrolled in the Reverse Positive Pay Service for which we provide Reverse Positive Pay Information and do not receive a timely Reverse Positive Pay Presentment Decision. We will return any Item for which a timely Presentment Decision to return an Item is received. We are not obligated to maintain signature cards for your account and whether or not we do maintain signature cards, in no event shall we be obligated to inspect any Item for the presence or authenticity of any signature or whether or not the signature is authorized. You acknowledge that our adherence to these procedures, in lieu of signature examination, shall constitute the exercise of good faith and ordinary care by us in handling Items presented for payment against your account.
- d. **Over-the-Counter Presentment for Encashment.** If an Item on any account enrolled in the Reverse Positive Pay Service is presented for encashment at one of our branch locations, you authorize us to pay the Item as long as we follow our usual and customary over-the-counter encashment procedures (as amended from time to time). We may charge a person who cashes an Item drawn on your account a fee if that person is not our customer. You agree to unconditionally release, indemnify and hold the J.P. Morgan Chase Indemnified Parties harmless against any and all Losses in connection with any third party claim resulting or arising from an Item being cashed over-the-counter, including our refusal to cash any Item. You acknowledge and agree that the Reverse Positive Pay Service may provide little, or no, protection to you with respect to Item presentment over-the-counter for encashment at our branches.

6. ACH Debit Block Service

- a. **Authorized Originators.** Upon enrollment in the ACH Debit Block Service, we will only allow originators that you designate as an Authorized Originator to post ACH debits to account(s) that you enroll. You are solely responsible for providing us with all of the necessary and correct information to add an Authorized Originator, namely, the ACH Company ID, and we will not be liable for any transaction that we block or fail to block based on the information provided by you. You should confirm the ACH Company ID with each intended Authorized Originator before adding them.

When enabled, ACH Debit Block allows you to review and override your existing instructions to block or unblock certain of your ACH transactions being processed. You agree to the following when this feature is enabled and you choose to use it:

- We will present you with information on eligible ACH debits that are attempted to be withdrawn from your enrolled Accounts to enable you to decide on a per transaction basis whether to pay or return each attempted ACH debit. We cannot guarantee that all eligible ACH debits will be presented to you. We have no responsibility for, and shall not be liable to you in connection with, any failure to present such information;
- You must provide your instructions using the interface provided for ACH Debit Block Service by the ACH Debit Block Service Cutoff Time. If you fail to do so, we will process the ACH debit per your general Instruction;
- We are entitled to rely on any Instruction which we receive from you and reasonably believe to be genuine; and
- We are authorized to process an ACH debit in accordance with your existing instructions if you take no action to override your instructions, or your instructions to override are defective or untimely.

The option to review will be automatically enabled for new enrollments but can be disabled on the FPS settings tab. For existing ACH Debit Block enrollments, this feature can be enabled or disabled on the settings tab where available.

IF YOU REMOVE THE ACH DEBIT BLOCK SERVICE FROM ANY ACCOUNT, ANY ORIGINATOR WILL BE ABLE TO POST ACH DEBITS TO THAT ACCOUNT, AS THEY WOULD HAVE BEEN ABLE TO DO BEFORE YOU ENROLLED THAT ACCOUNT IN THE ACH DEBIT BLOCK SERVICE.

- b. **Blocked Originators.** Upon enrollment in the ACH Debit Block Service, we will block all attempts to post ACH debits to your account by all originators not designated as an Authorized Originator. For clarity, any originator not designated as an Authorized Originator by you is a Blocked Originator. To illustrate, the Internal Revenue Service as well as other taxing authorities will be Blocked Originators unless you expressly authorize them as Authorized Originators.
- c. **Transaction Limit.** If you set a Transaction Limit for any Authorized Originator, we will:
 - (i) allow that Authorized Originator to post ACH debits to your account up to the Transaction Limit you set for that Authorized Originator; and (ii) block the full amount of an ACH debit any Authorized Originator attempts to post to your account if the ACH debit is over the applicable Transaction Limit. If you do not set a Transaction Limit for an Authorized Originator, that Authorized Originator may debit your account up to the limit established by the ACH operating rules. You may elect to apply a Transaction Limit for each of the Authorized Originators per enrolled account.
- d. **Transactions Not Affected by Blocking.** This ACH Debit Block Service does not apply to certain transactions. Notwithstanding any of the foregoing, the following types of ACH transactions will not be blocked:
 - Debits to your account to offset any ACH credit entries originated by you through us;
 - Reversals of previously-received ACH credit entries;
 - Returns or reversals by the RDFI of ACH debit entries originated by you through us;
 - Reclamation entries (debits);
 - Debits to your account initiated by us or our agent or affiliate to correct processing

errors, effect back valuations, or make other adjustments, or for fees, charges, or other amounts you owe us or our affiliate;

- Debits to your account that we post pursuant to our internal procedures in order to comply with applicable law, rules, and regulations (including payment system rules or guidance); and
- Debits to your account for any transaction originated before you enrolled in the ACH Debit Block Service.

e. **We may override your ACH debit decisions** and take a different action on your behalf under certain circumstances as listed below.

i. We may override your ACH debit instructions and return certain ACH debits you approve if:

- there are insufficient funds in your Account to cover the ACH debit;
- a stop payment was previously placed on the transaction;
- we determine the transaction must be returned for fraud, risk-management, legal, or regulatory reasons; or
- the Service is unavailable.

ii. We may override your ACH debit instructions and process certain ACH debits you decide to return, including ACH debits we process per our internal procedures, to comply with any legal requirement, payment system rule or guidance.

7. Unavailability of Service/Alternative Service

In the event of a service disruption involving the Digital Platforms, generally, or the Fraud Protection Services, specifically, we may, but shall not be obligated to, extend applicable Cutoff Times, or to fax, email or otherwise send Positive Pay Information and/or Reverse Positive Pay Information to you, and we may, but shall not be obligated to, designate alternative procedures for utilization of the Fraud Protection Services and for us to receive Positive Pay Issuance Information, Positive Pay Presentment Decisions, and Reverse Positive Pay Presentment Decisions. You should call Chase Online Customer Service at 877-CHASEPC (877-242-7372) with any question or concern, or if the Fraud Protection Services are unavailable.

Notwithstanding anything to the contrary contained in this Section: (a) if we do not receive any Positive Pay Presentment Decision about any discrepant Item by the Positive Pay Service Cutoff Time, we may return such discrepant Item, and (b) if we do not receive any Reverse Positive Pay Presentment Decision with respect to any Item by the Reverse Positive Pay Service Cutoff Time, we may pay any such Item.

8. Disclaimer

Addendum: Gifting Service

Last updated: 10/04/2021

This Addendum governs your use of the Gifting Service (as defined below).

1. You may use your eligible From Account to buy a digital merchant gift card ("**Gift Card**") to send to another J.P. Morgan Chase customer, as well as anyone you know residing in the United States (the "**Gifting Service**"). Eligible accounts for this service are currently certain J.P. Morgan Chase checking accounts. We have the right to determine eligibility and to restrict categories of accounts and recipients to whom Gift Cards can be sent using the Gifting Service in our sole discretion.
2. You cannot buy a physical gift card through the Gifting Service.
3. We provide the Gifting Service through an arrangement with our gift card service provider or the merchant that accepts the Gift Card and the merchant's vendor. We have the right to determine eligibility and to restrict categories of merchants from whom Gift Cards can be purchased using the Gifting Service in our sole discretion.
4. We do not sell or issue the Gift Cards. When you buy a Gift Card through the Gifting Service, you are purchasing a Gift Card from the merchant or its vendor that can only be used with that merchant. We are not responsible for any damage or harm to you or any

third party resulting from the purchase of a Gift Card through the Gifting Service. We do not warrant the availability or functionality of a Gift Card purchased through the Gifting Service.

5. To buy a Gift Card, you must enter the Gift Card amount, the Send On Date, and the recipient's email address or other information as we may require. The email address must belong to the intended recipient residing in the United States. You should only use the Gifting Service to send Gift Cards to people that you know. Please make sure you accurately enter the recipient's email address since your obligation to pay for the Gift Card will not be excused by an error in the information you enter. Both we and a merchant may limit the amount of a Gift Card you can purchase. You acknowledge and agree that the Gift Card purchase will be completed using only the email address you provided for the recipient, even if it identifies a person different from your intended recipient. The name you enter will help you identify your intended recipient and the purchase in your transaction history but will not be used to process the Gift Card purchase or to validate that the intended recipient owns or has authorized access to the email address you entered.
6. We will not process your payment for the Gift Card if you do not have sufficient funds in your designated From Account on the Send On Date or at the time the transaction is initiated for Current Day purchases of Gift Cards. If sufficient funds are not in the From Account on the Send On Date or at the time the transaction is initiated for Current Day purchases, the Gift Card transaction will fail and we will not make repeat attempts to debit the applicable account.
7. We will share your Gift Card information including recipient's information with our gift card service provider or the merchant, who will share the information with their vendor. Our gift card service provider or the merchant and the merchant's vendor are responsible for delivering the Gift Card to the person you choose and to the email address or other contact information you provided. If your payment for the Gift Card is successful, you authorize us to withdraw and transfer money from your From Account in the amount of the Gift Card immediately or on the Send On Date, as applicable, to pay our gift card service provider or the merchant.
8. Gift Cards can be purchased in amounts of up to \$100 per transaction with a maximum of \$1,000 per day, and \$5,000 in any calendar month, in the aggregate from all your combined accounts registered with the Gifting Service. All limits are subject to temporary reductions to protect the security of customer accounts and/or our processing systems. At our discretion we may refuse to process any transaction that exceeds any of the limits. In this case, you are responsible for making alternate arrangements or rescheduling the Gift Card purchase.
9. We are not responsible for any acts or omissions by our gift card service provider or the merchant or their vendor.
10. A Gift Card is subject to terms and conditions imposed by the merchant that accepts the Gift Card and the merchant's vendor. We do not control the terms of a Gift Card purchased through the Gifting Service. Nothing in those terms and conditions limits our rights or your obligations under any agreement between you and us. We do not provide Gift Card support services related to issues arising after the issuance of the Gift Card. You must contact our gift card service provider or the merchant or their vendor to resolve issues related to a Gift Card arising after issuance of the Gift Card.

11. We do not charge a monthly service fee for you to use the Gifting Service. However, if we process a payment in accordance with your Instructions that overdraws your From Account with us or exceeds your J.P. Morgan Chase credit card limit, we may assess a fee or charge interest in accordance with the terms of your account agreement or other applicable agreement. Fees are subject to change from time to time upon notice to you as may be required by law.
12. You may not edit or cancel a pending or processed Gift Card, but you may cancel any Future Dated Gift Cards up until the Send On Date.
13. Gift Cards cannot be returned, refunded, replaced, or redeemed for cash.
14. Gift Cards may only be sent to a recipient in the United States and may only be redeemed within the United States.

Addendum:

Online Wire Transfer and Chase Global Transfer Services

Last updated: 05/08/2025

This Addendum governs your use of the Online Wire Transfer and Chase Global Transfer Services (referred to as "**Funds Transfer Services**" or "**FTS**" or for purposes of this Addendum, the "**Services**") including what you can expect from us and the security

procedures we will take when you use the Funds Transfer Services.

1. Protect Yourself Against Wire Scams

Only wire money to people you know or recipients you have verified. Be aware of wire scams, because once the wire is sent, you may not be able to recover your money.

Know the signs of a scam. The requestor:

- Sends you wire instructions via email (ex. loan closing – always verify details by phone)
- Contacts you unexpectedly
- Claims there is an emergency
- Pressures you into paying immediately
- Only accepts payments via wire, gift cards, or crypto currency
- Tells you to “keep it secret” or instructs you “how to answer questions at the bank”
- Makes an offer or opportunity that sounds too good to be true
- Asks for your personal information

Known Common Wire Scams:

- Imposter: “I’m with the IRS, and you owe back taxes. If not paid immediately, a lawsuit will be filed against you.”
- Romance / New Friend: “I want to meet you in person, but I can’t afford to travel. Can you send me money?”
- Family Emergency: “Grandma, I’m in trouble – I need money fast.”
- Lottery Winnings: “Congratulations! You’ve won the lottery! We will need to collect taxes prior to your payment.”
- Investment Opportunity: “This is a once-in-a-lifetime opportunity with a big payout!”
- Tech Support: “We’ve detected malware on your computer. Let’s get that fixed for you for a small fee.”

2. Service

The following types of funds transfers, when completed using our Online Services or Mobile Services, are governed by this Addendum:

- Domestic Funds Transfer:** A funds transfer sent to a bank within the United States, including its territories.
- International Funds Transfer:** A funds transfer sent in either U.S. or foreign currencies, including using our Chase Global Transfer service, to a bank outside the United States.
 - **Consumer International Funds Transfer:** A funds transfer that is sent by a natural person in the United States to transfer funds to a beneficiary in a foreign country for personal, family, or household purposes.

By accepting and using FTS you agree to these terms and conditions and authorize us to provide you Domestic Funds Transfers or International Funds Transfers using our

Online Services or Mobile Services. All other payments or transfers available through Online Services or Mobile Services are subject to terms and conditions separate from this Addendum.

3. Security Procedures

These security procedures are only to help prevent unauthorized access to your account. You must be an active Online Services and/or Mobile Services user with a valid user ID and Password to use FTS. You should not discuss or disclose your online user ID and Password, your one-time code, or any other information that we may use to confirm your identity with any person regardless if they have access to your accounts.

You acknowledge that we offer funds transfer services in person at our branches that provide a higher level of security for your accounts, and you can use this option instead. You acknowledge the security procedures for FTS are a commercially reasonable method of verifying your funds transfer. You are responsible for any funds transfer issued in your name using these security procedures, whether or not you actually authorized the transfer. You are required to activate FTS prior to using this service. Prior to scheduling a transfer, you must establish a recipient and the financial institution that holds the recipient account. When you use this service, you will authenticate with a username and password and may, from time to time, be asked to complete additional authentication steps like security questions, one-time codes, and other methods of authentication.

We may impose stricter security procedures for any particular funds transfer you make under this service, but we have no obligation to do so. If we choose to impose the stricter security procedures, we will not be liable to you for any delays or losses, and we will not be obligated to impose such security procedures in the future.

Using trusted devices

To help protect your account, we may require that you use a trusted device when you send certain wire transfers (including Chase Global Transfers) using our Online Services or Mobile Services. If we prompt you to use a trusted device for your wire transfer and you do not do so, we will prevent you from adding your wire recipient and/or initiating your wire transfer until you enroll and use a trusted device. **Not all wire transfers will be impacted. You may continue to send wire transfers from a Chase branch or J.P. Morgan Financial Center without enrolling or using a trusted device.**

A trusted device is an eligible device that has been successfully enrolled with us based on specific criteria regarding qualifying eligible devices, authentication methods, and types of identification required. We will establish, and may modify from time to time, in our sole discretion, the applicable criteria to become a trusted device, including when requiring previously trusted devices to reestablish trust. Not all devices will be eligible to become a trusted device. A mobile smartphone device with a current operating system that we support (such as iOS or Android) is an eligible device; currently, tablets, laptops and personal or desktop computers are not. We may require you to establish your identity by taking certain actions, which may include, but is not limited to, one or more of the following: take a photo,

upload, provide or scan a copy of your acceptable form of identification (e.g., driver's license, state ID), enter information from your Chase debit card (e.g. CVV), tap your debit or credit card, or authenticate using a token or biometrics (e.g., self-photo) during the process of making your eligible device a trusted device. Your identification will be stored or retained only to the extent permitted by applicable law and will be used as permitted under our privacy policy.

4. Processing, Canceling, Delays and Notifications of Funds Transfers

- a. Processing: We'll start processing your funds transfer the same Business Day if we receive it and complete our security procedures before the cutoff times we establish. In order to complete our processing before the cutoff times we establish, we need to finish any secondary internal reviews and you must have available funds in the deposit account you designated in your Instructions. We are not obligated to accept or process funds transfers that exceed your daily limit, which may change over time. All of the funds transfers sent from all your accounts within your user ID before the established cutoff time for each Business Day will count towards your daily limit. If you need to initiate a funds transfer in excess of your limit, visit any Chase branch or J.P. Morgan Financial Center.
- b. Canceling: You have the right to cancel Consumer International Funds Transfers at no cost to you within thirty (30) minutes after you have authorized us to send it. Please see the section Consumer International Funds Transfers for more information on canceling Consumer International Funds Transfers. For all other funds transfers, once you have submitted a funds transfer for the current Business Day, you cannot cancel it after we've begun processing, but you may request us to attempt to return the funds to you. If the recipient's bank agrees, your funds may be returned to you, but likely not the full amount that was originally sent. We will not automatically cancel your funds transfer due to the transfer being delayed by more than five business days; if we do cancel your funds transfer we'll notify you.
- c. Modifying: Once a funds transfer has begun processing, we will not be able to change any type of funds transfer requests unless the recipient's bank agrees. If the recipient's bank declines to change the funds transfer request, you will be responsible for the transfer you initially requested.
- d. Internal Review: All scheduled funds transfer requests are subject to an internal review, which includes the recipient, and may not be approved. In addition, we may need to contact you to verify information about your funds transfer during that internal review. During our internal review, we may subtract funds from your account or place a hold on your account and it may result in processing delays. Once we have released the funds transfer, the recipient's bank may delay credit to the recipient due to their own internal review processes.
- e. Notifications: We will update Wire Payment activity page in the Chase mobile application and [chase.com](https://www.chase.com) or jpmorganonline.com regarding the status of your wire transfer. We may also send you an email notification or Chase Secure Message Center message on the status of your funds transfer. If we send you an email we will use an email address you have provided. We may also call you or send you an SMS message on the status of your funds transfer. If we send you an SMS message, we will use a mobile number you

have provided. We may also notify you verbally of the status of your transfer, but we are not required to do so. Any status information we provide reflects only the status of us processing your wire transfer and does not indicate the status of your wire transfer outside of our systems. For example, when we complete processing your wire transfer that does not necessarily mean it has been credited to your recipient. If you do not have an email address on file, if the email is returned undeliverable, or we are unable to send an email due to system failures or outages beyond our reasonable control, it is your responsibility to monitor your account for the status of your funds transfer. You may use chase.com or jpmorganonline.com, the Chase mobile application or contact us at a Chase branch or J.P. Morgan Financial Center or call center for the status of your transfer. These notification methods are deemed to be commercially reasonable. Any other information we may provide upon successfully scheduling a transfer is only an indication that we've received your request and not an indication that we've accepted your transfer.

5. Identifying Number

We or any other bank involved in the funds transfer will complete your funds transfer request using the account number or bank identification number you provide, even if the numbers do not match the recipient's or bank's name. ***If you provided us an incorrect account number for the recipient or an incorrect routing or identification number for the recipient's bank, you could lose the amount of the transfer.***

6. Repeating and Future Dated Funds Transfers

You may request a future dated (one-time) or repeating funds transfer to an established recipient from your account, except for Consumer International Funds Transfers. It is your responsibility to update or change any monthly payments details.

Repeating funds transfers will begin processing on the same calendar day that you established it unless the calendar day is a non-Business Day, and then it will begin processing on the prior Business Day.

You may cancel a future dated or repeating funds transfer before 11:59 p.m. ET (8:59 p.m. Pacific Time) the calendar day before the funds transfer is scheduled to begin processing, either via our Online Services, Mobile Services or by contacting us.

7. Foreign Exchange Transfer

It is our discretion in which foreign currencies we will send fund transfers, and these can change at any time. If you send a funds transfer in a foreign currency, you authorize us to subtract the amount from your account at the exchange rate we offered at the time you requested it. The foreign exchange rates we use are determined by us in our sole discretion.

We may make a commission providing foreign currency exchange services to you. You should expect that these foreign exchange rates will be less favorable than rates quoted online or in publications. The exchange rate may vary among customers depending on your relationship,

products with us, or the type of transaction being conducted, the dollar amount, type of currency, and the date and the time of the exchange. If we complete a foreign currency exchange on your behalf, such as exchanging a foreign currency incoming wire transfer into U.S. dollars, we may apply a rate we have established without prior notice to you.

If you send a repeating or future dated funds transfer in a foreign currency, you authorize us to deduct the amount from your account using the foreign exchange rate we offer on the date we start processing your funds transfer and you agree you are not entering into a foreign currency forward or futures contract with us.

If your initial request is returned, cancelled or changed, and if you request a new funds transfer, the current exchange rate at the time of the new transaction will apply. If the funds are returned or payment cannot be made for any reason, we will not be liable for more than the amount of the funds transfer at our exchange rate at the time we return the funds to you, less charges taken by any other bank involved in the funds transfer. However, if you requested a Consumer International Funds Transfer additional rights may apply. If you cancel a funds transfer request, other than a cancellation of a Consumer International Funds Transfer within thirty (30) minutes after you authorized us to send it, and it causes a loss or cost to us, we may subtract funds from your account to cover these losses.

If the funds transfer is not in the currency of the recipient's account, the recipient's bank or another processing bank may reject the funds transfer or convert it. If converted, you agree the funds transfer may be converted to a different currency at their exchange rate and may subtract additional fees.

8. Fees and Payment Route

We may charge a fee when you use FTS based on your account agreement or fee schedule in effect when the wire is sent from your account, or for certain business accounts, based on the terms in effect when your next available account analysis is performed. Financial institutions may deduct processing fees and/or charges from the amount of the wire transfer. Any deductions taken by us, and our affiliates, may include processing fees charged by Chase. You are responsible for all fees and taxes, including our fees and any fees charged by other funds transfer systems or banks involved in the transfer.

We may use any funds transfer system we believe reasonable to complete your request, regardless of any instructions you might give us. If we also are the recipient's bank, we may complete your request using an internal transfer, and assess a wire transfer fee.

9. Funds Transfer System Rules and Laws

The use of this service is subject to all applicable U.S. federal and state laws, regulations, rules and funds transfer arrangements, including the respective state's Uniform Commercial Code Article 4A, as may be applicable, which, in the event of a conflict with this Agreement, will govern. All of your funds transfers must comply with U.S. laws, including the regulations and economic sanctions administered by the U.S. Treasury Department's Office of Foreign Asset Control and other applicable laws.

If you make a Consumer International Funds Transfer, it is also subject to additional federal laws and regulations.

10. Failure to Perform; Limitation of Liability

We are only responsible for performing the services specified in this Agreement. Except as otherwise agreed in writing, we are liable only for damages required to be paid as provided under UCC 4A or, to the extent applicable Regulation E, subpart B. Except as required by Regulation E, subpart B, as applicable, we will not be responsible for the acts or omissions of any other person or entity, including but not limited to any processor, any country's central bank, or any other financial institution, and no such person or entity will be deemed our agent. We will not be liable for the failure or delay of any funds transfer or for failing to meet other obligations in the Agreement because of circumstances or causes beyond our control, including governmental, legal or regulatory restrictions or prohibitions, third party actions, natural disasters, equipment or system failures, labor disputes, wars or riots. IN NO EVENT SHALL WE HAVE ANY LIABILITY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11. Contact Us in the Event of an Error

We will not be responsible for any delays in payment or additional fees caused by your failure to promptly notify us. You will exercise ordinary care to determine whether a funds transfer request we accepted and subtracted from your account was either in error or not authorized. Except for any Consumer International Funds Transfer, in the event of an error or unauthorized funds transfer, you agree to notify us within 30 days after we mail a statement reflecting the transfer or otherwise make such a statement available (for example, paperless statements). You agree that we are entitled to retain payment for a funds transfer unless you notify us within this 30-day period. For additional terms governing Consumer International Funds Transfers, please see the section Consumer International Funds Transfers.

12. Consumer International Funds Transfers

- a. This section contains additional terms applicable only to Consumer International Funds Transfers. This section does not apply to any funds transfer request for delivery to a beneficiary in the United States, to any funds transfer request initiated by a non-consumer, or to any funds transfer request initiated by a consumer for any non-personal, non-family, or non-household purposes. In the event of a conflict between a provision in this section and a provision in the rest of this Agreement, or in the agreement governing your funding account, the provision in this section will control with respect to Consumer International Funds Transfers.
- b. Prior to sending a Consumer International Funds Transfer, we will provide you with certain important disclosures regarding your transaction including, to the extent applicable: the amount that will be transferred to the beneficiary, the amount and description of any fees and taxes imposed by us, the total amount of the transaction, the exchange rate to be used if applicable, the amount of currency to be transferred, the amount and description of any fees imposed by intermediaries or our agents, and

the amount that will be received by the beneficiary. In addition to the items above you will also be provided the date the funds are to be made available to the beneficiary, error resolution and cancellation right information and other disclosures. This will be provided either at the time you authorize the funds transfer or on a receipt provided after you've authorized your transaction.

- c. Except as otherwise agreed in writing, we are liable only for damages required to be paid as provided under Regulation E, subpart B or, to the extent applicable, UCC 4A. Except as required by Regulation E, subpart B, we will not be responsible for the acts or omissions of any other person or entity, including but not limited to any processor, any country's central bank, or any other financial institution, and no such person or entity will be deemed our agent. We will not be liable for the failure or delay of any funds transfer or for failing to meet other obligations in the Agreement because of circumstances or causes beyond our control, including governmental, legal or regulatory restrictions or prohibitions, third party actions, natural disasters, equipment or system failures, labor disputes, wars or riots. IN NO EVENT SHALL WE HAVE ANY LIABILITY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- d. You have the right to cancel Consumer International Funds Transfers at no cost to you within 30 minutes after you have authorized us to send it. Please refer to the disclosure we provided to you at the time you authorized the Consumer International Funds Transfer on how to cancel.
- e. If you think there has been an error or problem with your Consumer International Funds Transfer, call us at 1-855-536-1269, visit a Chase branch or J.P. Morgan Financial Center, or send an account inquiry via Secure Message Center on chase.com or jpmorganonline.com. You must contact us within 180 days of the date we disclosed to you that funds would be made available to the recipient. When you do, please tell us:
 - Your name and address;
 - The error or problem with the transfer, and why you believe it is an error or problem;
 - The name of the recipient, and if you know it, their telephone number or address;
 - The dollar amount of the transfer; or
 - The confirmation code or number of the transaction

We will determine whether an error occurred within 90 days after you contact us and we will correct any error promptly. We will tell you the results within three business days after completing our investigation and will advise you of any remedies that may be available to you. If no response is received, we will refund your account for the applicable remedies. If we decide that there was no error, we will send you a written explanation. You may ask for copies of any documents we used in our investigation.

Addendum: PayPal Provisioning Platform Terms

Last updated: 10/04/2021

This Addendum contains the PayPal Provisioning Platform Terms ("**Terms**") that govern your provisioning of any eligible Card (each, a "**Chase P3 Card**") for use on the PayPal Provisioning Platform ("**P3**"). When we use the word "merchant" in this Addendum, it also includes retailers.

1. Service Description

P3: (a) allows the electronic storing of your Chase P3 Card information, which we sometimes refer to as adding a Chase P3 Card to or provisioning a Chase P3 Card for use with P3, (b) allows you to use such stored, eligible Chase P3 Cards to enter into transactions with merchants using P3, and (c) allows other services that are described in these Terms or that we may offer from time to time. You may add or provision any or all your eligible Chase P3 Cards (e.g., those you have now and those you obtain or open in the future) onto P3, and you may also remove them, as described below. Each Chase P3 Card may be used as the payment source for your P3 transactions with merchants. When you add one or more Chase P3 Cards onto P3, you may select any one of them to be the default card. When you use P3, you request us to provide the merchant, the applicable payment network (such as Visa), PayPal, and others (such as a payment processing entity or a token service provider) your selected Chase P3 Card information, including the full account number, and other information that's associated with the selected Chase P3 Card, to allow your transaction to be completed and/or to facilitate your participation in customer benefit programs such as loyalty and rewards programs to the extent maintained by us or those third parties. Transactions conducted using a Chase P3 Card are subject to the same rights and obligations as stated in the applicable cardmember agreement or account agreement that governs the Chase P3 Card.

2. P3 Information

You agree that any information you provide to us to use P3 will be complete and accurate. You will keep any passwords, PINs and/or user IDs that enable you to access P3 ("**P3 Credentials**") confidential. If you disclose your P3 Credentials to any person(s) or entity, you

are authorizing that person or entity to transact on your behalf as if they were an authorized user of your Chase P3 Cards, and you assume all risks and losses associated with such disclosure. If you permit any other person(s) or entity to access or use your P3 Credentials, you are authorizing any transactions and activities performed by them. Notify us immediately if any of your P3 Credentials is lost, stolen, forgotten, or compromised.

3. Transaction History

You agree and acknowledge that the transaction history for P3 solely represents our authorization of your P3 transactions and may not reflect any post-authorization activity, including clearing, settlement, foreign currency exchange, reversals, returns or chargebacks. Accordingly, the purchase amount, currency, and other details for your P3 transaction history in connection with use of your Chase P3 Card may be preliminary and may not match the transaction amount that ultimately clears, settles, and posts to your Chase P3 Card's billing or monthly statement.

4. Eligibility and Removal of Chase P3 Cards

Only Chase P3 Cards that we determine are eligible can be added to or provisioned for use with P3. If your credit card, debit card, prepaid card, or other card or underlying account is not in good standing, that credit card, debit card, prepaid card, or other card will not be eligible to be added to or provisioned for use with P3. We may determine other eligibility criteria in our sole discretion. We can also remove your Chase P3 Card from P3 at any time, or otherwise block, restrict or suspend your access to or use of any Chase P3 Card or P3 at any time and for any reason. These reasons may include, but are not limited to, suspected fraud or illegal activity or unauthorized or improper conduct. You can also remove one or more of your Chase P3 Cards from P3 at any time through chase.com, the Chase Mobile® app, paypal.com, or PayPal's app.

5. Your Chase P3 Card Terms Do Not Change

When a Chase P3 Card is added or provisioned onto P3, the terms and the agreement that govern your Chase P3 Card do not change. The applicable cardmember agreement or account agreement that governs the Chase P3 Card, as amended from time to time, is incorporated by reference as part of these Terms. Please review those agreements, as applicable, for important information on your rights and responsibilities when making purchases through P3. P3 provides another way for you to make purchases or other transactions with the Chase P3 Card. P3 may also allow you to access certain features of a Chase P3 Card, or the rewards programs associated with that Chase P3 Card, such as the ability to pay with points. For avoidance of doubt, in that case, these Terms, the cardmember agreement or account agreement that governs the Chase P3 Card, and any rewards program agreement, will apply. For the avoidance of doubt, in that case, these Terms cover only those elements not governed by the cardmember agreement or account agreement that governs the Chase P3 Card, and any rewards program agreement.

6. J.P. Morgan Chase Is Not Responsible for Third Parties

Using P3 may depend on your relationship with other third parties. We are not responsible for any aspect of those relationships, or for the performance or non-performance of these third parties. Our role is limited to providing information to a merchant, the applicable payment network (such as Visa), PayPal, and/or others (such as a payment processing entity or a token service provider) to allow that party to honor your Chase P3 Card and/or to facilitate customer participation in customer benefit programs such as loyalty and rewards programs to the extent maintained by those third parties. Transactions between you and a merchant are governed by the merchant's terms and conditions.

7. Access and License

You may not, and will not allow or cause any third party to do the following: (a) use P3 in connection with any fraudulent or illegal conduct, transaction or business, as determined by us in our sole discretion; or (b) act as a payment intermediary, aggregator or service bureau yourself or on behalf of any third party, including, without limitation, handling, processing or transmitting funds for any third party.

8. Merchant Offers

Through your enrollment in P3 or required Systems, you may be presented with certain discounts, rebates or other benefits and offers ("**Offers**") from merchants that may be of interest to you. In order to use these Offers, you may be required to register with the merchant or service provider, which may include providing personal information and agreeing to additional terms of use. Offers from merchants may not always be available and may change without notice. We, or any merchant, may provide you with additional terms, conditions or disclosures related to these Offers. We will not be liable for any loss or damage as a result of any interaction between you and a merchant with respect to such Offers. Subject to applicable law and your cardmember agreement or the account agreement that governs your Chase P3 Card, all matters related to these Offers, including delivery of goods and services, returns, and warranties, are solely between you and the applicable merchants. You acknowledge that we do not endorse or warrant the merchants that are accessible through P3 or the Offers that they provide.

9. Privacy

Your privacy and the security of your information are important to us. Our online privacy policy and, where appropriate, our U.S. consumer privacy notice, as amended from time to time (available online at chase.com), applies to your use of P3 and your Chase P3 Card. You agree that we may collect, use and share your personal information in accordance with each of the online privacy policy and the U.S. consumer privacy notice, and to provide the services you have requested, including to add or include your Chase P3 Card and to maintain P3. Our sharing of your information may include providing a merchant, the applicable payment network (such as Visa), a Third Party Wallet provider, PayPal, and others (such as a payment processing entity or a token service provider) your name, full account number, card expiration date, email address, phone number, billing address, and shipping address as required to complete a purchase using P3, and/or to facilitate customer participation in

customer benefit programs such as loyalty and rewards programs to the extent maintained by those third parties. We can also share your information in order to make information available to you about your Chase P3 Card transactions, and to improve our ability to offer these services. Once we share your information with a merchant, Third Party Wallet provider, PayPal, or such other third party, you agree that the merchant or such other third party, and not J.P. Morgan Chase, is responsible for the security and use of your information, and that your data will be subject to their privacy policies. You acknowledge that the use and disclosure of any personal information provided by you directly to the payment network (such as Visa) or other third parties will be governed by such party's privacy policy and not our online privacy policy or privacy notice.

This Addendum governs your use of the service that allows you to send or receive payments to other Persons (the “**Real-Time Payments Service**” or for purposes of this Addendum, the “**Service**”). By sending payments or receiving payments through the Real-Time Payments Service, you agree that you accept and will comply with the terms and conditions set forth in this Agreement. If you wish to return a payment received through the Real-Time Payments Service, you must contact us at 877-CHASEPC (877-242-7372) (J.P. Morgan Online clients only, call 877-840-0723). For Consumer Accounts, please see your deposit account agreement for important information about your rights and obligations regarding liability for activity on your account.

1. About the Real-Time Payments Service

The Real-Time Payments Service enables you to send payments to and receive payments from Persons that bank with a financial institution that participates in the Real-Time Payments System, including JPMC (each a “**Service Participant**”), which includes the ability to send payments to your accounts with other Service Participants. In addition, if enabled by us, you can use the Real-Time Payments Service to receive requests for payment from Persons that bank with Service Participants and to send requests for payment to Persons that bank with Service Participants. The Real-Time Payments service also includes “**Real-Time Payments Service for Vendors and Employees**”, which is a service that allows you to send payments to your vendors and/or employees, but only if you have a Business Account and are enrolled in ACH Payments Services.

2. Sending Funds

You may initiate a payment from a Sender to a Receiver through the Real-Time Payments Service (a “**Service Transfer**”) by submitting a request (a “**Service Transfer Request**”) through Chase Online, Chase Mobile®, Chase Business Online, J.P. Morgan Online, J.P. Morgan Mobile, or such other Digital Platforms as we may make available from time to time. When you submit a Service Transfer Request, you will be required to provide Receiver Addressing Information for the Receiver and the amount of funds that the Sender directs the Sending Financial Institution to transfer to the Receiver (the “**Service Transfer Amount**”). By submitting a Service Transfer Request, you represent and warrant that the Service Transfer complies with these Terms.

By submitting a Service Transfer Request, you irrevocably and unconditionally authorize us to deduct the Payment Amount from your account. We may deduct this amount immediately upon receipt of your submission of the Service Transfer Request. For purposes of this Addendum, “**Payment Amount**” refers to the Service Transfer Amount plus any fees payable by you to us in conjunction with the applicable Service Transfer.

You may not send through the Real-Time Payments Service more than: (a) \$5,000.00 in a single transaction, \$10,000.00 in one day, or \$50,000.00 in one month from a **Consumer Account** except as set forth in Section 6 below for payments sent in response to requests for payment; (b) \$25,000.00 in a single transaction or your currently applicable daily transfers limit (with no monthly limit) from a **Business Account**; or (c) \$10,000.00 in a single transaction or \$20,000.00 in one day (with no monthly limit) from a **Private Banking Account**. We may establish lower transaction limits for you and may block any attempted Service Transfer that exceeds the limit(s). We may adjust the limits at any time in our sole discretion. We will notify you of such adjustments.

3. Risks Associated with the Real-Time Payments Service

There are risks associated with using the Real-Time Payments Service. Service Transfers are irrevocable and cannot be reversed. You should only use the Real-Time Payments Service to make payments to Persons that you know. If you receive a request for payment through the Real-Time Payments Service, you should verify that the request relates to a payment you were expecting to make to the Person who requested payment. If a request for payment that you receive through the Real-Time Payments Service does not relate to a payment you were expecting to make to the Person who requested payment, please notify us at 877-CHASEPC (877-242-7372) (J.P. Morgan Online clients only, call 877-840-0723). If a Person contacts you outside of the Real-Time Payments Service and asks for payment, you should verify the identity, legitimacy and contact information of the requestor and the amount of the payment prior to submitting a Service Transfer Request. **If you send payment to a Person that you do not know, or you do not verify the identity and legitimacy of Persons who contact you and ask for payment, you may lose the full amount of your payment.**

We do not provide buyer protection with respect to Service Transfers. That means that you cannot reverse or dispute a Service Transfer on the basis that you are dissatisfied with the goods or services provided by the Receiver; because the Receiver has failed to deliver goods or perform services, whether at all or in a timely manner; or because you wish to return purchased goods or cancel a pre-paid service.

The Real-Time Payments Service does enable you to request that a Receiver return funds to you, but the Receiver is not obligated to return the funds. This includes circumstances in which the incorrect amount of funds was transferred because you entered the incorrect Service Transfer Amount or funds were sent to someone other than your intended Receiver because you incorrectly entered the Receiver Addressing Information or the Receiver Addressing Information you entered was associated with someone other than your intended Receiver. If you wish to request that a Receiver return funds that you sent through the Real-Time Payments Service (a **"Return Request"**), please notify us at 877-CHASEPC (877-242-7372) (J.P. Morgan Online clients only, call 877-840-0723). Our sole obligation is to transmit the Return Request to the Receiving Financial Institution through the Real-Time Payments Service. We cannot guarantee that funds will be returned in whole or in part and shall have no obligation to make any effort to recover such funds beyond the transmission of the Return Request. For purposes of this Addendum, **"Receiving Financial Institution"** refers to us, when you are the Receiver, and the Receiver's financial institution, when you are the Sender.

Any dispute between you and a Receiver must be resolved directly between you and the Receiver. We have no responsibility for, and shall not be liable to you in connection with, any dispute between you and a Receiver.

By submitting a Service Transfer Request, you irrevocably and unconditionally authorize us to initiate a payment using the Receiver Addressing Information. Based on information available to us, we will provide you the Receiver name associated with the Receiver Addressing Information. **HOWEVER, WE MAKE NO REPRESENTATION THAT THE INFORMATION AVAILABLE TO US IS CORRECT, AND YOU ARE RESPONSIBLE FOR VERIFYING THAT THE RECEIVER ADDRESSING INFORMATION IS ACCURATE AND COMPLETE, THAT SUCH INFORMATION IS ASSOCIATED WITH YOUR INTENDED RECEIVER, AND THAT THE AMOUNT OF THE PAYMENT IS CORRECT PRIOR TO SUBMITTING A SERVICE TRANSFER REQUEST. YOU ACKNOWLEDGE AND AGREE THAT WE HAVE NO OBLIGATION TO VERIFY THE ACCURACY OR COMPLETENESS OF THE RECEIVER ADDRESSING INFORMATION OR THAT THE RECEIVER ADDRESSING INFORMATION IS ASSOCIATED WITH YOUR INTENDED RECEIVER. EXCEPT AS OTHERWISE REQUIRED BY STATE OR FEDERAL LAW, OUR SOLE OBLIGATION SHALL BE TO INITIATE A PAYMENT THROUGH THE REAL-TIME PAYMENTS SERVICE IN THE SERVICE TRANSFER AMOUNT INDICATED BY YOU USING THE RECEIVER ADDRESSING INFORMATION PROVIDED BY YOU. EXCEPT AS OTHERWISE REQUIRED BY STATE OR FEDERAL LAW, WE SHALL HAVE NO LIABILITY TO YOU WITH RESPECT TO ANY LOSS THAT YOU EXPERIENCE DUE TO THE INACCURACY OR INCOMPLETENESS OF SUCH RECEIVER ADDRESSING INFORMATION, THE FAILURE OF SUCH INFORMATION TO BE ASSOCIATED WITH YOUR INTENDED RECEIVER, OR YOUR FAILURE TO CORRECTLY ENTER THE RECEIVER ADDRESSING INFORMATION OR THE SERVICE TRANSFER AMOUNT.**

4. Receiving Payments

You are not obligated to accept a payment that is sent to you through the Real-Time Payments Service. If you wish to reject a payment sent to you through the Real-Time Payments Service, please contact us at 877-CHASEPC (877-242-7372) (J.P. Morgan Online clients only, call 877-840-0723).

A Sender may request a return of funds sent through the Real-Time Payments Service. If we receive a return request, we will contact you.

5. Fees

Except as set forth below, we do not charge a fee to use the Real-Time Payments Service.

The fee for sending a payment using Real-Time Payments Service for Vendors and Employees will be the lesser of \$25 or 1% of the total Payment Amount; provided, however, that this amount may vary if you are also a Private Banking customer.

6. Requests for Payment

If enabled, you may use the Real-Time Payments Service to submit requests for payment, or make payments in response to requests for payment, subject to the following terms:

- You may not send more than \$25,000 for a single transaction or more than \$50,000 per day for payments sent in response to a request for payment from a **Consumer Account**.
- You may only submit requests for payment, or make payments in response to requests for payment, to Persons who: (a) are known to you; and (b) would reasonably expect to receive a request for payment, or receive a payment in response to a request for payment, from you.
- By submitting a request for payment or making a payment in response to a request for payment, you represent and warrant that the requestor payment is not for a Prohibited Payment (as defined below) and is not fraudulent, abusive, or unlawful.
- You acknowledge and agree that we do not guarantee that the Sender will send payment, in whole or in part, in response to or otherwise accept your request for payment.
- You acknowledge and agree that our enabling the use of the Real-Time Payments Service to receive requests for payment or to make payments in response to requests for payment does not require us to provide for or guarantee delivery of a request for payment or payment in response to a request for payment to any and all Persons.
- Any dispute between you and a Sender must be resolved directly between you and the Sender. **We have no responsibility for, and shall not be liable to you in connection with, any dispute between you and a Sender.**
- You acknowledge and agree that your use of the Real-Time Payments Service to receive requests for payment or to make payments in response to requests for payment may be subject to eligibility requirements, and we may suspend or terminate your ability to submit or receive requests for payment or your access to the Real-Time Payments Service in the event that we reasonably suspect you have failed to comply with this Agreement.

7. Failed Service Transfers

A Service Transfer may fail if:

- there are insufficient funds available in the Sender's account when the Sender submits the Service Transfer Request;
- the Sending Institution or Receiving Institution suspects or determines that the Service transfer does not comply with these terms or the rules of the real-time transfer system that is accessed through the Real-Time Payments Service;
- the Receiver rejects the Service Transfer or has declined to receive Service Transfers;
- the Service Transfer Request exceeds the Sender's limit(s);
- the Receiver's account at the Receiving Institution is closed, invalid, ineligible to receive Service Transfers, or being monitored for suspected fraudulent or other illegal activity;
- the Sender's account at the Sending Institution is being monitored for suspected fraudulent or other illegal activity;
- the Sending Institution or Receiving Institution otherwise declines to process the Service Transfer for risk-management, legal, or regulatory reasons; or
- the Real-Time Payments Service is unavailable.

In addition, completion of a Service Transfer may be delayed if the Service Transfer is subject to review by the Sending Institution or Receiving Institution for fraud, regulatory or compliance purposes. Service Transfer Requests are typically completed within fifteen (15) seconds of transmission of the Service Transfer Request by the Sender, unless the Service Transfer fails or is delayed as described above.

If you are the Sender, we will notify you if a Service Transfer fails. If you are the Receiver, we will not communicate to you that the Service Transfer has failed. If you have not received a Service Transfer that you were expecting, you must contact the Sender.

8. Availability of Funds

Funds transferred through the Real-Time Payments Service will be credited to the Receiver's account by the Receiving Institution immediately upon completion of the Service Transfer Request, and will be available for withdrawal by the Receiver immediately. Except as otherwise set forth in this Agreement, funds are available immediately 24 hours per day, 7 days per week, including weekends and state and federal holidays.

9. Prohibited Payments

You agree that you shall not use the Real-Time Payments Service to make or receive any of the following types of payments (each, a "**Prohibited Payment**"): (a) payments that violate or appear to violate any local, state, or federal law or regulation; (b) payments to accounts domiciled outside the United States; (c) payments transmitted solely for the purpose of determining whether the Receiver Addressing Information is valid (a "**Test Payment**"), provided, that you may conduct a Test Payment if you have a bona fide need to do so in order to determine the validity of Receiver Addressing Information provided to you by a Receiver that wishes to receive a payment from you; or (d) any other payment that violates this Agreement.

You acknowledge that you are permitted to use the Real-Time Payments Service solely for the purpose of making or receiving payments: (a) on your own behalf; or (b) on behalf of Persons

that are resident of or domiciled in the United States of America. If you make or receive payments on behalf of another Person, you must comply with all applicable laws, rules, and regulations in conjunction with such payments, including all regulations of the Office of Foreign Assets Control. You acknowledge that any payment that violates the foregoing restrictions is a Prohibited Payment.

Addendum: Terms & Conditions for Canceling Subscriptions

Last updated: 10/24/2024

This Addendum entitled "Terms & Conditions for Canceling Subscriptions" (the "**Addendum**") states the terms and conditions that govern your use of the service provided by a third party service provider engaged by us and acting pursuant to an agreement with us for canceling eligible subscriptions through your account on Chase Online (www.chase.com) or the Chase Mobile app (Chase Mobile®) (the "**Service**"). This Addendum will be deemed to supplement and amend the terms of your Chase Online Services Agreement, Digital Services Agreement, and account agreement(s) governing your deposit, card and/or loan account(s), as applicable, and as amended from time to time (collectively, the "**Account Documentation**"). The terms of the Account Documentation are hereby ratified, affirmed and incorporated herein and shall continue to apply in all respects, as amended hereby. By acknowledging or signing the applicable Account Documentation or by using or continuing to use the Service, you agree to this Addendum. In the event of an irreconcilable conflict between this Addendum and the Account Documentation, this Addendum will govern with respect to use of the Service only, and only to the extent of such irreconcilable conflict.

As used herein, the terms "**Bank**", "**Chase**", "**us**," "**we**," or "**our**" mean JPMorgan Chase Bank, National Association, or any affiliate, agent, independent contractor, designee, or assignee that we may, at our sole discretion, involve in the provision of the Service; "**you**" or "**your**" means (1) an individual or entity that is the owner of an account or (2) an authorized signer on an account who has authority to view account information and affect transactions on such account; and "**service provider**", "**third party service provider**" or "**Billshark**" means Titan Solutions Group LLC dba ApexEdge LLC aka Billshark ("**Service Provider**"), the owner and operator of the Service.

1. General Terms Applicable to the Service

These Terms apply when you use or access, or permit any other person(s) or entity(ies) who you have delegated to act on your behalf to use or access, the Service through Chase Online (www.chase.com) or the Chase Mobile app (Chase Mobile®) for the purpose of facilitating your cancellation of your eligible subscriptions with participating companies that provide you with products or services ("**Merchant(s)**") that you pay for with an eligible Chase credit or debit card (each a "**Subscription**"). We do not have any direct relationship with Merchants in connection with the Service.

a. Service Description

You may use the Service to request cancellation of an eligible Subscription. You will be asked to self-populate a form provided in your account on Chase Online (www.chase.com) or the Chase Mobile app (Chase Mobile®) with requested subscription information including your personal information associated with the subscription, which we will then securely provide to our Service Provider to use in connection with the Service. The personal information requested may vary depending on the Merchant, and may include one or more of the following: name, address, email address, phone number, and subscription account number. You may also be asked to provide CVV and/or CVC code information for the credit card you have saved on file with the Merchant, or for other information required from you in order to perform the Service with your applicable Merchant. Our Service Provider will share some or all of the information that you provide with Merchants for purposes of performing the Service.

Our Service Provider will attempt to cancel the Subscription with your Merchant and, if applicable, request a refund of any unused portion of your Subscription for you (each a **"Subscription Cancellation"**). Once Service Provider has received from you the information needed to process your request, it will undertake the Subscription Cancellation, which typically can take up to three (3) business days to complete, although some Merchants may take longer. You should contact the Merchant directly for status or to request cancellation in advance of the request through our Service Provider being completed. In order to perform the Service, Service Provider will contact your Merchant and if required, identify that Service Provider is acting as your representative and/or agent with your authority to do so. Service Provider will not log into your account with the Merchant nor will Service Provider represent themselves as you.

We will display the status of your Subscription Cancellation request in your Chase account online (www.chase.com) or in the Chase Mobile app. Neither we nor Service Provider guarantee that your Subscription Cancellation will be completed before your subscription renewal date, nor do we guarantee that you will receive a refund. If you are entitled to a refund, it will be credited directly back to your applicable account by the Merchant.

Neither we nor Service Provider are liable for any unreturned balances, nor are we liable for costs or fees associated with any subscription renewal due to your failure to initiate your Subscription Cancellation request sufficiently in advance of your subscription renewal date. **You should not use the Service and instead cancel directly with your Merchant if your renewal date is within the next three (3) business days, or if you need to ensure your cancellation will become effective by a date certain. Due to variation in Merchant processing, we cannot provide a guaranteed date for completion of your cancellation request through our Service Provider.**

By using the Service to request a Subscription Cancellation, you are granting permission and authority to Service Provider to communicate with your Merchant on your behalf in order to cancel the subscriptions, services and/or features that you receive from the Merchant, in accordance with this Addendum.

- a. After you initiate a Subscription Cancellation through the Service, we cannot stop, cancel, reverse or modify it. Once the Subscription Cancellation has been completed, your Merchant may limit your ability to revert to a prior subscription rate or plan. If you contact the Merchant directly to make account changes (e.g., renewal at a promotional rate offered by the Merchant in lieu of cancellation) while your cancellation request through the Service is still pending, we cannot guarantee that your cancellation will not go through as originally instructed through the Service, and we will not be responsible for any losses (e.g. loss of a newly obtained promotional rate) in connection therewith.
- b. Your Merchant may require your verbal confirmation or additional information to verify that Service Provider is acting as your agent in order to complete your requested Subscription Cancellation. **If this is the case, the Service will not be able to be performed and the Subscription Cancellation will not be able to be completed until you provide the additional information or confirmation in accordance with the method required by the Merchant.**
- c. You may not use the Service unless you have the authority to make changes to the applicable account with the Merchant and to grant that authority to Service Provider. By requesting the Service, you represent and warrant that you have such authority. You will be personally liable for all fees incurred or damages that result from requesting the Service without proper authorization, and also agree to indemnify us and Service Provider for any damages we may incur as a result.
- d. The information shared with your Merchants by our Service Provider on your behalf for Subscription Cancellation is subject to any terms and conditions, contracts or privacy policies agreed to between you and your Merchants.

2. Service Fees

There is no service fee to use the Service. Fees are subject to change from time to time upon notice to you as may be required by law.

3. Eligibility and Requirements

As a condition to our engagement to provide, and continued provision of, the Service to you, you make the following representations, warranties, covenants, and agreements, as of the date hereof, and during such time as this Addendum remains in effect.

- a. In order to use the Service, you must have one or more eligible and active Chase accounts in your profile. We have the right to determine eligibility and to restrict your use of the Service in our sole discretion.
- b. You represent that you have the authority to authorize, access, and use the information shared with Service Provider and the Merchants.
- c. You represent that you have the authority to make changes to the applicable account with the Merchant and to grant that authority to Service Provider.
- d. You agree that any access or usage of the Service must occur within the United States.
- e. You agree that you will only use the Service for lawful purposes.
- f. You must be enrolled in our online (www.chase.com) or mobile banking app (Chase Mobile®) and have an eligible Chase credit or debit card to be eligible to use the Service.

- g. You represent that you are the legal owner or an authorized user of the financial account you are using in connection with the Service.
- h. You represent that you're over the age of eighteen (18).

4. Privacy

The Chase Online Privacy Policy and, where appropriate, our U.S. Consumer Privacy Notice, apply to your use of the Service. These documents can be viewed by clicking on the "Privacy & Security" link, then "Privacy" on www.chase.com.

We may disclose information to third parties about your account as necessary in connection with offering the Service, in connection with the investigation of any claim related to your account or use of the Service, to comply with government agency or court orders, in accordance with your written permission, and as otherwise permitted by the terms of our privacy notice.

5. License; Availability of Service

We grant to you, for your personal use or, if you are a business eligible to use the Service, for internal business purposes only, a nonexclusive, limited and revocable right to access and use the Service on our digital platforms. You agree not to use the Service for any other purpose, including commercial purposes, such as co-branding, framing, linking, or reselling any portion of the Service without our prior written consent.

Subject to these Terms, the Service is generally available 24 hours a day, seven days a week with the exception of outages for maintenance and circumstances beyond our or Service Provider's control.

6. Errors or Questions about Transactions

If you receive a successful Subscription Cancellation through use of the Service and thereafter receive a charge to your applicable Chase debit card from your Merchant related to that subscription that you believe to be in error or unauthorized, please contact us promptly after receiving the statement on which the error appeared. Follow the procedures set forth in your account statement for your impacted personal or business account. Note that you must contact us within the time frames set forth for resolving errors about electronic funds transfers.

If you used an eligible Chase credit card, consult your credit card statement for procedures and contact information related to errors or questions about charges.

7. No Liability Related to Acts of Third Parties

Because you have requested the Service and consented to share your personal information by using the Service, you agree that we will not have any liability to you arising out of the Subscription Cancellation you request or any use, copying, loss, disclosure, sale, display or transfer of your personal information in connection with the Service.

WE DO NOT ASSUME ANY RESPONSIBILITY OR INCUR ANY LIABILITY WITH RESPECT TO THE ACTS, OMISSIONS OR DETERMINATIONS OF SERVICE PROVIDER OR ANY MERCHANT, INCLUDING BUT NOT LIMITED TO, ANY PRODUCTS OR SERVICES PURCHASED OR OBTAINED FROM, OR TRANSACTIONS ENTERED INTO WITH, SERVICE PROVIDER OR THE MERCHANT THROUGH OR FROM THE SERVICE, OR THE MERCHANT'S USE AND HANDLING OF YOUR PERSONAL INFORMATION.

We are not the provider of any products or services of Service Provider or the Merchants and we are not responsible for providing any of their products or services to you, other than the Service. We are not responsible for any acts, omissions, or failure of Service Provider or the Merchant, or for any errors or delays caused by them, except as otherwise set forth herein.

We are not responsible for the performance or non-performance of Service Provider, a Merchant, or any other third parties regarding any agreement you enter into with Service Provider, a Merchant, or associated third-party relationships that may impact your use of the Service.

8. Right to Discontinue Use of the Service

Each usage of the Service is a separate transaction requiring that you consent to use of the Service for that transaction only. This Addendum does not require your continued use of the Service so you may discontinue future use of the Service at any time.

We reserve the right to restrict or cancel your access to the Platform and its content or any part or feature thereof, including the Service, at any time. We may decline to accept your request for the Service or may elect to stop performing Service for you at any time in the exercise of our sole discretion.

a. Notices

You agree that by using the Service, all notices or other communications which we or Service Provider may be required to give you arising from our obligations under this Addendum or the Service may be sent to you by any or all of the following sources:

- Through electronic notice given to any electronic mailbox we have for you,
- Any other electronic mail address or telephone number you provide to us,
- The current address we have on file for you, or
- In any other manner permitted by law including, but not limited to, posting it on our website.

b. New Features; Change in Service

We or Service Provider may, from time to time, introduce new features to the Service or modify or delete existing features in our sole discretion. We shall notify you of any of these changes to features if we are legally required to do so. By using any new or modified features when they become available, you agree to be bound by the rules and terms concerning these features.

c. Ending or Changing these Terms; Assignments

We may terminate or suspend these Terms, or terminate, suspend or limit your access or privileges to or use of the Service, in whole or part, at any time for any reason without prior notice, including for reasons involving your use of the Service which we may deem to be illegal, improper, or potentially exposing the bank, a payment network, or the financial system to risk, and/or when you no longer have an eligible Chase Account. The obligations and liabilities of the parties incurred prior to the termination date shall survive the termination of these Terms for all purposes. If your Chase Account is not in good standing, that account will not be eligible to be used in connection with the Service. We may determine other eligibility criteria in our sole discretion. We also reserve the right to terminate or suspend our participation in the Service or with Service Provider or a particular Merchant at any time. You may not assign these Terms.

d. Limitation of Liability; No Warranties

EXCEPT AS SPECIFICALLY SET FORTH HEREIN OR WHERE THE LAW REQUIRES A DIFFERENT STANDARD, YOU AGREE THAT WE, SERVICE PROVIDER AND OUR RESPECTIVE OFFICERS, DIRECTORS, AGENTS AND EMPLOYEES ARE NOT AND SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE OR INJURY OR FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING FROM OR RELATED TO: THE SYSTEM, EQUIPMENT, BROWSER AND/OR THE INSTALLATION OR MAINTENANCE THEREOF; ACCESS TO OR USE OF THE SERVICE; ANY TRANSACTION CONDUCTED THROUGH OR FACILITATED BY THE SERVICE; ANY CLAIM ATTRIBUTABLE TO ERRORS, OMISSIONS, OR OTHER INACCURACIES IN THE SERVICE DESCRIBED OR PROVIDED (INCLUDING, BUT NOT LIMITED TO, THE TRANSFER OF INACCURATE INFORMATION); UNAUTHORIZED ACCESS TO, USE OR ALTERATION OF YOUR TRANSMISSION(S) OF PERSONAL INFORMATION; FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT, THE INTERNET, THE SYSTEM, OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, BUGS, ERRORS, CONFIGURATION PROBLEMS OR INCOMPATIBILITY OF COMPUTER HARDWARE, SOFTWARE, THE INTERNET, OR THE SYSTEM, FAILURE OR UNAVAILABILITY OF INTERNET ACCESS, PROBLEMS WITH INTERNET SERVICE PROVIDERS, PROBLEMS OR DELAYS WITH INTERMEDIATE COMPUTER OR COMMUNICATIONS NETWORKS OR FACILITIES, PROBLEMS WITH DATA TRANSMISSION FACILITIES OR ANY OTHER PROBLEMS YOU EXPERIENCE DUE TO CAUSES BEYOND OUR CONTROL; AND ANY OTHER MATTER RELATING TO THE SERVICE DESCRIBED OR PROVIDED, EVEN IF WE OR SERVICE PROVIDER HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF YOU ARE DISSATISFIED WITH THE SERVICE OR WITH THESE TERMS, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE SERVICE.

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN ANY APPLICABLE AGREEMENT, YOU UNDERSTAND AND AGREE THAT YOUR USE OF THE SERVICE IS AT YOUR SOLE RISK AND THAT THE SERVICE AND ALL INFORMATION, PRODUCTS AND OTHER CONTENT (INCLUDING THIRD PARTY INFORMATION, PRODUCTS AND CONTENT) INCLUDED IN OR ACCESSIBLE FROM THE SITES, ARE PROVIDED ON AN "AS IS" "WHERE-IS" AND "WHERE AVAILABLE" BASIS, AND ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE TO YOU. YOU ACKNOWLEDGE THAT WE MAKE NO WARRANTY THAT THE SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE OR

ERROR-FREE UNLESS OTHERWISE STATED ON THE SITE OR IN ANY APPLICABLE AGREEMENT. TO THE FULLEST EXTENT PERMITTED BY LAW, WE DISCLAIM ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND (EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON- INFRINGEMENT OF PROPRIETARY RIGHTS) AS TO THE SERVICE AND ALL INFORMATION, PRODUCTS AND OTHER CONTENT (INCLUDING THIRD PARTY INFORMATION, PRODUCTS AND CONTENT) INCLUDED IN OR ACCESSIBLE FROM THE SITES. NO LICENSE TO YOU IS IMPLIED IN THESE DISCLAIMERS.

IN THOSE STATES WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES MAY NOT APPLY, ANY LIABILITY OF US OR SERVICE PROVIDER IN THOSE STATES IS LIMITED AND WARRANTIES ARE EXCLUDED TO THE GREATEST EXTENT PERMITTED BY LAW, BUT SHALL, IN NO EVENT, EXCEED ONE HUNDRED DOLLARS (\$100.00).

e. Indemnification

In addition to the indemnities set forth in the General Terms and Conditions, you also acknowledge and agree that you are personally responsible for your conduct while using the Service and agree to indemnify and hold us, Service Provider, and our respective officers, directors, employees and agents harmless from and against any loss, damage, liability, cost or expense of any kind (including, but not limited to, reasonable attorneys' fees) that we or they may incur in connection with a third party claim or otherwise, in relation to your use of the Service or the use of the Service by anyone using your personal information, card number, account number, PIN, User ID or Password or your violation of these Terms or the rights of any third party (including, but not limited to, privacy rights). Your obligations under this paragraph shall survive termination of these Terms.

f. Questions

If you have any questions, disputes, or complaints about the Service or if you need more information about a Subscription Cancellation request you made using the Service, you may contact us using the phone numbers and websites provided on your applicable deposit or card account agreement.

Addendum: Terms for Adding Payment Information to Businesses

Last updated: 10/04/2021

This Addendum contains the terms for adding payment information to businesses (these "**Terms**") that apply when you choose to add a Card as a digital payment method for a merchant or business you select ("**Business**"). In these Terms, "you" and "your" refer to the cardholder of the Chase Card, and "we," "us," "our," and "J.P. Morgan Chase" refer to the issuer of your Card, JPMorgan Chase Bank, N.A. When you add a Card to a Business, you agree to these Terms:

1. Adding Your Chase Card

A Business you transact with may offer you the ability to digitally store your Card information with them to facilitate making future payments to that Business with your Card, in a process known as “card-on-file”. Through the Service, you can add an eligible Card as a saved digital payment method to a Business by following our instructions as they appear on a J.P. Morgan Chase proprietary platform (e.g., Chase Mobile® app or chase.com) (for purposes of this Addendum, the “**Service**”). To add a Card, you must select the Business for which you want to add your Card. You will then be asked to enter your log-in credentials (e.g., username, password) with our service provider, a third party who we are working with to bring you the Service, for the Business that you selected to add your Card, at which point our service provider will log in as you with the Business to share your Card information, including your account number, in secure and encrypted format to the Business so that your Card will become a “card-on-file” and may be used as the default payment method for that Business. You may change your default payment method for that Business at any time thereafter.

Only Cards that we determine are eligible can be added to a Business. For example, if your Card is not in good standing, that Card will not be eligible to be added to a Business. We may determine other eligibility criteria in our sole discretion. When you add a Card to a Business, the Business may allow you to (a) use the Card to (i) enable transfers of money between you and others who are enrolled with the Business or a partner of such Business, and/or (ii) enter into transactions with the Business, including the ability to use the Card to complete transactions at participating physical locations or e-commerce locations of the Business; and (b) use other services that are described in the Business’s agreement or that they may offer from time to time. We reserve the right to terminate our participation with a Business at any time and the right to designate a maximum number of Cards that may be added to a Business.

2. Your Card Terms Do Not Change

The terms and agreement that govern your Card do not change when you add your Card to a Business. The applicable cardmember agreement or account agreement that governs the Card, as amended from time to time, is incorporated by reference as part of these Terms. Please review those agreements, as applicable, for important information on your rights and responsibilities when making transactions with a Business. This feature simply provides another way for you to make purchases or other transactions with the Card.

3. Applicable Fees

Any applicable interest, fees, and charges that apply to your Card or underlying account will also apply when you use your Card with a Business. J.P. Morgan Chase does not charge you any additional fees for adding your Card to a Business. The Business and other third parties such as wireless companies or data service providers may charge you fees. You are solely responsible for reporting and paying any applicable taxes arising from transactions originated using your Card information with a Business and you shall comply with any and all applicable tax laws in connection therewith.

4. J.P. Morgan Chase Is Not Responsible for the Business

J.P. Morgan Chase is not the provider of any products or services of the Business, and we are not responsible for providing any products or services of the Business to you. We are only responsible for supplying information securely to the Business to allow usage of the Card with the Business. Addendum: Terms Applicable To Your Use of Digital Wallets with Chase Cards

Last updated: 01/23/2025

This Addendum contains the terms for adding or activating your Chase Card in an online payment tool such as an app, online website or service, or software program owned by us or by a third party that stores virtual versions of debit and credit cards for making transactions electronically without presentment of the physical card, often called a wallet, e-wallet or digital wallet ("**Wallet**"). These terms (the "**Terms**") apply when you choose to add or Activate an eligible Chase credit card or debit card ("**Chase Card**") in a Wallet. "**Activate**" means using or choosing to retain your eligible Chase Card that has been pre-populated or automatically provisioned to a Wallet. In these Terms, "you" and "your" refer to the cardholder of the Chase Card, and "we," "us," "our," and "Chase" refer to JPMorgan Chase Bank, N.A.

When you add or activate a Chase Card in a Wallet, you agree to these Terms:

1. Adding/Activating Your Chase Card

You can add or Activate an eligible Chase Card to a Wallet by either following our instructions as they appear on a Chase proprietary platform (e.g., Chase Mobile® app or chase.com) or by following the instructions of the Wallet Provider. "**Wallet Provider**" means a third party provider of a Wallet or Chase, if Chase directly provides the Wallet. Chase may provision certain eligible Chase Cards into Wallets owned or operated by Chase. Chase may also provision certain eligible Chase Cards into Wallets such as PazeSM, a Wallet owned and operated by Early Warning Services, LLC. Only Chase Cards that we determine are eligible can be added to or Activated in a Wallet. If your Chase Card or underlying account is not in good standing, that Chase Card will not be eligible to be added to or provisioned in a Wallet. We may determine other eligibility criteria in our sole discretion.

When you add a Chase Card to a Wallet, the Wallet may allow you to: (a) use the Chase Card to (i) enable transfers of money between you and others who are enrolled with the Wallet Provider or a partner of such Wallet Provider, and/or (ii) enter into transactions where the Wallet is accepted, including the ability to use the Chase Card to complete transactions at participating merchants' physical locations, e-commerce locations, and at ATMs; and (b) use other services that are described in the Wallet Provider's agreement or that they may offer from time to time. At your direction, Chase may share information about your Chase Card transactions with a Wallet Provider to enable some Wallet-related services. A Wallet may not be accepted at all places where your Chase Card is accepted. We reserve the right to terminate our participation in a Wallet or with a Wallet Provider at any time and the right to designate a maximum number of Chase Cards that may be added to a Wallet. We may block a Chase Card in a Wallet from certain transactions or purchases at any time.

2. Chase Card Eligibility for PazeSM and other Wallets with Automatic Provisioning

Unless otherwise stated herein, your Chase Card may be eligible for Chase to provision your card into PazeSM or other Wallets to enable your use of your card in PazeSM or other Wallets. Your Chase Card may be eligible for provisioning, and Chase may provision your Chase Card, into PazeSM or another Wallet if your Chase Card is in good standing, you are a Chase Card

customer and have an active digital profile (i.e., login credentials that provide access to your account on our Digital Platforms) ("**Digital Profile**") or you are a new or existing Chase customer with a Digital Profile who opens a new Chase checking or credit card account. Other eligibility criteria may apply and may be determined at our sole discretion.

If your Chase Card is eligible for PazeSM or another Wallet, Chase will securely send your Chase Card information and other information about your account and device to the Wallet Provider to prepopulate your eligible Chase Cards into the Wallet for your use. Other information securely provided to the Wallet Provider may include your social security number, phone number, and email address.

Early Warning Services, LLC is the PazeSM Wallet Provider.

You will need to accept the PazeSM Terms of Service in order to activate your PazeSM Wallet and use it for purchases at participating merchants. For more information on PazeSM, please visit <https://chase.com/paze>. Other Wallets may have similar requirements to activate your ability to use your Chase Card therein.

3. Your Chase Card Terms Do Not Change

The terms and agreement that govern your Chase Card do not change when the Chase Card is added to, provisioned in, or Activated in a Wallet. The applicable Card Member Agreement or account agreement that governs the Chase Card, as amended from time to time, are incorporated by reference as part of these Terms and remain in full force and effect. Please review those agreements for important information on your rights and responsibilities when making transactions through a Wallet.

4. Applicable Fees

Any applicable interest, fees, and charges that apply to your Chase Card or underlying account will also apply when you use a Wallet to access your Chase Card. Chase does not charge you any additional fees for adding your Chase Card to or using your Chase Card in a Wallet. The Wallet Provider and other third parties, such as wireless companies or data service providers, may charge you fees in your use of a Wallet. You are solely responsible for reporting and paying any applicable taxes arising from transactions originated using your Chase Card information transmitted by a Wallet and you shall comply with any and all applicable tax laws in connection therewith.

5. Chase Is Not Responsible for a Third-Party Wallet

Chase is not the Wallet Provider of non-Chase owned and operated Wallets ("third-party Wallets"), and we are not responsible for providing third-party Wallet services to you. Chase is only responsible for supplying information securely to the third-party Wallet provider to allow usage of the Chase Card in a third-party Wallet. We are not responsible for any failure of a third-party Wallet, for any errors in or caused by the third-party Wallet or delays caused by or the inability to use a third-party Wallet for any transaction. We are not responsible for the performance or non-performance of a third-party Wallet Provider or any other third parties

regarding any agreement you enter into with a third-party Wallet Provider or associated third-party relationships that may impact your use of a third-party Wallet.

6. Transaction History

You agree and acknowledge that the transaction history displayed in a Wallet solely represents our authorization of your Wallet transaction and may not reflect complete information about the transaction, nor any post-authorization activity, including but not limited to clearing, settlement, foreign currency exchange, reversals, returns or chargebacks. Accordingly, the purchase amount, currency, and other details for the Wallet Provider's transaction history in connection with use of your Card in a Wallet may be preliminary and/or incomplete, and may not match the transaction amount that ultimately clears, settles, and posts to your Card's billing or monthly statement, which shall be deemed the prevailing document.

7. Contacting You Electronically and by Email or through Your Mobile Device

You consent to receive electronic communications and disclosures from us in connection with your Chase Card and a Wallet. You agree that we can contact you by email at any email address you provide to us in connection with any Chase product, service or account, or through the mobile device on which you have downloaded the Chase Mobile app. Communications to you may include contact from companies working on our behalf to service your accounts. You agree to update your contact information with us when it changes.

8. Removing Your Chase Card from the Wallet

You should contact the Wallet Provider on how to remove a Chase Card from a Wallet. If the wallet is located on a Chase proprietary platform (e.g., Chase Mobile® app, chase.com, or other) information may be located on that proprietary platform.

9. Governing Law and Disputes

These Terms are governed by federal law and, to the extent that state law applies, the laws of the state that apply to the agreement under which your Chase Card is covered. Disputes arising out of or relating to these Terms will be subject to any dispute resolution procedures in your Chase Card agreement.

10. Ending or Changing these Terms; Assignments

We can terminate these Terms at any time. We can also change these Terms, or add or delete any items in these Terms, at any time. Your use of a Chase Card in a Wallet after we have made such changes available will be considered your agreement to the changes. We will provide notice if required by law. We can also assign these Terms. Furthermore, subject to applicable law, at any time we may (i) terminate your use of any Chase Card in connection with a Wallet, (ii) modify or suspend the type or dollar amounts of transactions allowed using

Chase Cards in connection with a Wallet, (iii) change a Chase Card's eligibility for use with a Wallet and/or (iv) change the Chase Card authentication process. You cannot change these terms, but you can terminate these Terms at any time by removing all Chase Cards from the Wallet. You may not assign these Terms.

11. Privacy

Your privacy and the security of your information are important to us. Our Online Privacy Policy and, where appropriate, our U.S. Consumer Privacy Notice (available online at: <https://www.chase.com/>), as amended from time to time, applies to your use of your Chase Card in the Wallet. You may be provided with the ability to share your Chase Card number with Wallet Providers or a payment network, and you agree that we may share certain of your other information with the Wallet Providers, merchants, a payment network, and others in order to provide the services you have requested, to make information available to you about your Chase Card transactions, and to improve our ability to offer these services. This information helps us to add your Chase Card to the Wallet and to maintain the Wallet.

Customers whose cards are automatically provisioned into a Wallet such as PazeSM will have their information securely transmitted to the Wallet Provider for wallet creation. This information includes, but is not limited to, the Chase Card number, Social Security Number, phone numbers and email addresses on file with Chase. We do not control the privacy and security of your information that may be held by the Wallet Provider and that is governed by the privacy policy given to you by the Wallet Provider. Consult your Wallet Provider's privacy policy for details on how they use your data.

12. Notices

We can provide notices to you concerning these Terms and your use of a Chase Card in a Wallet by posting the material on our website, through electronic notice given to any electronic mailbox we maintain for you or to any other email address or telephone number you provide to us, or by contacting you at the current address we have on file for you. You may contact us at: 1-888-364-7250.

13. Limitation of Liability; No Warranties

CHASE IS NOT AND SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE OR INJURY OR FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING FROM OR RELATED TO THE ADDING OF A CHASE CARD TO A WALLET, OR YOUR ACCESS OR USE OF A WALLET. TO THE FULLEST EXTENT PERMITTED BY LAW, WE DISCLAIM ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND (EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT OF PROPRIETARY RIGHTS) AS TO ANY AND ALL WALLETS AND ALL INFORMATION, PRODUCTS AND OTHER CONTENT INCLUDED IN OR ACCESSIBLE FROM THE WALLETS.

Addendum: Transfers Service

Last updated: 6/6/2024

This Addendum governs your use of the service to Transfer funds between your eligible accounts held by us, or between an eligible account held by us and an External Account ("**Transfers Service**" or for purposes of this Addendum, the "**Service**"). Except as otherwise set forth in this Addendum (including Section 6 below), all capitalized terms used but not defined herein shall have the meaning set forth in the General Terms and Conditions.

1. General Terms Applicable to Payment and Transfers

You may use the Online Services to make one-time or repeating payments to Chase Loans or Credit Accounts ("**Chase Bill Payments**" or for the purposes of this Addendum only "**Payments**"), or to transfer funds between your eligible accounts held by us, or between an eligible account held by us and an External Account ("**Transfers**") (collectively "**Chase Bill Payments and Transfers**" or "**Payments and Transfers**"). For the purposes of this Addendum only, **Transfers** means a transfer of funds pursuant to an Instruction to move funds electronically from one account to another specifically when using Payments and Transfers. When you use, or allow another to use, the Online Service or Mobile Services to send Instructions to us to make Payments or Transfers between two eligible accounts through the Online Service or Mobile Services, you agree to the terms and conditions set forth in this Addendum. You also agree that once a Payment or Transfer has been designated with a status of "Sent" or "Completed", you cannot cancel that Payment or Transfer.

All of your payments and transfers made through the Transfers Service will appear on the statements for your respective accounts. Certain payments or transfers available through the Online Service or Mobile Services may also be subject to terms and conditions separate from this Addendum that apply to such other services including, but not limited to, the online wire transfer service, payroll and tax payment services, the Chase Zelle® Service (aka Zelle® or Zelle® Service). Please refer to the agreements and documentation that you receive for those services for that information.

Any transfer made from any of your savings accounts by using the Online Service or Mobile Services is a restricted Transfer subject to certain limitations. Please refer to our deposit account agreement or other terms and conditions governing your account for full details.

Additionally, eligible Transfers made from any line of credit account will be treated as an advance on such line of credit, and in addition to accruing interest under the terms of your line of credit agreement, will also be subject to all other terms and limitations on advances thereunder.

You agree to be bound by and comply with such other written requirements as we may furnish to you in connection with your deposit accounts, credit card accounts, and other products that may be accessed via Payment and Transfers, including without limitation, your deposit account agreement or other terms and conditions governing your account, credit card, mortgage, auto, installment loan or line of credit agreements.

Not all accounts are eligible for Payments and Transfers. We reserve the right to limit eligibility to certain types of accounts and to change such eligibility from time to time. We also reserve the right to restrict categories of recipients to whom Payments and Transfers may be made in our sole discretion.

b. Service Fees

Unless otherwise noted in your account agreement, we do not charge a monthly service fee for Payments or Transfers. If we process a Payment or Transfer in accordance with your Instructions that overdraws your account or exceeds your J.P. Morgan Chase credit card limit, we may assess a fee or charge interest in accordance with the terms of your deposit account agreement or other applicable agreement. We are not responsible for any Payment or Transfer request if there isn't enough money in the designated Pay From or From Account.

c. Preauthorized Electronic Fund Transfers

You may set up an eligible Payment or Transfer as a Preauthorized Electronic Fund Transfer, which you authorize in advance of a Payment or Transfer so it will take place on a recurring

basis, at substantially regular intervals, and no further action will be required from you to initiate it. Preauthorized Electronic Fund Transfers may recur on a set Transfer period, e.g., monthly, or if available, other interval of time (e.g. biweekly, bimonthly) for the same fixed amount to the same Payee or To Account ("Repeating Payments and Transfers"), and will be sent on the same calendar day of each month or other set date that you schedule (e.g., every two weeks), if applicable. However, if the regularly scheduled Send On date or Transfer date falls on a non-Business Day, Payments will be Sent on the following Business Day (except for Auto and Business Loans and Lines of Credit, which will be sent on the prior Business Day), and Transfers will be Sent on the prior Business Day. Repeating Payments and Transfers will be deducted from your Pay From account or From Account, on the Send On date or Transfer date, as applicable. In order to authorize a Repeating Payment or Transfer, you agree to have means to print a copy of your authorization for your records. If you do not have a printer, you agree to continue to authorize a Repeating transaction on a transaction-by-transaction basis until you have means of printing a copy of your authorization for your records.

You have the right to stop payment of a Preauthorized Electronic Funds Transfer from your Consumer Account by notifying us at least three (3) Business Days before the Send On date of the scheduled Payment or Transfer in the manner specified in your applicable account agreement; if we do not do so in response to a timely stop payment notice, we will be liable to you for those losses or damages as provided by law. If for any reason you cannot access the Online Service or Mobile Services, you may also call or write Online Customer Service at the phone number or address set forth in the paragraph entitled "**Your Liability for Unauthorized Transfers or Payments**" herein. If you call, we may also require you to present your request in writing within fourteen (14) days after you call.

- i. Some Chase Loan and Credit Accounts may allow you to set up **Automatic Payments**. Terms and conditions for Automatic Payments to eligible Chase Loan and Credit Accounts will be presented to you at the time you set up the payments. These may include information on available payment options, payment timing and how your payment will be applied to your outstanding balance, applicable interest and fees. See additional details about Automatic Payments in the Section entitled **Payments to Chase Loans or Credit Accounts** below.

For Investment Accounts, you can cancel an existing one time transfer request or cancel/modify a recurring transfer request using the Chase Mobile app, chase.com or by calling Investment Services at 1-800-392-5749. However, in order to modify or cancel a recurring distribution from a retirement account, you must call Investment Services at 1-800-392-5749.

1.2 Transfers

a. Terms Applicable to Transfers

You authorize us to charge your designated From Account for all Transfers of funds that you initiate and you agree to have sufficient funds or available credit in your From Account on the Transfer date for each such transfer you schedule. Except with regard to certain Transfers to and from Investment Accounts, if there are insufficient available funds, including funds in any

linked account used for overdraft protection, (or available credit) to cover a Current Day Transfer, we will not retry the transaction and the Transfer will be immediately rejected.

In the case of Future Dated transfers (excluding Autosave Transfers from a deposit), if sufficient funds are not in your account (inclusive of any funds in a linked **account used for overdraft protection**) on the Transfer date, we will automatically try to debit your account up to two (2) more times on each of the three (3) succeeding Business Days. For these attempts, a status of "Funds Needed" will appear in your Transfer Activity on Chase Online and Chase Mobile . After the final attempt, the transfer request will be Cancelled. A status of "Funding Failed" will appear in your Transfer Activity on Chase Online and Chase Mobile. We will also notify you of each failed attempt to transfer from your From Account in accordance with applicable laws and regulations.

For Investment Accounts, you can set a future Transfer date even if there are insufficient funds in the Investment Account. On the Transfer date, any available funds will be transferred, **even if the amount is below the requested Transfer**, which will mean that the cash balance in the Investment Account will be zero (\$0). You will be notified if your available cash balance is below your Transfer amount. If your account has a zero (\$0) balance as of the Transfer date, the Transfer will be rejected.

b. Internal Transfers

Internal Transfers can be used to Transfer funds between your eligible accounts held by us. To make Internal Transfers, you must have at least two eligible accounts with us between which you may Transfer money. We reserve the right to determine eligibility and to restrict categories of recipients to whom Internal Transfers may be made in our sole discretion.

- i. **Transfer Limits:** To protect your account, we place a daily dollar limit on Internal Transfers sent to or from your eligible Chase accounts, even if your available balance is higher than the daily limit. However, we may allow transactions that exceed your limits or temporarily reduce your limits without notice, for security purposes. We may refuse to process any transaction that exceeds the applicable limits or to protect the security of your account or the transfer system. You may make Internal Transfers up to (A) your available balance plus any amount in your overdraft protection account; or (B) your credit limit, to the extent applicable. If you have selected a home equity line of credit secured by Texas homestead property as your From Account, the minimum transfer allowed through Transfers is \$4,000.00, to the extent eligible. **Current Day Internal Transfer Instructions begin to process immediately and cannot be Cancelled.** If your From Account is a J.P. Morgan Chase home equity line of credit, to the extent eligible, you may make Internal Transfers up to a maximum amount of (A) \$200,000 daily; or (B) \$500,000 daily, if you are a Private Banking customer.
- ii. Transfers between deposit accounts held by us: Current Day transfers between deposit and accounts held by us that are made before the Cutoff Time will be processed immediately and the transferred funds will be available the same day to cover all transfers. Funds transferred to deposit accounts held by us and made after the Cutoff Time on the Current Day or on a non- Business Day will be available for immediate cash withdrawal at ATMs and for online transactions, however the funds will not be available

to cover other payments such as paper checks until the next Business Day. Repeating transfers will be paid on the same calendar day of each transfer period, or on the next Business Day if the regular Transfer date falls on a non-Business Day. Future Dated transfers (including Repeating transfer(s) from deposit accounts held by us) will be deducted from your From Account on the Transfer date.

- iii. Transfers from line of credit accounts held by us: Current Day money transfers from line of credit accounts held by us will be reflected in your account as soon as we receive the transfer request. The minimum or maximum you will be able to withdraw via Transfers is subject to the terms of your existing credit agreements with us. Future Dated and Repeating Transfers cannot be made from line of credit accounts with us.
- iv. Transfers to or from Investment Accounts: Current Day Transfers can be made between eligible deposit accounts held by us and an Investment Account. **NOTE: You can cancel an existing one time Transfer request or cancel/modify a recurring Transfer request online. However, in order to modify or cancel a recurring distribution from a retirement account, you must call Investment Services at 800-392-5749.**

When Instructions are received after the Cutoff Time, funds will be posted to, and viewable in the Investment Account and available for trading at or about 3:00 AM ET on the next Business Day following the day the Instruction was made. When Instructions are received on a non-Business Day, funds will be posted to, and viewable in, the Investment Account and available for trading at or about 3:00 AM ET on the next available Business Day following the day the Instruction was made.

B. Transfers from Investment Account

When Instructions are received by us on a Business Day between 3:00 AM ET and the Cutoff Time, Transfers will be immediately posted to, and available for withdrawal in the To Account. When Instructions are received after the Cutoff Time, Transfers will be posted and available for withdrawal in the To Account at or about 3:00 AM ET on the next Business Day following the day the Instruction was made. When Instructions are received on a non-Business Day, Transfers will be posted to, and available for withdrawal in, the To Account, at or about 3:00 AM ET on the next available Business Day following the day the Instruction was made.

In all instances, the Investment Account cash balance will be immediately reduced by the amount of the Transfer and no longer be available for withdrawal or trading, regardless of whether Instructions are received at or before/after the Cutoff Time.

C. Manual Approval

Certain Transfers including Transfers from an Investment Account over \$100,000.00, multiple same day Transfers and certain future dated Transfers are

subject to manual approval and Transfers to/from Investment Accounts will occur according to these terms upon such approval.

- v. **Autosave Feature**: You can set up automatic Transfers from your checking account to your savings account, or to other types of accounts that we may specify from time to time. We may offer certain Autosave features which, if used by you, give us discretion, within limits set by you, to make periodic Transfers based on factors such as your account balance and spending patterns, and you agree to regularly monitor such Transfers closely and change or cancel them as you determine necessary. Use the Chase Mobile or [Chase Online](#) to set up, review, change or cancel your transfers. Except as specifically set forth herein or where the law requires a different standard, we are not liable for any errors, losses or damages in connection with any Transfer of funds or failure to Transfer funds under any Autosave feature that you select, for any reason, including system outages or defects. In particular, we will not be liable for any interest, gains or dividends you might have earned or not earned in any account as a result of your use of Autosave.

c. External Transfers

External Transfers can be used to Transfer funds between an eligible account held by us and an External Account. To initiate External Transfers you must have at least one eligible deposit account, Investment Account, line of credit, mortgage, installment loan or auto loan account with us. We reserve the right to determine eligibility and to restrict categories of recipients to whom External Transfers may be made in our sole discretion.

- i. **Transfer Limits**: To protect your account, we place a daily dollar limit on External Transfers sent to or from your eligible Chase accounts, even if your available balance is higher than the daily limit. However, we may allow transactions that exceed your limits or temporarily reduce your limits without notice, for security purposes. We may refuse to process any transaction that exceeds the applicable limits or to protect the security of your account or the transfer system. Excluding Transfers to or from Investment Accounts, Transfers to or from External Accounts may be made in amounts of up to the daily maximum noted in the chart below for your applicable account segment in the aggregate from all your combined Chase accounts, except as otherwise described in the subsections below. To help protect you from fraud and scams, Chase dynamically determines the limit for each External Transfer(s) based on internal Chase criteria at the time you schedule the transfer. The maximum daily limit applicable to you will be displayed at the time you set up the transfer and may be lower than the maximum shown in the table below. If your From Account is a home equity line of credit secured by your Texas homestead, to the extent eligible, each transfer must be a minimum of \$4,000.

	Maximum Daily Limit (all accounts in the aggregate)
--	---

Consumer Banking	\$25,000.00
Chase Sapphire Banking	\$100,000.00
Chase Private Client	\$100,000.00
Private Banking	\$100,000.00
Business Banking	\$100,000.00

- ii. If your From Account is a J.P. Morgan Chase home equity line of credit, to the extent eligible, you may make External Transfers up to a maximum amount of (A) \$200,000 daily; or (B) \$500,000 daily, if you are a Private Banking customer.
- iii. Transfers between eligible deposit accounts held by us and an External Account that we receive by the Cutoff Time on any Business Day will begin processing on the same day. Transfers to an External Account will be deducted from your From Account held by us on the calendar date and will usually be reflected in your External Account on the Deliver By Date. Transfers from External Accounts are subject to the processing times of the financial institution holding your External Account. Instructions for Transfers from External Accounts that we receive by the Cutoff Time on a Business Day will be sent to the holder of your External Account on the same day for processing. Instructions entered via the External Transfer Service may be Cancelled until the Cutoff Time on the Send On Date.
- iv. Transfers to or from Investment Accounts
 - A. Transfers to Investment Account. When Instructions are received by us **at or before** the Cutoff Time, funds will be posted to, and viewable in, the Investment Account as of 5:01 p.m. ET on the next Business Day after the day the Instruction was made. These funds will be available for trading at or about 11:59 p.m. ET on the day they post and are viewable in the Investment Account. When Instructions are received **after** the Cutoff Time, funds will be posted to, and viewable in, the Investment Account as of 5:01 p.m. ET on the second Business Day following the day the Instruction was made. These funds will be available for trading at or about 11:59 p.m. ET on the day they post and are viewable in the Investment Account. During the interim period between when the funds are posted and are viewable and available for trading, a hold for the amount in question will be placed on the External Account in the amount of the transfer for up to four (4) Business Days.
 - B. Transfers from Investment Account. When Instructions are received **at or before** the Cutoff Time, funds will be posted to, and viewable in, the External Account as of 5:01 p.m. ET on the next Business Day after the day the Instruction was made. These funds will be available in the External Account at or about 11:59 p.m. ET on the day they post and are viewable in the External Account. When Instructions are received after the Cutoff Time, funds will be posted to, and viewable in, the bank account as of 5:01 p.m. ET that day. The funds will be available in the External Account at or about 11:59 p.m. ET on the day they post and are viewable in the External Account. **Regardless of whether Instructions are received at or**

before/after the Cutoff Time, the Investment Account cash balance will be immediately reduced by the amount of the Transfer and no longer be available for withdrawal or trading.

- v. Transfer Instructions relating to External Accounts and the transmission and issuance of data related to such Instructions shall be received pursuant to the terms of this Addendum and the Rules and you and we agree to be bound by such Rules as in effect from time to time. In accordance with such Rules, any credit to your deposit account held by us, or your External Account shall be provisional until such credit has been finally settled by us or the third party institution which holds your External Account, as the case may be. You acknowledge that you have received notice of this requirement and of the fact that if we do not receive final settlement for a transfer for any reason, we shall charge back the amount of such transfer to the Transfer To or From Account (as applicable) or any other of your accounts or claim a refund from you. We reserve the right at any time to delay the availability of funds transferred into your deposit account via a debit from another account pending settlement or until such time as those transactions cannot be reversed in accordance with the Rules or applicable law.

1.3 Payments

a. General Terms Applicable to Payments

- i. Your responsibilities: You authorize us to remove funds from your designated Pay From account for all Payments that you initiate and you agree to have sufficient available funds on the Send On date or Payment date for each such Payment you schedule. Please note that if you have Chase Overdraft Protection for your Pay From account, available funds in the account that you use for overdraft protection are included in the determination of available funds for the Service. If there are insufficient available funds to cover a Current Day payment, we will not retry the payment and it will be immediately rejected. If sufficient funds are not in your account to cover a Current Day payment, we will not retry the transaction and the payment will be immediately rejected. In the case of Future Dated Payments, if sufficient funds are not in your account on the Send On or Payment date we may reject the request, or accept the request and process the payment for delivery (even if such payment processing causes you to exceed your credit limit or overdraw your account). In the alternative, if sufficient available credit or funds are not in your account on the Send On date or Payment date, we will automatically try to debit your account up to two (2) more times on each of the three (3) succeeding Business Days. For these attempts, a status of "Funds Needed" will appear online. After the final attempt, the payment request will be Cancelled. A status of "Funding Failed" will appear. We will send you a message advising you of each failed attempt to debit your Pay From account. You agree that we may, at our option, follow your Instructions to make payments to a Payee, even though a charge to or a debit from your Pay From account may cause you to exceed your credit limit, or bring about or increase an overdraft. In the event of an overdraft to your Pay From account, we may charge any other of your accounts for the amount of the overdraft. For questions about your preauthorized Payments, you may contact us at the telephone number on your account statement or the front of our deposit account agreement.

- ii. WE ARE NOT RESPONSIBLE FOR ANY CHARGES IMPOSED, OR ANY OTHER ACTION, BY A PAYEE RESULTING FROM A LATE PAYMENT, INCLUDING ANY APPLICABLE FINANCE CHARGES AND/OR LATE FEES UNLESS WE CAUSE PROCESSING DELAYS THAT CAUSE YOUR PAYMENT TO BE LATE.

b. Payments to Chase Loans or Credit Accounts

i. Payments to Chase Mortgage or Auto Loan or Lease Accounts:

Only Business Days may be chosen as Payment dates for Chase mortgage or auto loan or lease accounts and Instructions must be received by us by the Cutoff Time as stated above to receive credit on that same Business Day; Instructions received on any non-Business Day or after the Cutoff Time on any Business Day will be processed on the next Business Day.

ii. Payments to Chase Home Equity or Personal Loan or Line of Credit Accounts:

Same day payments using a Chase deposit account made before the Cutoff Time as stated above on any day will be credited with the date the payment is submitted. Only Business Days may be chosen as Payment dates for Future Dated payments or payments made using a non-Chase checking account and Instructions must be received by us by the Cutoff Time as stated above to receive credit on that same Business Day; Instructions received on any non-Business Day or after the Cutoff Time on any Business Day will be processed on the next Business Day.

iii. Payments to Chase Credit Card Accounts:

Note: Payments to Chase credit card accounts have separate payment options and terms that will be displayed at the time Instructions are provided by you.

iv. Payments to Securities-based Loans or Business Loans or Lines of Credit:

Note: Securities backed, portfolio or margin lines of credit or loans have separate payment options and terms that will be provided to you in your origination and/or other related loan documents. Not all payment types discussed herein are available for payments to these loans or lines of credit. See your loan terms for details as well as information of other methods of payment that may be available to you.

v. Automatic Payments:

You may be permitted to schedule Automatic Payments for your eligible Chase loan and line of credit accounts. Separate terms govern Automatic Payments. Consult your loan documents and authorization language, as applicable, presented in the Online Services on Chase Online or in the Chase Mobile app for details. To establish Automatic Payments, we will ask you to provide your authorization for us to withdraw Payments from your designated Pay From account every month in the amount of your regularly scheduled payment, on the due date specified in your loan documents (or other monthly or other Transfer Period amount or due date you agreed to with us).

Generally, loan payments (one-time and Automatic Payments) are applied to interest first, then principal, escrow (if applicable), and unpaid fees. This may vary depending on your loan product and the status of your account; review the disclosures presented on Chase Online or the Chase Mobile app and your associated loan documents for details.

You understand and agree that in the event that any Payment is rejected by your bank due to insufficient or unavailable funds in your designated Chase or External Account, (i) we may, in our discretion, resubmit the rejected payment up to two times as permitted by applicable law and/or ACH network rules, and (ii) we or your bank holding your External Account may charge you a fee each time a payment is rejected, including for a resubmitted payment.

Payments to a Chase Loan or Credit Account from an account held by us may be made in amounts of up to the available balance in your Pay From account (plus any available balance in any associated overdraft protection account) per day.

2. Additional Terms Applicable Only to Payments and Transfers For Consumer Accounts

For Consumer Accounts, please see your deposit account agreement for important information about your rights and obligations regarding liability for activity on your account. If you perform transactions from a home equity line of credit or other credit account, please see your home equity line of credit or other credit documents for information about your liability for unauthorized charges or other errors or questions relative to those accounts.

Concerns about other transactions in your Investment Account or errors on your confirmations and statements from J.P. Morgan Securities LLC must be reported in accordance with the terms of your Brokerage Account Agreement.

2.1 Your Liability for Unauthorized Transfers

If you permit other persons to use Payments and Transfers or your Password, you are responsible for any transactions they authorize from your accounts. If you believe that your Password has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, notify us AT ONCE, by calling 1-877-242-7372 or writing us at Online Customer Service, P. O. Box 2558, Houston, TX 77252- **9968**.

Tell us AT ONCE if you believe your Password has been lost or stolen or that an unauthorized online transfer has been made from any of your deposit accounts. Telephoning us is the best and fastest way of keeping your possible losses to a minimum. If you do not do so, you could lose all the money in each of the accounts, as well as all of the available funds in any overdraft protection account or any other credit line included among your accounts. If you tell us within two (2) Business Days after you discover the loss or theft, you are completely covered if someone makes a transfer without your authorization.

If you do not tell us within two (2) Business Days after you discover the loss or theft of your Password or that an unauthorized online transfer has been made from any of your deposit

accounts, and we can prove we could have stopped someone from making a transfer without your authorization if you had told us, you could lose as much as \$500.

Furthermore, if any account statement shows online transfers that you did not make, tell us AT ONCE. If you do not tell us within sixty (60) days after a statement showing such a transfer was transmitted to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason, such as a long trip or hospital stay, kept you from telling us, we will extend the time periods.

2.2 Our Liability for Failure to Complete Payments and Transfers

If we do not complete a transfer to or from a Consumer Account in the correct amount or according to our agreement with you, we will be liable for those damages as the law imposes in such cases. However, there are some exceptions. We will not be liable, for example:

1. If, through no fault of ours, your account does not contain sufficient funds to make the transfer and the transfer would exceed any credit line or any overdraft for such account.
2. Your operating system or software was not functioning properly at the time you attempted to initiate such transfer and it was evident to you at the time you began the transfer.
3. Circumstances beyond our control, such as fires, floods, acts of God, power outages and the like.
4. The Payee or, for Payments and Transfers from an External Account, the third party financial institution holding your account mishandles or delays processing or posting a transfer sent by Payments and Transfers.
5. If you have not provided us with complete and correct transfer information, including without limitation the financial institution name, account number and transfer amount for a transfer.

The list of examples set out in this paragraph is meant to illustrate circumstances under which we would not be liable for failing to make a transfer and is not intended to list all of the circumstances where we would not be liable.

2.3 Errors and Questions about Payments and Transfers

If you think your statement is wrong, or if you need more information about a transaction listed on it, call or write us at the telephone number or address at the end of this Addendum.

For personal accounts only, the following procedures apply:

We must hear from you NO LATER than 60 days after we sent you the FIRST statement on which the error appeared. Please provide us with the following:

- Your name and account number;

- A description of the error or the transaction you are unsure about, and why you think it is an error or want more information; and
- The amount of the suspected error.

We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. However, if we need more time, we may take up to 45 days to investigate your complaint or question. If we do this, we will credit your balance within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If you opened your account less than 30 days before the date of the suspected error, the 10-Business-Day period is extended to 20 Business Days. If you opened your account less than 30 days before the date of the suspected error or the transaction occurred at a point-of-sale location or outside the U.S., the 45-day period is extended to 90 days.

If you call us, we may require that you send us your complaint or question in writing within 10 Business Days. If we do not receive it within 10 Business Days, we may not credit your balance.

We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

In case of errors or questions about your electronic transfers that appear on your External Account statements, please contact the financial institution that provided such statement to you in accordance with the terms and conditions of your External Account.

3. Our Guarantees

The Online and Mobile Banking Guarantee – Only for Online and Mobile Transfers (for Consumer Deposit Accounts Only)

In the event that money is removed from your eligible Chase consumer deposit account(s) without your authorization through the Transfers Service, we will reimburse you 100% if you tell us within two (2) Business Days of your discovery of the unauthorized transaction. This guarantee covers only things that are within our control -- the guarantee does not cover losses, which you cause, or processing delays, which are not caused by us or within our control, including cover your failure to completely log out and exit the Online Service or Mobile Services when you're finished with your online session or away from your computer or mobile device, or your negligent handling of your user ID and Password. It is your responsibility to use care when exiting the system and safely maintain your user IDs and Passwords.

4. Additional Terms Applicable Only to Payments and Transfers for Business Accounts

a. Linking Multiple Accounts – Business and Consumer

You may use Chase Online for Small Business to access eligible accounts. These accounts may include accounts of affiliated, subsidiary, or non-affiliated businesses that may be added to your business subscription with the agreement of each such business. You may be permitted to link Consumer Accounts to your Online Service or Mobile Services profile provided: (i) the authorized signer on the Business Account is also an authorized signer on the consumer accounts to be linked and (ii) the Consumer Account information provided during linkage is accurate and can be validated.

b. Liability for Unauthorized Payments and Transfers for Business Deposit Accounts Only

You are responsible for all Payments and Transfers that are authorized using your Password. If you permit other persons to use the Services or your Password, you are responsible for any transactions they authorize. NOTE: ACCOUNT ACCESS THROUGH THE ONLINE SERVICE IS SEPARATE AND DISTINCT FROM YOUR EXISTING SIGNATURE ARRANGEMENTS FOR YOUR ACCOUNTS. THEREFORE, WHEN YOU GIVE AN INDIVIDUAL THE AUTHORITY TO ACCESS ACCOUNTS THROUGH THE ONLINE SERVICE, THAT INDIVIDUAL MAY HAVE ACCESS TO ONE OR MORE ACCOUNTS TO WHICH THAT INDIVIDUAL WOULD NOT OTHERWISE HAVE SIGNATURE ACCESS. YOU ASSUME THE ENTIRE RISK FOR THE FRAUDULENT, UNAUTHORIZED OR OTHERWISE IMPROPER USE OF YOUR PASSWORD. WE SHALL BE ENTITLED TO RELY ON THE GENUINENESS AND AUTHORITY OF ALL INSTRUCTIONS RECEIVED BY US WHEN ACCOMPANIED BY SUCH PASSWORD, AND TO ACT ON SUCH INSTRUCTIONS.

We are not liable to you for any errors or losses you sustain in using the Online Service except where we fail to exercise ordinary care in processing any transaction. We are also not liable for any failure to provide any service if the account(s) involved is no longer linked for Payments and Transfers. Our liability in any case shall be limited to the amount of any funds improperly transferred from your From Account less any amount, which, even with the exercise of ordinary care, would have been lost.

Without regard to care or lack of care of either you or us, a failure to report to us any unauthorized Transfer or error from any of your accounts in accordance with the applicable time frames set forth in your account agreement shall relieve us of any liability for any losses sustained after the expiration of such reporting period and you shall thereafter be precluded from asserting any such claim or error.

c. Errors and Questions about Payments and Transfers for Business Deposit Accounts Only

For business accounts, our practice is to follow the procedures described in Section 2.3 above, but we are not legally required to do so. In case of errors or questions about your electronic transfers that appear on your External Account statements, please contact the financial institution that provided such statement to you in accordance with the terms and conditions of your External Account.

- b. Zelle and the Zelle related marks are wholly owned by Early Warning Services, LLC and are used herein under license.

- c. Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transferred by a Network Financial Institution.
- d. THE SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE SERVICE TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.
- e. NEITHER WE NOR ZELLE® OFFERS PURCHASE PROTECTION FOR AUTHORIZED PAYMENTS MADE WITH THE SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED). For more information, see the section titled "No Purchase Protection" below. REIMBURSEMENT IS AVAILABLE FOR VALID, TIMELY UNAUTHORIZED TRANSACTIONS OR TRANSACTIONS RESULTING FOR CERTAIN QUALIFYING IMPOSTER SCAMS. See your deposit account agreement for information on your error resolution rights and contact information for notifying us about disputed transactions.
- f. Subject to the terms of this Agreement, the Services are generally available 24 hours a day, seven days a week with the exception of outages for maintenance and circumstances beyond our or Zelle's control.
- g. When you enroll to use the service or use or access the Service, or another person(s) or entity who is legally delegated to act on your behalf uses or accesses the Service, you are agreeing to the terms and conditions of this Agreement. You represent that you have the authority to authorize debits and credits to the enrolled bank account.
- h. In order to enroll in the Service to request, send or receive money, you must have one or more eligible U.S. accounts to designate a From Account and/or a To Account, as applicable. Customers may only enroll in Zelle with Chase with an eligible Chase checking account. If the existing default From Account or To Account you designated is inactive or terminated, we may, and you hereby authorize us to, designate on your behalf another eligible and active Chase Account in your profile as your primary From Account or To Account. You may change the designated accounts at any time subject to the terms of this Agreement.
- i. We have the right to determine eligibility and to restrict categories of recipients to whom payments may be made using the Service in our sole discretion. If eligible, the Service may be used to make a transfer between (i) a Chase Account and a Network Bank Account (including another Chase Account), or (ii) a Chase Account and an Out-of-Network Bank Account (as defined below).
- j. **Restrictions and limitations on use of the Service, including some that are specific to your use of Zelle with Chase:**
 - i. The Service is intended only for domestic use in the United States. You represent that you are a U.S. resident (not including U.S. territories). You agree that you will not use the Service for International ACH Transactions or to send or receive payments through the Service to or from non-U.S. locations, which are improper payments prohibited under this Agreement.
 - ii. You agree that you will only use the Service for lawful purposes and consistent with its intended purposes as disclosed in these terms. You further agree not to use the Service to request, send or receive money from anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including

court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Service to request money from anyone for any such payments.

- iii. You agree that you will not authorize a third party to use the Service or share your credentials with a third party to use the Service on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney.
- iv. As a recipient or sender of any transfer using the Service, you acknowledge and agree that we may, in our discretion, (A) delay, block or cancel a payment, (B) put a hold on the amount of such payment to or from the Pay From Account or other account (as permitted by applicable law), or (C) charge back and/or claim a refund from you for the amount of such payment, for various reasons including, but not limited to, fraud, scams, suspicious or illegal activity, ineligible or improper payment, payment does not comply with our policies or the network rules or the terms of service, duplicate payment, incorrect payment (amount or recipient) or otherwise to meet our regulatory, network or other legal obligations. This may include, but is not limited to, payments identified as originating from contact made through social media, social media marketplaces, and/or social media messaging apps. For example, we may delay or hold your payment if we need additional time to verify your identity or the identity of the person sending or receiving the money, or details about the payment, or the payment may be delayed or held due to technical difficulties or circumstances beyond our control. If we delay or block a payment that you have initiated, we will notify you in your account online and/or through email or text message. Neither we nor Zelle shall have liability to you for any such transfers of money, including without limitation, (i) any failure, through no fault of us or Zelle to complete a transaction in the correct amount or to the correct recipient (e.g. you enter the amount or recipient information incorrectly), or (ii) any related losses or damages. See Section IX.C. *Restricting Your Account; Blocking or Delaying Transactions* of your Chase deposit account agreement for additional details.
- v. Zelle and we reserve the right to terminate, suspend, or limit your access to or use of the Zelle Service at any time and without prior notice for reasons, including, but not limited to, your use of the Zelle Service at any Network Financial Institution which may be deemed to be: (i) illegal, (ii) ineligible or improper, (iii) inconsistent with (A) network rules, (B) our policies, or (C) terms of service, (iv) potentially associated with scams or fraud, (v) brand damaging, or (vi) potentially exposing us, Zelle, or the financial system to risk.
- vi. **Using Zelle through Chase to send payments identified as originating from contact through Social Media:**
 - To help protect you from fraud and scams, the Zelle Service should be used for payments between friends, family, and others you trust and should not be used to pay for goods from recipients with whom you are not familiar. The Service is not intended, and should not be used, for the purchase of goods from retailers, merchants, or the like, including on or through social media or social media marketplaces or messaging apps. Neither we nor Zelle offer

purchase protection for non-receipt, damage, or "not as described" claims related to the purchase of goods and/or services. See the section titled No Purchase Protection for more information.

- If you are sending a Zelle payment from your Chase account that is identified as originating from contact through social media, we may, in our discretion delay, decline or block that payment.
- We may request information from you (for example, when you set up a payment or add a recipient) regarding your purpose of payment, the method of contact with your recipient, or other details we deem appropriate to assess whether your payment has elevated fraud or scam risk, or is an illegal, ineligible or improper payment. You agree to provide the requested information if asked.
- We may in our discretion decline payments, restrict your use of Zelle® through Chase, or take other actions as described in your account agreement if you do not respond truthfully to questions we ask or if you otherwise engage in risky use of the Zelle Service, which includes alleged deceit, fraud, or material misrepresentations in providing information about your payment.
- Any failure to delay, decline or block an ineligible payment does not constitute a waiver of our right to so do for future payments.

- k. **Zelle Content Standards:** You agree that you will not use the Service in any way, or upload or provide content or otherwise post, transmit, distribute, or disseminate through the Service (including but not limited to memo fields accompanying a transfer) any material that: (a) is false, misleading, unlawful, obscene, indecent, lewd, pornographic, defamatory, libelous, threatening, harassing, hateful, abusive, or inflammatory; (b) encourages conduct that would be considered a criminal offense or gives rise to civil liability; (c) breaches or infringes any duty toward or rights of any person or entity, including rights of publicity, privacy or intellectual property; (d) contains corrupted data or any other harmful, disruptive, or destructive files; (e) advertises products or services competitive with Zelle, as determined by Zelle in its sole discretion; or (f) in Zelle's or our sole judgment, is objectionable, restricts or inhibits any person or entity from using or enjoying any portion of the Service, or which may expose us, Zelle or our respective affiliates or customers to harm or liability of any nature.
- l. Although neither we nor Zelle have any obligation to monitor any Content, both we and Zelle have absolute discretion to remove Content at any time and for any reason without notice. We and Zelle may also monitor such Content to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to Content that is offensive, indecent, or objectionable. We and Zelle are not responsible for, and assume no liability, for any Content, including any loss or damage to any of your Content. We and Zelle make no representation or warranty that content uploaded to a User profile accurately identifies a particular User of the Service.
- m. If your Chase Account is not in good standing, that account will not be eligible to be used in Zelle transactions.
- n. **Zelle tags:** The Service may include functionality for you to use a unique alpha-numeric identifier to your enrolled User profile to be used in lieu of your mobile phone number or email address when sending, receiving, or requesting money, which will be your

"Zelle® tag." Not all Users may be eligible for Zelle tag enrollment, and Zelle and Chase may determine eligibility in their sole discretion. Initially, only Chase Business Account Users of our Zelle service are eligible to enroll a Zelle tag, although consumer Zelle Users may send money to and receive payment requests from a User using a Zelle tag. Each Zelle tag must have an eligible U.S. mobile phone number associated with it, and there will be a limit on the number of Zelle tags you may use. Your Zelle tag must meet the Content Standards. You may not select a Zelle tag that misleads or deceives other Users of the Service as to your identity, or otherwise. Although neither we nor Zelle have any obligation to monitor User Zelle tags, both we and Zelle® have absolute discretion to remove a User Zelle® tag at any time and for any reason without notice. We and Zelle may require you to change your Zelle tag in our sole discretion, and we may elect to make a Zelle tag unavailable to you, without any liability to you. We and Zelle may also monitor User Zelle tags to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to a Zelle tag that is offensive, indecent, or objectionable. We and Zelle are not responsible for, and assume no liability, for any User Zelle tags, including any loss or damage caused thereby. We and Zelle make no representation or warranty that a User Zelle tag accurately identifies a particular User of the Service. We respect the intellectual property of others and require that users of the Service comply with relevant intellectual property laws, including copyright and trademark laws. We may, in appropriate circumstances and at our discretion, limit or terminate the use of our products or services for users who use or publish content on the Service that is subject to intellectual property rights claims.

2. Enrolling in the Service

- a. You must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and a permanent U.S. mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers), and must immediately update any registered email address or mobile phone number that you surrender or no longer use. You may not register or enroll with a home phone or "landline" phone number, toll-free number, Google Voice number, or Voice over Internet Protocol phone number.
- b. To send, request and/or receive money, the User must (i) be registered with (A) the Service or (B) the person-to-person payment service of clearXchange, Zelle or a Network Financial Institution, and (ii) have an eligible To Account or From Account, and in the case of transfers between you and another User at J.P. Morgan Chase, eligible To and From Accounts that are Chase Accounts.
- c. Once registered/enrolled, you may: (i) authorize a debit of your account to send money to another User at your initiation or in response to the request of that User; and (ii) receive money from another User at that User's initiation or in response to your request, subject to the conditions of the Section below titled "Requesting Money."
- d. If at any time while you are enrolled, you do not send or receive money using the Service for a period of twelve (12) consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number, email address, or Zelle tag (if applicable) that you enrolled still belongs to you. If we are unable to confirm that you

are the owner of the mobile phone number, email address, or Zelle tag, or we receive information that you are not the owner of the mobile number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Service until you enroll again.

- e. Once enrolled, a Z logo will appear on your profile for each U.S. mobile number, email address, and/or Zelle tag (if applicable) that you have enrolled with Zelle. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers, email addresses, and/or Zelle tag should be used to send money to you with Zelle. If a User sends you money using a different U.S. mobile number, email address, or Zelle tag (if applicable) that they may have for you (for example, your e-mail or mobile phone number that is not already enrolled with Zelle), you will receive a message with instructions on how to enroll with Zelle.

If you enroll for the Service and select to use a Zelle tag, the mobile phone number associated with your User profile will be used as a Contact Method for communication related to the Service and must meet the requirements described herein.

- f. ***The following applies only when you are using Zelle with Chase:*** If you receive a Zelle payment or request for payment from another User and no longer want to receive payments or requests for payments from that User, the Service may include functionality that allows you to block them through Zelle with Chase in the Chase mobile app or online in your account at chase.com. You may block, unblock or reblock the User at any time. You understand and agree that once you place a block through Zelle with Chase:
 - i. Neither you nor the blocked User will be able to send the other any payments or requests through the Service unless you remove the block;
 - ii. We will cancel any scheduled Repeating and/or Future Dated payment(s) with the blocked User; if you later unblock the User, you will need to newly schedule any future or recurring payments you may wish to establish with them;
 - iii. While we will take reasonable steps to completely block your selected User from transacting with you on Zelle with Chase, due to Network limitations at this time, certain changes pertaining to the User's account and/or Zelle IDs may impact the effectiveness of the User block; we cannot guarantee that you will never receive another payment or request for payment from that User post-block and if you do, you may need to block the User again;
 - iv. We do not guarantee the availability, timeliness or success of any blocking functionality described in this Section;
 - v. We will not notify the User that you have blocked them; however, we cannot guarantee that the User will not become aware that you have blocked them;
 - vi. Neither we nor Zelle shall have any liability to you or any third party for any losses or damages related to any delay or failure by us to block a User, for any subsequent payments or requests from that User that we are unable to block due to Network limitations, or for any delay or failure to cancel any scheduled Repeating or Future Dated payment(s) to such User upon your request to block them.

3. Statements

All of your transfers made through the Service to or from a Chase Account will appear on the J.P. Morgan Chase statement for such account.

4. Mobile & Text Services; Consent to Emails and Automated Text Messages

By participating as a User, you represent that you are the owner of the email address, mobile phone number, and/or other alias you registered, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number and/or other alias to send or receive money as described in this Addendum. You consent to the receipt of emails or text messages from us, from Zelle, from other Users that are sending you money or requesting money from you, and from other Network Banks or their agents regarding the Services or related transfers between Network Banks, Out-of-Network Banks and you. While we do not currently use automatic telephone dialing systems, you agree that we may, Zelle may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You will immediately notify us if any mobile phone number or email address you have enrolled or is used as a contact method for a Zelle tag is (i) surrendered by you, or (ii) changed by you.

In the case of any text messages that you may send through either us or Zelle or that we may send or Zelle may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle sends on your behalf may include your name. Additionally, you agree to indemnify, defend and hold us harmless from and against any and all claims, losses, liability, cost and expenses (including reasonable attorneys' fees) arising from your provision of a phone number, email address, or other delivery location that is not your own or your violation of applicable federal, state or local law, regulation or ordinance. Your obligation under this paragraph shall survive termination of the agreement.

5. Wireless Operator Data

We or Zelle may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Service. By using the Service, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use or disclose information about your account and your wireless device (such as your mobile number, name, address, email, network status, customer type, mobile device identifiers (e.g. IMSI and IMEI) and other device and subscriber status) and device details, if available, to us or to Zelle or its or our service providers, for the duration of your business relationship, solely to help identify you or your wireless device to help prevent scams and fraud. We may disclose information to third parties about your account or the funds you send or receive:

1. as necessary to complete transactions;
2. as necessary in connection with offering the Service;

4. to comply with government agency or court orders;
5. in accordance with your written permission; and

Our Chase privacy notice, which includes details about our information sharing practices and your right to opt-out of certain information sharing, was provided to you when you opened your Chase Account with us. It can be viewed by clicking on the "Security" link, then "Privacy" on any of our website pages.

6. Cancellation of Your Service

You may cancel the Service by calling 877-CHASEPC (877-242-7372) or online. By canceling the Service, any Pending, Repeating and Future Dated transfers, will also be terminated, however any transfer that is In Process cannot be Cancelled by you. When you cancel the Service, you will no longer be able to access or use the Service and you will not receive a refund of service fees, if any. When you cancel the Service, it will not cancel your other Online Services or Mobile Services or your account relationships, if any, with us.

7. Payment Types and Cutoff Times

When sending and receiving money with the Service, if the recipient is already enrolled in Zelle, the money typically will be available to the recipient in minutes. However, depending on the enrollment status of your recipient and/or their financial institution's policies, funds sent using the Service may be sent as Standard Payments which will be received in 1-2 business days. See sections "Receiving Money", "Requesting Money" and "Sending Money", below, for further information.

Cutoff Times:

Between Chase Accounts: The Cutoff Time for sending payments in order for recipients to receive money on the same day is 11:00 p.m. ET on any Business Day.

Between a Chase Account and an Out-of-Network Bank Account or a Network Bank Account: The Cutoff Time for receiving payments from an Out-of-Network Bank Account or a Network Bank Account is 11:00 p.m. ET on any Business Day. The Cutoff Time for sending payments to an Out-of-Network Bank Account or a Network Bank Account is 8:00 p.m. ET on any Business Day.

8. Receiving Money

- a. You authorize us to accept, on your behalf, all payments sent to you through the Service. Once a Zelle user initiates a transfer of money to your email address, mobile phone number, or Zelle tag (if applicable) enrolled with the Service, you have no ability to stop or cancel the transfer. By using the Service, you agree and authorize us to initiate credit entries to the primary or default account you have enrolled for the Service. For avoidance of doubt, payments sent to you will be Cancelled if you have not designated any Chase Account as the primary or default account for the Service. To avoid this cancellation, if the existing primary or default account you designated is inactive or terminated, we may, and you hereby authorize us to, designate on your behalf another eligible and active Chase Account in your profile as your primary or default account to receive payments sent to you through the Service.
- b. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment.
- c. We have no control over the actions of other Users, the Network Operator or other Network Financial Institutions that could delay or prevent a transfer of money to you.
- d. Notwithstanding anything set forth in this Agreement, processing times vary depending on enrollment and information provided by the sender and recipient. We will automatically begin the delivery process and send notice of a transfer to the recipient on the Send On Date. We will continue our attempts by sending a second notice of a transfer to the recipient, and providing the recipient a period of nine (9) succeeding Business Days to enroll in the Service, or the person-to-person payment service of clearXchange, Zelle or a Network Financial Institution. At the end of this period, if the recipient still has not enrolled, the transfer request will be Cancelled. The sender may cancel the transfer at any time during this ten (10) day period if the recipient is not enrolled at the time of cancellation. During this period, a hold may be placed on the sender's account for the amount of the transfer. Once the recipient has successfully enrolled, transfers will automatically be debited from the sender's account and deposited in the recipient's account. The recipient may not initiate a transfer of funds from a third party's From Account to the recipient's To Account. You may however send an email via the Service to request money from a third party if you have a valid email address for such third party.

9. Requesting Money

- a. You may also send a text message via the Service to request money from a recipient holding an Out-of-Network Bank Account or an account at a Network Financial Institution, if you have a valid mobile phone number for such recipient and the Network Financial Institution or Zelle sends text messages at that mobile phone number to the recipient. If a request for transfer is subsequently cancelled by the requestor, and the sender has initiated a transfer tied to that request, the transfer will be Cancelled unless it is a Current Day transfer, the transfer is already accepted, or it is after the Cutoff Time on the Send On Date.
- b. You may request money from an individual or a group of individuals (up to a maximum

number as determined by us from time to time) enrolled with clearXchange, Zelle or a Network Financial Institution. You understand and acknowledge that individuals to whom you send payment requests may reject or ignore your request. We do not guarantee that you will receive money from other individuals by sending a payment request or that you'll receive the requested amount. If an individual ignores your request, we may decide, in our sole discretion, that we will not send a reminder or repeat request to that individual. We have the right to expire all pending payment requests sent by you after a period of time determined by us from time to time, which is currently set at fourteen (14) days from the Send On Date.

- c. By using the Service, you agree that you will not use the Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend, and hold the J.P. Morgan Chase Indemnified Parties and Zelle (including its officers, directors, employees and agents) harmless from and against any and all Losses in connection with any third party claim resulting or arising from any request for money that you send that is related to overdue or delinquent amounts.
- d. By using the Service, you agree to receive money requests from others, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us. We do not assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money. We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

10. Sending Money

You may send money to a recipient at your initiation or in response to that recipient's request for money. You understand that use of this Service by you shall at all times be subject to (a) this Agreement, and (b) your express authorization at the time of the transaction for us to initiate a debit entry to your bank account. You understand that when you send the payment, once it reaches Funded status, which typically happens immediately after you initiate the payment, you will have no ability to stop or cancel it. Otherwise, you may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Service with the email address or mobile number to which you initiated the payment. If the person you sent money to has already enrolled with Zelle with a Network Financial Institution, the money is sent directly to their bank account (except as otherwise provided herein) and may not be canceled or revoked. We therefore recommend that you use the Service to send money only to recipients you know and trust.

The sender must be enrolled with (a) the Service with an eligible From Account or (b) the person-to-person payment service of clearXchange, Zelle or a Network Financial Institution, and provide a valid email address or mobile phone number for the recipient. Funds will not be withdrawn from the From Account until the transfer has been accepted.

You acknowledge and agree that payment transfers will be completed using only the email

address, mobile phone number, or Zelle tag (if applicable) you enter **even if it identifies a person different from your intended recipient**. The name you enter will help you identify your intended recipient in the drop down menu and your transaction history but will not be used to process payments.

Please make sure you accurately enter the recipient's email address, mobile phone number, or Zelle tag and ensure that their email address, mobile phone number, or Zelle tag is current and enrolled by the recipient in the Service since your obligation to pay for the transfer will not be excused by an error in the information you enter.

You also acknowledge and agree that we can (a) use and add any person or entity (and their associated information) with whom you have transacted through the Service to your list of Zelle recipients; and (b) access, use and add any person or entity from your contacts contained on your device (subject to your consent) for the purposes of updating your list of Zelle recipients, verifying their Zelle enrollment status, and displaying of a Z logo (or substantially similar indicia) for each such mobile number, email address, or Zelle tag of those contacts that are enrolled. You may add, edit and/or remove any recipients at any time.

Sending Money Between Chase Accounts

To use the Service to send money between two Chase Accounts, the sender and the recipient must each maintain an eligible Chase Account. Subject to Zelle transaction limits, you may transfer funds up to your available balance plus any amount in your overdraft protection account, if applicable.

We will not be obligated to make any transfer you may request unless there are sufficient available funds in the From Account to cover the transfer. Transfers from Chase Accounts will be Funded from your From Account on the date of acceptance.

For transfers between Chase Accounts, funds should typically be available within minutes, but no later than the next Business Day if the transfer is sent before the Cutoff Time.

Current Day transfers between Chase Accounts: Any transfer Instruction for a requested Current Day transfer received by us after the Cutoff Time or on non-Business Days will not be a Current Day transfer and will be processed the following Business Day. If there are insufficient available funds to cover a Current Day transfer, the transfer request will fail and we will not make repeat attempts to debit the applicable account.

Repeating and Future Dated transfers between Chase Accounts: In the case of Repeating and Future Dated transfers, if sufficient funds are not in the From Account on the Send On Date, the transfer will fail and we will not make repeat attempts to debit the applicable account.

We will not be obligated to make any transfer you may request unless there are sufficient available funds (including any available overdraft protection account you may have) in your From Account to cover the transfer on the Send On Date until the transfer is Completed or Cancelled. If there are insufficient available funds to cover a transfer on the date of acceptance, the transfer will fail and we will not make repeat attempts to debit the applicable account.

Instructions for transfers to an Out-of-Network Bank Account will be deducted from the From Account held by us following acceptance. Transfers from Out-of-Network Bank Accounts are subject to the processing times of the Out-of-Network Bank Account. Instructions for transfers from the Out-of-Network Bank Accounts that we receive by the Cutoff Time on a Business Day will be sent to the Out-of-Network Bank Account on the same day for processing.

Transfers to an Out-of-Network User through clearXchange.com: For transfers from a Chase Account to an Out-of-Network Bank Account through use of clearXchange.com, the transfer should typically be completed one to two Business Days after the Business Day following acceptance, subject to the processing times of the Out-of-Network Bank.

Sending Money Between Chase Accounts and Network Bank Accounts

To use the Service to send and receive money between a Chase Account and a Network Bank Account, the parties must use at least one eligible Chase Account with us and at least one Network Bank Account. The holder of an account with a Network Bank may enroll with the

person-to-person transfer service of the Network Financial Institution holding their account and will not be required to enroll through the Service. To send money from a Chase Account, you may transfer funds up to your available balance plus any amount in your overdraft protection account, if applicable.

Transfers from a Chase Account to a Network Bank Account: You authorize us to charge your designated From Account with us for all transfers of funds that you initiate through the Service, and you also agree to have sufficient funds in your From Account on the Send On Date to cover each such transfer you schedule and any fees that might be associated with such transfer until the transfer is Completed or Cancelled, subject to Section 7(e). We will not be obligated to make any transfer you may request unless there are sufficient available funds (including any available overdraft protection account you may have) in your From Account to cover the transfer on the Send On Date until the transfer is Completed or Cancelled.

If there are insufficient available funds to cover a transfer to a Network Bank Account on the date of acceptance, the transfer request will fail and we will not make repeat attempts to debit the applicable account.

Instructions for transfers to a Network Bank Account will be deducted from the From Account held by us once the recipient or the Network Financial Institution accepts. Funds will typically be available in the Network Bank Account when J.P. Morgan Chase sends a guarantee of payment or a similar notice to the Network Financial Institution, and depending on the Network Financial Institution and whether there are sufficient funds in your Chase Account, that may be within minutes or within two Business Days following acceptance. Once your transfer has been submitted and confirmed, we will provide you information on when the funds for each transfer will become available.

Transfers from a Network Bank Account to a Chase Account: Transfers from Network Bank Accounts to Chase Accounts are subject to the terms of the person-to-person transfer service of the Network Financial Institution and may be delayed or cancelled as the Network Financial Institution may determine in its sole discretion.

Funds will be typically available when J.P. Morgan Chase receives a guarantee of payment or a similar notice from the Network Financial Institution sending the transfer, and depending on the Network Bank, that may be within minutes or within three Business Days following acceptance, subject to the processing times of the Network Financial Institution. After acceptance, we will provide you information on you when the funds for each transfer will become available.

11. Transfer Limits

To protect your account, we place a daily dollar send limit on Zelle payments sent from your eligible Chase checking accounts, even if your available balance is higher than the daily limit. However, we may allow transactions that exceed your limits or temporarily reduce your limits without notice, for security purposes. We may refuse to process any transaction that exceeds the applicable limits or to protect the security of your account or the transfer system.

Zelle transfers from your Chase Accounts may be made in any amounts from \$1 up to the

limit applicable to your transaction. Limits are aggregate from all of your combined Chase accounts enrolled with the Service. To help protect you from fraud and scams, Chase dynamically determines the limit for each transaction at the time you set it up based on a number of factors including your recipient. Each transaction will fall within a tier limit that reflects the aggregate total you can send to all recipients within that tier in a day:

Daily \$ Limit by Account Type	Consumer Chase	Chase Private Client/ Chase Business	Chase Private Bank
Tier 0	\$500	\$1,000	n/a
Tier 1	\$2,000	\$5,000	\$5,000
Tier 2	\$5,000	\$7,500	\$7,500
Tier 3	\$10,000	\$15,000	\$15,000

We'll show you the applicable limit for your transaction in the Chase Mobile app or Chase online when you set it up. For same day payments, if you've already sent a transaction to someone that day, we'll show you the remaining amount of your daily limit if you send to another recipient within the same tier. The limit tiers are based on a number of factors which we cannot share for security reasons and which may change from time to time in our discretion. We do not currently limit the dollar amount you may receive each day through Zelle.

We may decline a Future dated or Repeating Zelle transfer on the Send On date if it exceeds the applicable tier limit for the transaction, even if your available balance is higher than the limit.

12. Repeating Transfers

Repeating transfers that are for the same fixed amount each month will be sent in accordance with your Instructions and on the same calendar day of each period you designate, or on the prior Business Day if the regular Send On Date falls on a non-Business Day. In order to authorize a Repeating transfer, you agree to have a printer or other means to obtain a printed copy of your authorization for your records. If you do not have a printer, you agree to continue to authorize a Repeating transfer on a transaction-by-transaction basis until you have means of printing a copy of your authorization for your records.

If you desire to cancel a Repeating transfer, you may cancel your transaction online. If for any reason you cannot access the Online Service, you may also call our customer service at 877-CHASEPC (877-242-7372) or write to online customer service at Online Customer Service, P. O. Box 2558, Houston, TX 77252-9968.

Zelle Liability for Unauthorized Transfers for Chase Business Deposit Accounts Only

You are responsible for all transfers that are authorized using your Password to access the Zelle Service. If you permit other persons to use the Service or your Password, you are responsible for any transactions they authorize.

We shall have no liability to you for any errors or losses you sustain in using the Service except where we fail to exercise ordinary care in processing any transaction. We shall also not be liable for any failure to provide any service if the account(s) involved is no longer linked for the Service. Our liability in any case shall be limited to the amount of any funds improperly transferred from your From Account less any amount, which, even with the exercise of ordinary care, would have been lost.

Without regard to care or lack of care of either you or us, a failure to report to us any unauthorized transfer or error from any of your Chase Accounts within thirty (30) days of our providing or making available to you a bank statement showing such unauthorized transfer or error shall relieve us of any liability for any losses sustained after the expiration of such thirty-day period and you shall thereafter be precluded from asserting any such claim or error.
